Mobilizing Woman Power:

Mobilizing Woman-Power Harriot Stanton Blatch, 2019-09-25 Reproduction of the original *Mobilizing Woman Power* by Harriot Stanton Blatch *Mobilizing Woman-Power, with a Foreword by Theodore Roosevelt* Harriot Stanton Blatch, 2017-09-13 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates *Mobilizing Woman-Power* Harriot Stanton Blatch, 2025-08-22 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Mobilizing Woman-Power* Harriot Stanton Blatch, 2014-12-08 eagerness but fitness to substitute for man power I commend especially the chapter containing the sentence This war may prove to us the wisdom and economy of devoting public funds to mothers rather than to cr ches and juvenile asylums and also the chapter in which the author tells women that if they are merely looking for a soft place in life their collective demand for a fair field and no favor will be wholly ineffective The doors for service now stand open and it rests with the women themselves to say whether they will enter in The last chapter is itself an unconscious justification of woman s right to a share in the great governmental decisions which to day are vital **Mobilizing Woman-Power (WWI Centenary Series)** Harriot Stanton Blatch, 2014-05-21 This early work by Harriot Stanton Blatch was originally published in 1918 and we are now republishing it as part of our WWI Centenary Series *Mobilizing Woman Power* is an excellent work that details the author s views on the role of women during the First World War In the foreword Theodore Roosevelt writes Mrs Blatch shows why every woman who inherits the womanly virtues of the past and who has grasped the ideal of the added womanly virtues of the present and the future should

support this war with all her strength and soul She testifies from personal knowledge to the hideous brutalities shown toward women and children by the Germany of to day and she adds the fine sentence Women fight for a place in the sun for those who hold right above might This book is part of the World War One Centenary series creating collating and reprinting new and old works of poetry fiction autobiography and analysis The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars offering new perspectives on this tragic yet fascinating period of human history Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context

Mobilizing Woman-Power Harriot Stanton Blatch,2019-12-09 In Mobilizing Woman Power Harriot Stanton Blatch intricately weaves together a compelling narrative that explores the intersection of women s suffrage social activism and the mobilization of female energy during a pivotal moment in American history Written with a passionate prose style that resonates with the fervor of early 20th century reform movements Blatch s work reflects the broader literary context of the time where voices advocating for gender equality were gaining prominence Through a blend of personal anecdotes historical accounts and calls to action the book serves as both a chronicle and a manifesto for women s activism emphasizing the critical role women played in advocating for rights and social justice Harriot Stanton Blatch a prominent suffragist and daughter of Elizabeth Cady Stanton was deeply influenced by her familial legacy of activism and reform Her own experiences in organizing women for political action as well as her education in England shaped her perspective on the necessity of women s involvement in public life Blatch s passionate commitment to the suffrage movement and her understanding of the barriers women faced provide a robust foundation for her arguments making the book not merely a historical account but a significant contribution to feminist literature I highly recommend Mobilizing Woman Power to anyone interested in understanding the rich history of women s rights in the United States Blatch s insightful observations and earnest advocacy challenge readers to reflect on the ongoing struggle for gender equality making this book a timeless resource for both scholars and activists alike

Mobilizing Women-Power Harriot Stanton Blatch,1974-06 Mobilizing Woman-power Harriet Stanton Blatch,1918 **Mobilizing Woman-Power** Blatch Harriot Stanton,2016-06-20 Unlike some other

reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Mobilizing Woman-Power Harriot Stanton Blatch,2018-08-15 Mobilizing Woman Power by Harriot Stanton Blatch The nations in which women have influenced national aims face the nation that glorifies brute force America opposes the exaltation of the glittering sword opposes the determination of one nation to dominate the world opposes the claim that the head of one ruling family is the direct and only representative of the Creator and above all America opposes the idea that might makes right Let

us admit the full weight of the paradox that a people in the name of peace turns to force of arms The tragedy for us lay in there being no choice of ways since pacific groups had failed to create machinery to adjust vital international differences and since the Allies each in turn we the last had been struck by a foe determined to settle disagreements by force Never did a nation make a crusade more just than this of ours We were patient too long patient perhaps with challenges We seek no conquest We fight to protect the freedom of our citizens On America s standard is written democracy on that of Germany autocracy Without reservation women can give their all to attain our end There may be a cleavage between the German people and the ruling class It may be that our foe is merely the military caste though I am inclined to believe that we have the entire German nation on our hands The supremacy of might may be a doctrine merely instilled in the minds of the people by its rulers Perhaps the weed is not indigenous but it flourishes nevertheless Rabbits did not belong in Australia nor pondweed in England but there they are and dominating the situation Arrogance of the strong towards the weak of the better placed towards the less well placed is part of the government teaching in Germany The peasant woman harries the dog that strains at the market cart her husband harries her as she helps the cow drag the plough the petty officer harries the peasant when he is a raw recruit and the young lieutenant harries the petty officer and so it goes up to the highest a well planned system on the part of the superior to bring the inferior to a high point of material efficiency The propelling spirit is devotion to the Fatherland each believes himself a cog in the machine chosen of God to achieve His purposes on earth The world hears of the Kaiser s Ich und Gott of his mailed fist beating down his enemies but those who have lived in Germany know that exactly the same spirit reigns in every class The strong in chastizing his inferior has the conviction that since might makes right he is the direct representative of Deity on the particular occasion We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Lamphier,Rosanne Welch,2017-01-23 This four volume set documents the complexity and richness of women s contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America s history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter *Rosie's Mom* Carrie Brown,2002 This book restores to history the lives of American women involved in war work during World War I **The Woman's Journal** ,1918 States of Childhood Jennifer S. Light,2020-07-14 How virtual adulthood children s role play in simulated cities states and nations helped construct a new kind of sheltered childhood for American young people A number of curious communities sprang up across the United States in the late nineteenth and early twentieth century simulated cities states and nations in which children played the roles of legislators police officers bankers journalists shopkeepers and other adults They performed real work passing laws growing food and constructing buildings among other tasks inside virtual worlds In this book Jennifer Light examines the phenomena of junior republics and argues that they marked the transition to a new kind of sheltered childhood for American youth Banished from the labor force and public life children inhabited worlds that mirrored the one they had left Light describes the invention of junior republics as independent institutions and how they

were later established at schools on playgrounds in housing projects and on city streets as public officials discovered children's role playing helped their bottom line. The junior republic movement aligned with cutting edge developmental psychology and educational philosophy and complemented the era's fascination with models and miniatures shaping educational and recreational programs across the nation. Light's account of how earlier generations distinguished real life from role playing reveals a hidden history of child labor in America and offers insights into the deep roots of such contemporary concepts as gamification, play labor, and virtuality. *Women in the War, a Bibliography* Council of national defence, Washington, D.C. Women's committee, 1918
