Problems is the first book to examine social issues in Europe from the perspective of the social sciences It considers many of
these social problems following the UK s leave vote Key topics examined here include immigration multiculturalism and
religion health inequalities education riots and protest drugs and crime sexuality These core issues run as a thread through
Europe and are experienced by Europeans themselves as social problems As such this text facilitates students direct
engagement with some of the problematic constituents in their own lives This text is suitable for those studying social policy
sociology politics international relations criminology and education studies In this way it functions as an accessible reader for
final year undergraduates as well as postgraduate students **Drugs in American Society** Nancy E. Marion,Willard M.
Oliver,2014-12-16 Containing more than 450 entries this easy to read encyclopedia provides concise information about the
history of and recent trends in drug use and drug abuse in the United States a societal problem with an estimated cost of 559
billion a year Despite decades of effort and billions of dollars spent to combat the problem illicit drug use in the United States
is still rampant and shows no sign of abating Covering illegal drugs ranging from marijuana and LSD to cocaine and crystal
meth this authoritative reference work examines patterns of drug use in American history as well as drug control and
interdiction efforts from the nineteenth century to the present This encyclopedia provides a multidisciplinary perspective on
the various aspects of the American drug problem including the drugs themselves the actions taken in attempts to curb or
stop the drug trade the efforts at intervention and treatment of those individuals affected by drug use and the cultural and
economic effects of drug use in the United States More than 450 entries descriptively analyze and summarize key terms
trends concepts and people that are vital to the study of drugs and drug abuse providing readers of all ages and backgrounds
with invaluable information on domestic and international drug trafficking and use The set provides special coverage of
shifting societal and legislative perspectives on marijuana as evidenced by Colorado and Washington legalizing marijuana
with the 2012 elections
