

## Presence

To be there in the moment  
When sometimes time stands still  
Enjoying every second  
By focusing your will

Tuning out the chatter  
Being in the now  
Practice may not make perfect  
But at least you will learn how

It is this pure intention  
That guides us to this place  
And gives us some awareness  
Of where we are in time and space

When we focus on our presence  
We honor all around  
And sometimes make a difference  
Without uttering a sound

*- Robert Longley*

## **Presence Poems:**

*Presence* Alan Bacher Williamson, 1983      *A Poetry of Presence* Bernard I. Duffey, 1986 William Carlos Williams was an inventive writer never confined by any static genre or aesthetic postulate In this authoritative study Bernard Duffey recognizes that literary dynamism as he approaches the full breadth of Williams's work including his poetry prose fiction and drama as an interrelated and interdependent web of writing The result the first truly comprehensive examination of a major American author and his kinetic art will interest students and scholars of Williams American literature and modern poetry and criticism Central to Duffey's study is a critical framework based on Kenneth Burke's *A Grammar of Motives* and the perception of the poet as an agent working in relation to a scene and its content in this case the geographical and cultural locale that Williams clung to Williams's work Duffey argues was informed by the dramatic sense of himself as a literary actor seeking embodiment of a dynamic altering whole and his present condition of being Ultimately he stresses the writer was more engaged in expressing literary action than in forging literary objects Duffey amplifies this critical view through a close reading of specific works Examining Williams's principal writings in the lights that seem most immediate to them he tackles a variety of themes the pervasiveness of scene in *In the American Grain* and the fiction the role of agent or poetic person in *Kora in Hell* *A Voyage to Pagany* Paterson and *Pictures from Brueghel* the function of poetic agency in the short poems and of poetic action in Williams's drama      *The Presence* Kathleen Raine, 1987      *His presence, spiritual hymns and poems for devotional use at holy communion* Richard Charles Jackson, 1886      **Persian Presence in Victorian Poetry** Taher-Kermani Reza Taher-Kermani, 2020-03-18 A study of the wealth of meanings that Persia real or imagined held for Victorian poetry Takes a broad interdisciplinary approach to a significant strand in the Oriental texture of Victorian poetry Contributes to a growing body of research on the process of cultural exchange between the West and the Orient Provides the first systematic index of nineteenth century Persianised poems Offers a distinctive mix of history and literature dealing with an array of texts ranging from ancient Greece to nineteenth century British travel writings The *Persian Presence in Victorian Poetry* surveys the variety of ways in which Persia and the multitude of ideological historical cultural and political notions that it embodied were received circulated and appropriated Providing the first systematic index of nineteenth century poems that were in any way involved with Persia the book explores its presence across a broad range of works incorporating literary historical and cultural material      *Our Everywhere God!* Renée Hilton-Taylor, 2012-06-19 These days many people are finding it difficult if not impossible to experience God in their lives Some are finding it less and less necessary or even desirable to seek the presence of God *Our Everywhere God* is a collection of poems that draws insight from the experiences of everyday life and acts as a reminder of the presence of God in all things Written in a manner both simple and profound *Our Everywhere God* invites readers to recognize and celebrate God's presence in prayer nature relationships and suffering Renee Hilton Taylor found the inspiration to write this book during times of quiet prayer These poems have challenged her to come

out from underneath a bushel of fear and doubt in order to let her light shine It is Gods presence within that allows the divine to be experienced everywhere The light in the window Gave me such peace It shown in the darkness And my worries released When a lamp gives off light Within a very dark room It dispels the unknown questions And the feelings of unwelcomed gloom When light shines within our darkness Then we are able to see All the things that hold us back From Gods call Come follow Me

**Whitman's Presence** Tenney Nathanson,1994-03 Nathanson addresses with renewed insight a problem that has vexed Whitman scholars at least since James E Miller Jr s A Critical Guide to Leaves of Grass turned Whitman into a respectable academic subject that is the unusual status of Whitman s poetic voice The overall result is the finest articulation of Whitman s project in existence Donald Pease Department of English Dartmouth College What enables Nathanson to perform a feat no other critic has accomplished depends as much on his awareness of a range of thinkers from Wittgenstein to J L Austin and Derrida as on his sense of the qualities of poetry he gives the term presence a cultural as well as poetic significance which opens out to cultural history and makes Whitman as much a representative presence in the culture as our unequalled poet I see this as a central book about our literature Quentin Anderson J C Levi Professor in the Humanities Emeritus Columbia University

**The Presence of Pessoa** George Monteiro,2014-10-17 Fernando Pessoa 1888 1935 is perhaps the most engaging of the great Western modernists of this century Born in Portugal but raised and educated in southern Africa Pessoa wrote poetry fiction and nonfiction George Monteiro provides refreshingly new interpretations of Pessoa s Mensagem Message and the modernist novella 0 Banqueiro Anarquista The Anarchist Banker But he is primarily interested in tracing Pessoa s influence on a wide range of contemporary writers Among those Monteiro finds putting Pessoa s work to their own surprising and sometimes comic uses are Joyce Carol Oates Allen Ginsberg John Wain Lawrence Ferlinghetti and earlier poets including Thomas Merton Edouard Roditi and Roy Campbell In addition the complete text of Campbell s pioneering biocritical study of Pessoa is published here for the first time

[The Poetry Home Repair Manual](#) Ted Kooser,2007-03-01 Recently appointed as the new U S Poet Laureate Ted Kooser has been writing and publishing poetry for more than forty years In the pages of The Poetry Home Repair Manual Kooser brings those decades of experience to bear Here are tools and insights the instructions and warnings against instructions that poets aspiring or practicing can use to hone their craft perhaps into art Using examples from his own rich literary oeuvre and from the work of a number of successful contemporary poets the author schools us in the critical relationship between poet and reader which is fundamental to what Kooser believes is poetry s ultimate purpose to reach other people and touch their hearts Much more than a guidebook to writing and revising poems this manual has all the comforts and merits of a long and enlightening conversation with a wise and patient old friend a friend who is willing to share everything he s learned about the art he s spent a lifetime learning to execute so well

**Poetic Images, Presence, and the Theater of Kenotic Rituals** Enikő Sepsi,2021-09-29 This book explores the interrelation of contemporary French theatre and poetry Using the pictorial turn in

the various branches of art and science its observable features and the theoretical framework of the conceptual metaphor this study seeks to gather together the divergent manners in which French poetry and theatre address this turn Poetry in space and theatricality of poetry are studied alongside theatre especially to the performative aspect of the originally theological concept of kenosis In doing so the author attempts to make use of the theological concept of kenosis of central importance in Novarina's oeuvre for theatrical and dramaturgical purposes Within poetic rituals kenotic rituals are also examined in the book in a few theatrical practices José Pilinszky and Robert Wilson Jerzy Grotowski and Eugenio Barba facilitating a better understanding of Novarina's works Accompanied by new English translations in the appendices this is the first English language monograph related to the French essayist dramaturg and director Valère Novarina's theatre and will be of great interest to students and scholars in theatre and literature studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**The Presence of Camões** George Monteiro, 2014-10-17 Of the great epic poets in the Western tradition Luís Vaz de Camões c. 1524-1580 remains perhaps the least known outside his native Portugal and his influence on literature in English has not been fully recognized In this major work of comparative scholarship George Monteiro thus breaks new ground focusing on English language writers whose vision and expression have been sharpened by their varied responses to Camões Introduced to English readers in 1655 Camões's work from the beginning appealed strongly to writers The young Elizabeth Barrett's Camonian poems for example inspired Edgar Allan Poe to appropriate elements from Camões Herman Melville's reading of Camões bore fruit in his career long borrowings from the Portuguese poet Longfellow T. W. Higginson and Emily Dickinson read and championed Camões And Camões as epicist and love poet is an eminence grise in several of Elizabeth Bishop's strongest Brazilian poems Southern African writers have interpreted and reinterpreted Adamastor Camões's Spirit of the Cape as both a symbol of a dangerous and mysterious Africa and an emblem of European imperialism Recognizing the presence of Camões leads Monteiro to provocative rereadings of such texts as Dickinson's Master letters Poe's Raven Melville's late poetry and Bishop's Questions of Travel *Thinking Its Presence* Dorothy J. Wang, 2013-12-04 When will American poetry and poetics stop viewing poetry by racialized persons as a secondary subject within the field Dorothy J. Wang makes an impassioned case that now is the time *Thinking Its Presence* calls for a radical rethinking of how American poetry is being read today offering its own reading as a roadmap While focusing on the work of five contemporary Asian American poets Li Young Lee Marilyn Chin John Yau Mei mei Berssenbrugge and Pamela Lu the book contends that aesthetic forms are inseparable from social political and historical contexts in the writing and reception of all poetry Wang questions the tendency of critics and academics alike to occlude the role of race in their discussions of the American poetic tradition and casts a harsh light on the double standard they apply in reading poems by poets who are racial minorities This is the first sustained study of the formal properties in Asian American poetry across a

range of aesthetic styles from traditional lyric to avant garde Wang argues with conviction that critics should read minority poetry with the same attention to language and form that they bring to their analyses of writing by white poets The Presence of God in the Works of William Wordsworth Eliza Borkowska, 2020-11-29 Approaching Wordsworth writings from perspectives which have not been considered in critical literature this book offers a multiangled reflection on the technicalities of the poet's religious discourse including the methodology of The Prelude revision or Wordsworth's patent art of pious postscripts The book constitutes a self contained whole and can be read independently Simultaneously it creates an unusual duet with The Absent God in The Works of William Wordsworth whose six chapters follow this book's eight chapters like a sestet which complements the octave becoming thus a tribute to Wordsworth as one of the most prolific sonneteers in history Both monographs build their theses on Wordsworth's entire oeuvre and embrace the whole of his wide lifespan Their completion in 2020 coincides with several round anniversaries the 250th anniversary of Wordsworth's birth the 200th anniversary of The River Duddon and the 170th anniversary of the publication of his autobiographical masterpiece The Prelude Searching for Presence Robert W. Greene, 2022-04-11 Yves Bonnefoy's writings have won him praise not only from readers and critics of French poetry but also thanks to translations into many other languages from readers and critics of poetry far beyond the francophone world Indeed Bonnefoy may be the most admired poet to have emerged in France since World War II Yet his art criticism dazzling in its scope possibly as original as his poetry is yet to receive the attention it deserves Searching for Presence Yves Bonnefoy's Writings on Art undertakes to fill that lacuna Elusive skirting the ineffable the notion of presence has haunted Bonnefoy for decades Central to the notion for the poet is the fleeting experience of mutuality between self and other of lightning transaction in a transient world of a shared mortal destiny hence a plenitude within finitude In an age when so many of his contemporaries seem to view any form of art as wallpaper spanning a void Bonnefoy's faith in presence is all the more welcome Focusing on his art criticism the aspect of the poet's oeuvre in which the notion of presence is the most salient this study tries to do justice to that fidelity **Voicing American Poetry** Lesley Wheeler, 2008 This book is a study of voice in poetry beginning in the 1920s when modernism rose to the surface of poetry and other arts and when radio expanded suddenly in the United States **A Concordance to the Poems of Robert Browning** Leslie Nathan Broughton, Benjamin Franklin Stelter, 1925 The Presence of Persons William Myers, 2016-12-05 This book deals with important aspects of nineteenth century culture literary philosophical and scientific which remain live issues today It examines in detail the writings of Dickens Charlotte and Emily Bronte James Hamilton Eliot Mill Arnold Pater and Newman and makes substantial reference to Hawthorne Dickinson Spencer Carlyle and Hardy all in the context of the dominant intellectual movements of the nineteenth and twentieth centuries The thought of Hamilton Newman Mill and Spencer is contrasted with that of twentieth century figures like the philosophers Frege Husserl Wittenstein Merleau Ponty the neo Darwinists Monod and Dawkins and critics like Eagleton and Miller William Myers argues for a traditional view

deriving largely from Newman of the unity and autonomy of individual human beings He suggests that science and literature depend on persons being actively and responsively present to each other that freedom is always interpersonal and that in great literature we can discover the workings of this deep mutuality and its enemies     *Poetry of Presence* Phyllis Cole-Dai, Ruby R. Wilson, 2017-09-05 A celebrated and diverse group of poets have contributed the beautiful selections that make up *Poetry of Presence* This book of mindfulness poems provides a refuge of quiet clarity that is much needed in today's restless chaotic world Every reader will find favorites to share and to return to again and again     **Living in the Presence** Herman Rednick, 2000-09     *In the Presence of Absence* Richard Widerkehr, 2017-08-12 Richard Widerkehr's *In the Presence of Absence* is a book of loss and recovery grief and wonder These are poems informed with clarity and compassion and a quiet lyricism in confronting the mortal world the death of parents and life threatening illness Joseph Stroud author of *Of This World* New and Selected Poems

## Presence Poems Introduction

In the digital age, access to information has become easier than ever before. The ability to download Presence Poems has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presence Poems has opened up a world of possibilities. Downloading Presence Poems provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presence Poems has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presence Poems. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presence Poems. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presence Poems, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presence Poems has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
