Master the Natural Sciences CLEP Test Peterson's, 2012-04-30 Natural Sciences part of Peterson's Master the CLEP offers a review of the subject matter you need to know to master the scientific concepts that are tested on the CLEP Natural Sciences examination. You will learn about evolution and classification, cellular and molecular biology, organisms and heredity, ecology and population biology, as well as the atom, elements and reactions, thermodynamics, electromagnetism, the structure of the universe, and Earth's history and systems. To help you pinpoint in which areas you may require further practice, this review offers a 50 question pre test, overview, practice questions, and a 50 question post test. You will find in-depth answer explanations for every question presented in this guide.

Master the College Composition CLEP Test Peterson's, 2012-04-30 Peterson's Master the College Composition CLEP Test offers a comprehensive review of the skills assessed in this general examination. You will start by taking a 50 question pre test, complete with detailed answer explanations, to help find your strengths and weaknesses. This is followed by a thorough discussion of the conventions of Standard Written English, revision skills, the ability to use source materials, and rhetorical analysis. Each of these subject areas includes review questions with answer explanations. You will review how to write a successful essay and then go through an in-depth usage review. You can then practice with a 50 question post test, which is also accompanied by answer explanations.

Master the College Mathematics CLEP Test Peterson's, 2012-04-30 College Mathematics part of Peterson's Master the CLEP is meant to fully prepare you for the CLEP College Mathematics general examination. It offers an extensive overview of the following subject areas: real number systems, sets, probability and statistics, logic, functions and their graphs, and additional topics from algebra and geometry. You will find numerous practice question sets throughout the subject review. In addition, there are a pre and a post test with 50 questions each that will help you in your preparation for this exam. All practice questions come with detailed answer explanations.

Master the CLEP Peterson's, 2012-04-30 Peterson's Master the CLEP is the essential prep guide for non-traditional students who are looking to begin a college career and for current students who want to save on tuition costs by testing out of certain courses. When you use this guide, you will get a basic overview of the CLEP, a look at the general examinations, and the vast number of subject-specific exams, tips for registering and preparing for the CLEP, and a guide to interpreting your test scores. This is followed by extensive reviews of the five CLEP general examinations with pre and post tests and subject matter overviews that will help you pinpoint your strengths and weaknesses. The Appendix will go into detail about a number of CLEP subject exams.

Master the Humanities CLEP Test Peterson's, 2012-04-30 Peterson's Master the Humanities CLEP Test thoroughly prepares you for the CLEP Humanities exam that assesses your general knowledge of literature, music, art, and architecture. You will start your preparation with a 50 question pre test, which is followed by answer explanations for each question. Then there are review sections for each subject, accompanied by glossaries of relevant terminology and pictures of famous structures and paintings. This is followed by practice questions to help you retain the

information you have reviewed Your preparation is completed by taking a 50 question post test which also comes with detailed answer explanations
