**The Lumumba Plot** Stuart A. Reid, 2024-11-05 The New York Times Book Review Editors Choice A spellbinding work of history that reads like a Cold War spy thriller about the U.S. sanctioned plot to assassinate the democratically elected leader of the newly independent Congo. A BEST BOOK OF THE YEAR The New Yorker The Economist Financial Times This is one of the best books I have read in years gripping full of colorful characters and strange plot twists. Fareed Zakaria CNN host It was supposed to be a moment of great optimism a cause for jubilation. The Congo was at last being set free from Belgium one of seventeen countries to gain independence in 1960 from ruling European powers. At the helm as prime minister was charismatic nationalist Patrice Lumumba. Just days after the handover

however the Congo's new army mutinied Belgian forces intervened and Lumumba turned to the United Nations for help in saving his newborn nation from what the press was already calling the Congo crisis Dag Hammarskjöld the tidy Swede serving as UN secretary general quickly arranged the organization's biggest peacekeeping mission in history But chaos was still spreading Frustrated with the fecklessness of the UN and spurned by the United States Lumumba then approached the Soviets for help an appeal that set off alarm bells at the CIA To forestall the spread of Communism in Africa the CIA sent word to its station chief in the Congo Larry Devlin Lumumba had to go Within a year everything would unravel The CIA plot to murder Lumumba wouldizzle out but he would be deposed in a CIA backed coup transferred to enemy territory in a CIA approved operation and shot dead by Congolese assassins Hammarskjöld too would die in a mysterious plane crash en route to negotiate a cease fire with the Congo's rebellious southeast And a young ambitious military officer named Joseph Mobutu who had once sworn fealty to Lumumba would seize power with U S help and misrule the country for more than three decades For the Congolese people the events of 1960-61 represented the opening chapter of a long horror story For the U S government however they provided a playbook for future interventions
