SELECTED ESSAYS

The central illustration on the book cover is a reproduction of a painting. It depicts a scene where a man in a brown coat and dark trousers stands in the foreground, holding a long, thin object, possibly a sword or a brush, and looking towards a large, brightly lit painting on the wall. The painting on the wall shows a figure in a red dress. To the left of the man, two other figures are visible in the shadows, one seated and one standing. The overall scene is dimly lit, with the primary light source coming from the painting on the wall.
