Prescriptions For Life:

Biblical Prescriptions For Life's Troubles Terry Stephens, 2023-08-01 *Biblical Prescriptions For Life's Troubles* by Terry Stephens offers a comprehensive guide to navigating the challenges and tribulations of life through the wisdom and guidance found in the Bible. This insightful book explores various types of troubles individuals face, including internal conflicts, people troubles, and spiritual resistance, providing readers with scriptural prescriptions for overcoming these issues. Stephens' approach is deeply rooted in his own faith journey and understanding of biblical principles, making it a valuable resource for anyone seeking to strengthen their spiritual resilience and find peace in the midst of life's storms. The book is divided into sections that address different kinds of troubles, such as personal principle troubles and demonic resistance, offering practical advice and spiritual tools to deal with each one. Stephens emphasizes the importance of recognizing the source of our troubles and applying the appropriate biblical response, whether through prayer, praise, or activating peace. He also discusses the role of forgiveness, humility, and thanksgiving in overcoming challenges and maintaining a strong, faith-filled life. *Biblical Prescriptions For Life's Troubles* is more than just a guide to dealing with difficulties; it is a call to deeper faith and trust in God's plan. Stephens' writing is both encouraging and challenging, pushing readers to rely on their faith and the power of the Holy Spirit to navigate their troubles. This book is a must-read for Christians looking to grow spiritually and handle life's difficulties with grace and wisdom.

Biblical Prescriptions for Life James L. Marcum, 2016-01-30 A seven-week study to unlock the secrets to healing and get on the journey to whole-life, long-term wellness. The solution to obesity, diabetes, hypertension, cardiovascular disease, mental health problems, and other acquired diseases. An evidence-based approach. Simple, scalable, sustainable. Designed for individual use or as part of a small group.

The Vitamin Prescription (For Life) Dr. Richard N. Firshein, 2010-06-28 Today's front-page news about medical triumphs not only covers advanced medical breakthroughs but also puts emphasis on the power of nutrition. Discover miracles and stories of natural healing that will surprise and inspire you in *The Vitamin Prescription for Life*. For over twenty years of his medical practice, Dr. Firshein often relied on a versatile, hardy, and relatively small army of researched nutrients to do much of the healing work. Nutraceuticals are nutrients that have the capacity to act like medicines. They are natural pharmaceuticals. This miracle nature's power to heal has always been available to us. But it is only now that science has given us the tools to understand the mystery of healing foods and nutrients. Soy, for example, can boost and balance hormones and help prevent cancer. Fish oils and ginkgo are just some of these super-nutrients that work wonders for your health. An excellent resource that's easy to read and informative. *The Vitamin Prescription for Life* offers you a healthy way of eating and living along with the most powerful nutrients known to medicine. These nutrients are not magic bullets that can work on their own. They need to be accompanied by healthy lifestyle changes, exercise, and stress-reducing activities like meditation and yoga. If one eats well, lives well, and adds one or more of the necessary super-supplements, 80% of chronic illnesses can be reversed or prevented entirely.
