The Sounding of the Whale D. Graham Burnett, 2013-09-24 Explores how humans view of whales changed from the nineteenth to the twentieth century looking at how the sea mammals were once viewed as monsters but evolved into something much gentler and more beautiful

Colonialism, Culture, Whales Graham Huggan, 2018-08-09 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com Colonialism Culture Whales The Cetacean Quartet explores how our attitudes to whales whale hunting and whale watching expose colonial attitudes to the natural world in modern Western culture Foraging across the disciplines and moving between ideas and methods drawn from postcolonial criticism animal studies and environmental humanities the book critically examines the colonial histories of whaling their legacies in contemporary tourism from whale watching excursions to the performing orcas at SeaWorld and cultural representations of anxieties about extinction in recent literature television and film Extensively researched and engagingly written the four essays that comprise The Cetacean Quartet should appeal to scholars in a number of different fields as well as to general readers interested in finding out more about our enduring guilt ridden fascination with one of the world's most iconic living creatures the whale

[The International Politics of Whaling](#) Peter J. Stoett, 2011-11-01 Whales large mysterious intelligent and endangered In 1986 a global moratorium on whaling was

issued by the International Whaling Commission However that decision was not without controversy Some countries such as Norway continue to whale in defiance of the ban In this fascinating book Peter Stoett combines ecological sensitivity with a hard assessment of the political realities of the international regime to examine this important issue The International Politics of Whaling examines contemporary whaling issues with an emphasis on three factors our knowledge of whales and current whale populations and the impact of whaling the actors and institutions involved in the debate over whaling and the ethical dimension Reluctantly he concludes that the current global moratorium on whaling is problematic and that we must focus instead on habitat preservation in order to protect whales more effectively *The Whale Watcher's Guide* Patricia Corrigan,1999 An updated edition of the book that helps plan a whale watching trip With new information regarding whale tours in North America this valuable guide explains everything from where to see these magnificent animals and what a tour will cost to what to watch for and what to wear Includes updated information on pricing dates tour operators and contact information 35 illustrations **Ecocritical Aesthetics** Peter Quigley,Scott Slovic,2018-02-28 This lively collection of essays explores the vital role of beauty in the human experience of place interactions with other species and contemplation of our own embodied lives Devoting attention to themes such as global climate change animal subjectivity environmental justice and activism and human moral responsibility for the environment these contributions demonstrate that beauty is not only a meaningful dimension of our experience but also a powerful strategy for inspiring cultural transformation Taken as a whole they underscore the ongoing relevance of aesthetics to the ecocritical project and the concern for beauty that motivates effective social and political engagement **Canadian Book Review Annual** ,1995 [Save Our Aquatic Marvels: Protecting Whales](#) Pasquale De Marco,2025-07-07 Dive into the captivating world of whales where majestic giants roam the depths of our oceans Discover the intricate lives of these awe inspiring creatures from their complex social structures and remarkable communication abilities to their vital role in maintaining the health of marine ecosystems Within the pages of this comprehensive guide you ll embark on an unforgettable journey to explore the diverse realm of whales From the colossal blue whale the largest animal to ever grace our planet to the elusive narwhal with its distinctive tusk each species holds unique adaptations and behaviors that have allowed them to thrive in their chosen environments Uncover the mysteries of whale communication as they utilize intricate vocalizations and complex body language to navigate their vast underwater world Learn about their feeding habits ranging from the filter feeding techniques of baleen whales to the specialized hunting strategies of toothed whales Delve into their intricate social structures where cooperation altruism and family bonds play a crucial role in their survival However these magnificent creatures face a multitude of threats that jeopardize their existence Overfishing habitat loss pollution and climate change pose serious challenges to whale populations worldwide Explore the urgent need for conservation measures and the international efforts underway to protect these gentle giants This captivating book is a celebration of whales a testament to their enduring resilience and a call to action for their conservation Through

engaging storytelling cutting edge research and stunning visuals readers will gain a deep appreciation for these awe inspiring creatures and the urgent need to protect their future Join the movement to ensure the survival of whales for generations to come If you like this book write a review on google books The Publishers Weekly ,1995 *Ballads of the North, Medieval to Modern* Sandra Ballif Straubhaar, Richard Firth Green, 2019-04-15 This volume is intended as a belated but heartfelt thank you and Gedenkschrift to the late Larry Syndergaard 1936 2015 long time professor of English at Western Michigan University and Fellow of the Kommission f r Volksdichtung International Ballad Commission Larry s contributions down the decades to ballad studies particularly Scandinavian and Anglophone included dozens of papers and articles as well as his supremely useful book *English Translations of the Scandinavian Medieval Ballads* As David Atkinson and Thomas A McKean of the Kommission have written May 2015 Larry was a sound scholar with a penetrating mind which he used to support encourage and befriend others rather than show off his own knowledge He will be remembered for his contributions to international balladry especially for providing a bridge between the English and Scandinavian language ballads Larry s particular fascination with the vernacular ballads of the northern medieval world are reflected in this collection topics here range from plot elements such as demonic whales otherworldly antagonists and mer people to thematic issues of genre religion and sexual mores As a tribute to the global influence of Larry s scholarship and the broad academic interest in medieval ballads the essays in this volume were contributed by twelve international scholars of narrative song based in Europe North America and Australia **The Economy of a Norse Settlement in the Outer Hebrides** Niall Sharples, 2020-11-23 This book explores the economic evidence for the settlement at Bornais on South Uist It reports in detail on the large assemblages of material found during the excavations at mounds 2 and 2A There is important evidence for craft activity such as bone and antler working and this includes the only comb making workshop from a rural settlement in Britain A large proportion of the copper alloy bone and antler assemblages comprise pieces of personal adornment and provide important information on the dress and thereby social relations within the settlement occupation There is a large assemblage of iron tools and fittings which provides important information on the activities taking place at the settlement The information derived from the artefact assemblages is complemented by that provided by the ecofactual material Large amounts of animal fish and bird bones plus carbonised plant remains provide detailed information on agricultural practices and the processing preparation and consumption of foodstuffs It is clear that the Norse inhabitants of the settlement had access to a much richer variety of resources than had been exploited before the Viking colonisation of the region The settlement also had a significantly wider range of connections material culture indicates contacts to the south with the Irish Sea ports and Bristol and to the north with Shetland and the Viking homelands of Norway The evidence produced by these excavations is exceptional and provides an unparalleled opportunity to explore medieval life in the Scandinavian kingdoms of Western Britain **American Book Publishing Record** ,1995 **Quill & Quire** ,1995 *Acadiensis* ,1998 **Nature**

and Space in Contemporary Scottish Writing and Art Camille Manfredi, 2019-05-29 This book examines how contemporary Scottish writers and artists revisit and reclaim nature in the political and aesthetic context of devolved Scotland Camille Manfredi investigates the interaction of landscape aesthetics and strategies of spatial representation in Scotland's twenty-first century literature and arts focusing on the apparatuses designed by nature writers poets performers walking artists and visual artists to physically and intellectually engage with the land and re-present it to themselves and to the world Through a comprehensive analysis of a variety of site-specific artistic practices artworks and publications this book investigates the works of Scotland-based artists including Linda Cracknell Kathleen Jamie Thomas A Clark Gerry Loose John Burnside Alec Finlay Hamish Fulton Hanna Tuulikki and Roseanne Watt with a view to exploring the ongoing re-invention of a territory-bound identity that dwells on an inclusive sense of place as well as on a complex renegotiation with the time and space of Scotland *Canadian Books in Print*, 1997 Mammalia, 1936 *BBC Wildlife*, 1996 **Haunted Spaces in Twenty-First Century British Nature Writing** Anneke Lubkowitz, 2020-06-08 This study investigates the figure of haunting in the New Nature Writing It begins with a historical survey of nature writing and traces how it came to represent an ideal of natural space as empty of human history and social conflict Building on a theoretical framework which combines insights from ecocriticism and spatial theory the author explores the spatial dimensions of haunting and hauntology and shows how 21st-century writers draw on a Gothic repertoire of seemingly supernatural occurrences and spectral imagery to portray natural space as disturbed uncanny and socially contested Iain Sinclair and Robert Macfarlane are revealed to apply psychogeography's interest in hidden histories and haunted places to spaces associated with wilderness and the countryside Kathleen Jamie's allusions to the Gothic are put in relation to her feminist re-writing of the outdoors and John Burnside's use of haunting is shown to dismantle fictions of the far north This book provides not only a discussion of a wide range of factual and fictional narratives of the present but also an analysis of the intertextual dialogue with the Romantic tradition which enfolds in these texts
