Walvoord,Roy B. Zuck,2018-03-01 Walk with Those Who Walked with Jesus In the Gospels we witness the most crucial turning point in world history and the reason we believe what we do The New Testament begins with four accounts of the good news of the Son of God Drawing on the research of Dallas Theological Seminary scholars *The Bible Knowledge Commentary Gospels* explores similarities and differences among Matthew Mark Luke and John The authors also look at difficult or confusing passages apologetic evidence for these eyewitness accounts and what we can learn about Christ like living from observing the life of Jesus With dozens of visuals and Old Testament cross references this commentary is one of the most thorough and theologically sound studies of the Gospels Journey with Jesus as if for the first time in this detailed look at His life on earth Masters of Preaching Ray E. Atwood,2012-02-16 The history of Catholic homiletics is rich and layered with theology and spirituality Every period of Church history contains preachers who have been blessed with oratorical skills and spiritual depth They are saints scholars bishops priests and deacons from the Eastern and Western traditions *Masters of Preaching* the first book of its kind lays the foundations for a deeper understanding of Christian preaching It is an important contribution to the subjects of history and preaching This exceptional text sheds light on the lives and sermons of the Church s most talented preachers Through the lives and works of thirty one men the reader will experience fine sermons from the most eloquent homilists There is much to learn from this important book *The Bride Of Christ: The Bridegroom and His Bride* Christopher Hussey,2017-08-11 Right from the very beginning in eternity past God had planned history with His Son having a bride a companion that would co reign with Him and enjoy Him forever That is the eternal purpose of God in creating a bride for His Son If you read the Scripture from cover to cover you would discover that God teaches us in a variety of different ways Sometimes God uses powerful word pictures sometimes He uses symbols sometimes He uses examples of people both good and bad Sometimes God uses a direct word an authoritative word sometimes He uses examples from nature like a tree planted by the rivers of water that will not cease to bear fruit This book highlights how God gave us an example of an ancient Jewish wedding ceremony that correlates with Christ the Bridegroom and His bride the church From the father choosing a bride for his son paying the bridal price the bridegroom snatching his bride and bringing her to the bridal chamber and then finally co reigning with him in their household with him as the head It is absolutely amazing the correlation between the two What was a mystery to the Jews has been revealed The mystery was that both Jew and Gentile called the church would be the bride of

Christ The bride of Christ is describing the kind of relationship we can have with Jesus God is seeking willing lovers who would voluntarily seek His heart voluntarily surrender to Him and voluntarily love Him with all their heart soul and mind and strength

Gospel Overtures Noel Cooper,2014-03-18 Christmas is a charming and memorable season for children and it is perfectly reasonable for well informed adults to enjoy cribs candles carols decorated trees presents and family feasts It is not possible however to be a well informed adult believer without adding to the value of the Christmas celebration by searching for the deeper meaning of the gospels a meaning that is beyond the comprehension of young children Gospel Overtures offers a detailed analysis of the Christmas stories in the Gospels of Matthew and Luke as well as suggestions for personal reflection Christianity is primarily a religion for adults and the gospel narratives are intended to inspire adult faith Gospel Overtures is intended to help readers appreciate the depth of the gospels and to grow as believers

Presence J. Alexander Sider,Isaac S. Villegas,2011-06-17 As God s eternal life flows through us we learn to let go of our pretensions of control and rest into the new life offered in Jesus Christ This book is an invitation for you to become nonresistant to this movement of God s love for you and the world Through a variety of sermons and meditations Sider and Villegas bear witness to a grace that disarms our guardedness and makes room for us to fall into the love of God Preaching becomes a dispossessive practice as each person is invited to give and receive God s transforming power The proclamation of the gospel Villegas and Sider say should display the priesthood of all believers Thus the call to preach belongs to the whole congregation and its conversation rather than to the lone preacher and her or his sermon Presence Giving and Receiving God draws on the Mennonite tradition of the Zeugnis conversation to explore how the preached Word echoes through all of our voices

Judas of Nazareth Daniel T. Unterbrink,2014-03-24 An investigation into the historical Jesus and the veracity of the Gospels Reveals the biblical Jesus as a composite figure a blend of the political revolutionary Judas the Galilean and Paul s divine human Christ figure Matches the events depicted in the New Testament with historically verifiable events in Josephus history pushing Jesus life back more than a decade Demonstrates how each New Testament Gospel is dependent upon Paul s mythologized Christ theology designed to promote Paul s Christianity and serve the interests of the fledgling Gentile Christian communities Scholars have spent years questioning aspects of the historical Jesus How can we know what Jesus said and did when Jesus himself wrote nothing Can we trust the Gospels written by unknown authors 40 to 70 years after Jesus death And why do other sources from the time not speak of this messianic figure known as Christ Drawing on the histories of Josephus Tacitus Suetonius and Pliny as well as the Dead Sea Scrolls Daniel Unterbrink contends that the Jesus of the Bible was actually a composite figure a clever blend of the Jewish freedom fighter Judas the Galilean and Paul s divine human Christ figure

created in the middle of the first century CE Revealing why Paul was known as a liar enemy and traitor in other Jewish literature he shows that the New Testament Gospels are not transcripts of actual history but creative works of historical fiction designed to promote Paul s Christianity and serve the interests of the fledgling Gentile Christian communities He demonstrates how each Gospel is written in light of the success of Paul s religion and dependent upon his later perspective Matching the events depicted in the New Testament with the historically verifiable events in Josephus history Unterbrink pushes the dating of Jesus life back nearly a generation to a revolutionary time in ancient Judea He shows that the real historical Jesus the physical man behind the fictional stories in Paul s Gospels was Judas the Galilean a messianic pretender and Torah observant revolutionary bent on overthrowing the Roman government and galvanizing the Jewish people behind his vision of the coming Kingdom of God In the greatest cover up of history this teacher of first century Israel was replaced by the literary creation known as Jesus of Nazareth **Expository thoughts on the Gospel of st. Matthew (Mark, Luke, John) with the text complete and explanatory notes. Popular ed** John Charles Ryle,1896
