Mortification of Sin John Owen, 2023-12-26

In *Mortification of Sin* John Owen presents a profound theological exploration of the nature of sin and the believer's responsibility in overcoming it. Written in the 17th century, Owen's work marries Puritan thought with a rich contemplative style characterized by intricate argumentation and scriptural grounding. The text delves into the process of mortification, the act of putting sin to death, emphasizing the necessity of a proactive and spiritual approach to combat the innate sinfulness that plagues humanity. Owen's meticulous dissection of biblical texts aims to motivate believers towards sanctification amid a world rife with moral challenges. John Owen, an eminent theologian of the English Puritan movement, was deeply influenced by the socio-religious turmoil of his time, including the English Civil War and the advancement of Reformed theology. This background informed his earnest desire to address spiritual lethargy in believers, prompting him to articulate a clear, rigorous framework for overcoming sin. Owen's own struggles and theological insights into the nature of humanity reveal the personal stakes he had in advocating for spiritual diligence and the mortification of sin as vital to the Christian faith. *Mortification of Sin* is an essential read for anyone seeking a deeper understanding of personal piety and the relentless pursuit of holiness. Owen's timeless insights encourage readers to engage with their spiritual lives rigorously, offering practical and theological wisdom that remains relevant for contemporary Christians grappling with sin and its consequences. Engage with this classic text to enrich your spiritual journey and cultivate a steadfast commitment to living a life pleasing to God.

Of the Mortification of Sin in Believers

John Owen, 2017-10-13

A series of addresses focusing mainly on Romans 8, this work gives a well-grounded view on the way of sin in the life of a believer. This aspect of Christianity is often neglected, and most people in the faith just accept it with a blind duty. The doctrine has wide ramifications in our theologies as it makes it evident to us how sin works in our lives and whether it should have any kind of hold on us.
