**Where the Ball Drops** Daniel Makagon, 2004 An analysis of the transformation of Times Square from a seedy urban center to a family friendly entertainment district captures the competing social and cultural fantasies that are at work revealing an ongoing urban drama of the contradictions of public and private life *Death and Social Order in Tokugawa Japan* Nam-lin Hur, 2020-03-23 Buddhism was a fact of life and death during the Tokugawa period 1600 1868 every

household was expected to be affiliated with a Buddhist temple and every citizen had to be given a Buddhist funeral The enduring relationship between temples and their affiliated households gave rise to the danka system of funerary patronage This private custom became a public institution when the Tokugawa shogunate discovered an effective means by which to control the populace and prevent the spread of ideologies potentially dangerous to its power especially Christianity Despite its lack of legal status the danka system was applied to the entire population without exception it became for the government a potent tool of social order and for the Buddhist establishment a practical way to ensure its survival within the socioeconomic context of early modern Japan In this study Nam lin Hur follows the historical development of the danka system and details the intricate interplay of social forces political concerns and religious beliefs that drove this economy of death and buttressed the Tokugawa governing system With meticulous research and careful analysis Hur demonstrates how Buddhist death left its mark firmly upon the world of the Tokugawa Japanese
