Medical Romance June 2022 - Box Set 1 of 2 Marion Lennox,Kate Hardy,Juliette Hyland,2022-05-24 Harlequin Medical Romance June 22 Box Set 1 of 2 Harlequin Medical Romance brings you a collection of three new titles available now Enjoy these stories packed with pulse racing romance and heart racing medical drama This Harlequin Medical Romance box set

includes A FAMILY TO SAVE THE DOCTOR S HEART By Marion Lennox A year ago Jenny lost her brother and his wife Now she s living on remote Albatross Island raising her nieces and nephews Could Dr Silas s unexpected arrival bring hope to Jenny and her fledgling family too SURGEON S SECOND CHANCE IN FLORENCE By Kate Hardy Surgeon Sam can t believe that Dr Angelo will be her new colleague whilst on secondment in Florence Two years ago he left Sam broken hearted and with no explanation Now she s stuck working with him for three months THE VET S UNEXPECTED HOUSEGUEST By Juliette Hyland Widowed workaholic Kit is determined to be the best Vet in town and prove herself to those who ve doubted her Yet when Dr August a k a her boss prodigal son returns to help at the clinic she s faced with an unexpected and irresistible houseguest Harlequin Medical Romance March 2017 - Box Set 1 of 2 Carol Marinelli,Annie O'Neil,Sue MacKay,2017-03-01 Harlequin Medical Romance brings you a collection of three new titles available now Enjoy these stories packed with pulse racing romance and heart racing medical drama This Harlequin Medical Romance box set includes THEIR SECRET ROYAL BABY by Carol Marinelli Secret prince Dr Elias Santini has his world rocked when he attends an emergency delivery The patient is Beth Foster and she s having his baby HER HOT HIGHLAND DOC by Annie O Neil Dr Kali O Shea was searching the Highlands for an escape but has she found home with Dr Brodie McClellan instead RESISTING HER ARMY DOC RIVAL by Sue MacKay Sam Lowe is the last person Madison Hunter wants to work with But the only thing hotter than their rivalry is their chemistry

Medicine, Health Care, & Ethics John F. Morris,2007-04 From its earliest beginnings the Catholic Church has cared for the sick and dying of the world as an extension of the healing ministry of Jesus As a natural consequence Catholics have regularly addressed moral issues relating to health care long before the term bioethics was coined Beginning with a deeply nuanced holistic understanding of the human person as their foundation Catholic scholars have developed a person centered ethic with which to approach ethical dilemmas that is understandable and defensible in the light of natural human reason yet which is compatible with the teachings and doctrine of the Church emphasizing the harmony of faith and reason within the Catholic moral tradition Medicine Health Care and Ethics adds to this rich tradition with a collection of contemporary essays that represent the very best efforts of current Catholic scholarship in the field of health care and medical ethics The book begins with an introductory section that explains the basic foundations of the personalist approach to ethics and its development within Catholic thought The remaining parts of the book address timely topics such as artificial reproduction contraception abortion euthanasia genetic engineering stem cell research cloning and health care reform Each author brings a fresh perspective and a wealth of knowledge on these issues that will benefit Catholics as well as non Catholics With general overviews for each section and topic specific bibliographies to guide further study this volume is designed to provide a greater understanding and deeper appreciation of the Catholic perspective on health care and medicine for both newcomers and seasoned students of bioethics alike In today s culture of pluralism and diversity the Catholic tradition has much wisdom to contribute to society s consideration of contemporary problems in

medicine and health care This collection of essays is offered in the spirit of open and honest dialogue for all who are seeking to understand that tradition ABOUT THE EDITOR John F Morris associate professor of philosophy at Rockhurst University has published numerous articles on the subject of medical ethics In addition to Morris contributors to the volume are Benedict M Ashley O P Gregory R Beabout John Berkman Clarke E Cochran Catherine Green John F Kavanaugh S J William E May Kevin O Rourke O P Michael D Place Jeanne Schindler and Brendan Sweetman PRAISE FOR THE BOOK Morris intends his book to be used as a supplementary text for courses in bioethics and by members of hospital ethics committees A number of the volume s features recommend it for these audiences Each of the 5 parts of the book has an introduction that is informative lucid and relatively comprehensive These introductions offer an overview of the issue or issues addressed by the essays and briefly describe each presentation Unlike so many collections of multiauthored essays this volume s offerings are consistent in quality and are accessible to the readers for whom they are intended Finally each part of the book concludes with a short but helpful bibliography for further reading or research These qualities of the book recommend it not only for the audiences for which it is intended but also for all educated laypersons clergy and health care professionals who are interested in learning more about a Catholic approach to a variety of controversial issues in bioethics In all likelihood readers will also come away with some valuable insights and wisdom contained in the Catholic tradition and will acquire a better appreciation of the contribution of Catholic voices to debates in bioethics The excellent section introductions and the high quality of each of the essays make this volume a must for anyone wishing to better understand a traditional Catholic approach to bioethics Ronald P Hame
