and an unforgettable love story Melina Helfer Romantic Times **The Last Orphan** Gregg Hurwitz,2023-02-14 Evan Smoak returns in The Last Orphan the next New York Times bestselling Orphan X thriller when everything changes and everything is at risk As a child Evan Smoak was plucked out of a group home raised and trained as an off the books assassin for the government as part of the Orphan program When he broke with the program and went deep underground he left with a lot of secrets in his head that the government would do anything to make sure never got out When he remade himself as The Nowhere Man dedicated to helping the most desperate in their times of trouble Evan found himself slowly back on the government s radar Having eliminated most of the Orphans in the program the government will stop at nothing to eliminate the threat they see in Evan But Orphan X has always been several steps ahead of his pursuers Until he makes one little mistake Now the President has him in her control and offers Evan a deal eliminate a rich powerful man she says is too dangerous to live and in turn she ll let Evan survive But when Evan left the Program he swore to only use his skills against those who really deserve it Now he has to decide what s more important his principles or his life British Decolonisation and the Female Middlebrow Novel Anne Wetherilt,2025-09-01 British Decolonisation and the Female Middlebrow Novel offers the first detailed discussion of middlebrow fiction by women writers who personally witnessed the dismantling of the British Empire the intensification of the Cold War and the domestic tensions following the arrival of thousands of migrants from Britain s former colonies Studying selected novels by Cecilie Leslie Elspeth Huxley Mary McMinnies Han Suyin and Kamala Markandaya this study demonstrates that women s middlebrow writing reveals a much deeper engagement with the politics and economics of decolonisation than is usually ascribed to the genre As Anne Wetherilt argues by transcending the politics of domesticity the female middlebrow registers a critique of both Britain s colonial history and mainstream conceptions of decolonisation as a well managed transition from empire to commonwealth As such the middlebrow novel of the immediate post war decades takes us back to a place where the end of empire was imagined rather than denied and the ambiguities of British colonial politics exposed rather than repressed Indian Women Novelists in English Jaydipsinh Dodiya,2006 Contributed essays
