*Prescriptions for a Healthy Church* Paul E. Brownback, 1925-01-06 As a church pastor and biblical scholar Rev Dr Paul E Brownback presents a remedy for the issue of declining church engagement in the United States His semiotic analysis of the theology surrounding the anointing oil and the ascension gifts of Jesus reveals that Christians imbued with the Holy Spirit and endowed with gifts of grace by the Lord Jesus Christ hold the key to revitalizing the church He draws parallels between the spices used in the anointing oil as per the instructions to Moses and the gifts of grace delineated by the Apostle Paul in Ephesians This study underscores how the spiritual gifts distributed by the Holy Spirit across the body of Christ are intended to bring healing fortification and to foster unity and maturity within the church **Healthy Churches in a Sick World**

Howard Foltz, 2002-11 Organix Bob Whitesel, 2011-11-01 Does your leadership style fit new ways of doing church leadership that is organic and elastic and that finds ways to seize God given opportunities Looking back and drawing on the ancient Christian tradition Bob Whitesel describes seven traits for successful leadership which he characterizes by seven symbols O the Greek symbol theta the first letter of the Greek word theos stresses that God is the source of the burden for others and provides the power to help them Rx the medical prescription symbol an emphasis on addressing the spiritual and physical health of leaders G a stylized G for graffiti the edgy colorful and artful collages that help define contemporary organizations A inspired by the recycle symbol the idea of recycling places experiences and people rather than discarding them N emerging networks that connect people more quickly efficiently precisely and continuously I an emphasis on incarnation a going in the flesh to serve others rather than sending surrogates X the Jerusalem cross with a number in each quadrant four types of measurement observed in Jerusalem Acts 2 42 47 which at their core point to Christ's work on the cross Taken together these symbols spell out the word organix and represent a fundamentally new way to think about your church and how you can best lead DEVELOPING HEALTHY CHURCHES Kieran Beville, 2014-12-10 In an age obsessed with physical and psychological health the author emphasizes the importance of spiritual well being as an essential element of holistic health for the individual Christian and for Christian communities This work constitutes a template for a spiritual audit of the local church It offers an appointment with the Great Physician that no Christian can afford to ignore *Developing Healthy Churches A Case Study in Revelation* begins with a well researched outline of the origins and development of the church health movement With that background in mind the author aware that throughout the history of the church there have been a number of diverse views about how Revelation ought to be interpreted presents the reader with four distinct interpretive models These are the idealist preterist historicist and futurist Beville explains these interpretive approaches simply and critiques them fairly Revelation is a complex but intriguing book which presents seven letters to the churches of Asia Minor However this easy to read work will take readers to the heart of the matter by taking them to the heart of Jesus The historical and cultural background provides fascinating insights to the meaning of Christ's words to those churches then and to all churches now The author elicits essential application for the church today He presents timeless and

timely truths in a fresh and forthright manner The reader is informed about issues of particular historical significance in a way that has contemporary resonance Here is a work that cautions about complacency confronts compromise and challenges the carnality of Christians in contemporary culture Beville tells us not only what Jesus desires from his disciples but also what He demands Thus this work presents uncomfortable truth for comfortable churches because it allows the voice of Jesus to be heard with clarity amongst the clamor of church activity Christians who want to restore their vision and vigor will find this book immensely profitable
