Preparing To Pray 101 Reflections On Scripture:

Preparing to Pray Pat Collins, 2004 Preparing to Pray will help people who want to engage in Lectio Divina a traditional method of scripture prayer It involves reading and reflecting on the word of God with a view to praying to and contemplating the God of the word This book is designed to help with the first two steps by providing perceptive non academic reflections on thematically chosen scripture texts They seek to answer two questions What do the verses mean in themselves What is their relevance in my life Hopefully the 101 reflections will lead to a prayerful response and an experiential awareness of God This book is a companion to Prayer in Practice Columba 2000 It has been written in the firm belief that there will be no genuine renewal in the church without a return to biblical spirituality As Pope John Paul said in par 65 of The Church in Europe 2003 Ignorance of the Scriptures is ignorance of Christ May the Holy Bible continue to be a treasure for the church and for every Christian in the careful study of God s word we will daily find nourishment and strength to carry out our mission Book jacket

Using the Bible in Spiritual Direction Liz Hoare, 2016-01-01 Spiritual direction is increasingly popular among Christians of all mainstream traditions with demand for directors outstripping supply in many places And although the Bible is central to the practice of spiritual direction very little has been published on how best to use it in this form of ministry Experienced spiritual director Liz Hoare explores the central role the Bible has played in Christian experience in order to discourage poor shallow or rigid use of the Bible which can lead to damage and inhibit spiritual growth According to Hoare the goal of spiritual direction is not a personal improvement plan but a people who are being shaped into the likeness of Christ for the flourishing of the church as a whole Using different methods of praying with the Bible and drawing on historical traditions of Christian spirituality as well as current literature and practice this book offers a rich stimulating and thoroughly biblical resource for all those who give and receive spiritual direction Connecting Like Jesus Mary Albert Darling, 2019-03-05 A hands on resource for all Christians who want to communicate with more passion and power Tony Campolo and Mary Albert Darling have teamed up to explore the dynamic connection that occurs when spirituality spiritual practices are combined with effective communication practices Churches and other religious organizations depend on the ability of their leaders and members to communicate speak teach and preach within their congregations and beyond This
