

# Standard Language and Dialectology:

- By prestige dialect we mean that these dialects are not stigmatized in the society in which they are spoken.
- Dialectology proves that the variety that develops as standard language is socially prestigious dialect, originally associated with economic and political power. For example:
- The dialect “London” is regarded as prestigious dialect of English language in England

# Presentday Dialectology

**Warren Maguire, April McMahon**

## **Presentday Dialectology:**

**Present-day Dialectology** Jan Berns, Jaap van Marle, 2011-05-12 Present day Dialectology does not treat dialectology as an isolated discipline. Instead, it discusses dialectological topics within the framework of present day linguistics. The book contains papers which seek to confront recent phonological, morphological, syntactic and semantic theory with dialectological data. In addition, it explores the link between dialectology on the one hand and sociolinguistics and the study of language contact on the other.

**Historical Dialectology** Jacek Fisiak, 2011-06-01 In this volume of 29 papers, readers interested in language variation and historical linguistics will find interesting theoretical proposals as well as suggestions concerning ways of approaching previously unsolved empirical problems in the field. The papers deal with various aspects of historical regional dialectology and some border on the issue of dialectology and linguistic change. Although many deal with English, a number discuss Romance languages in general as well as Norwegian, German, Celtic languages of the eastern Alpine region, Coptic and Fula. Some are devoted to more general issues. The language specific contributions also often cover areas of a more general nature. The results indicate new vistas for further productive research in the area of historical dialectology.

Historical Dialectology in the Digital Age Rhona Alcorn, 2019-01-03 Examines how pre-modernist conceptions and social organizations of language have impacted post-WWII film.

*Current Approaches to Limits and Areas in Dialectology* Xosé Álvarez, Ernestina Carrilho, Catarina Magro, 2013-09-17 Defining the geographical space of linguistic variation and drawing the areal distribution of linguistic variants are classical issues in dialectology. Over recent decades, advances in geolinguistic methods along with new trends in the study of linguistic variation have significantly shaped new ways of approaching limits and areas in dialectology. This volume is at the crossroads of recent methodological and conceptual developments in dialectology and brings together contributions offering an unusual panorama of case studies from Basque, Romance, Germanic, Celtic and Slavic languages. The seventeen chapters in this volume address a wide spectrum of issues exploring new approaches to the interplay of dialect areas and time and society. Part I: current quantitative methods of studying dialect limits. Part II: and linguistic geovariation focused on lexical, prosodic, syntactic or morphosyntactic topics. Part III: One of the unique features of the volume is the important collection of contributions addressing issues of dialect syntax, a recent and rapidly growing field of linguistic research.

**Dialectology meets Typology** Bernd Kortmann, 2008-08-22 In what ways can dialectologists and language typologists profit from each other's work when looking across the fence? This is the guiding question of this volume, which involves follow-up questions such as: How can dialectologists profit from adopting the large body of insights in and hypotheses on language variation and language universals familiar from work in language typology, notably functional typology? Vice versa, what can typologists learn from the study of non-standard varieties? What are possible contributions of dialectology to areal typologies and the study of grammaticalization? What are important theoretical and methodological implications of this new type of collaboration in the study of language variation? The 18 contributors among

them many distinguished dialectologists sociolinguists and typologists address these and other novel questions on the basis of analyses of the morphology and syntax of a broad range of dialects Germanic Romance Balto Slavic Indo Aryan

**Handbook of Perceptual Dialectology** Daniel Long,Dennis R. Preston,2002-12-20 The Handbook of Perceptual Dialectology Volume 2 expands on the coverage of both regions and methodologies in the investigation of nonlinguists perceptions of language variety New areas studied include Canada anglophone and francophone Cuba Hungary Italy Korea and Mali and most prominent among the new approaches are studies of the salience of specific linguistic features in variety identification and assessment As in Volume I the reader will find in these chapters everything from the statistical treatment of the ratings of dialect attributes to studies of the actual discourses of nonlinguists discussing language variety

Dialectologists sociolinguistics ethnographers and applied linguists who work in areas where language variety is a concern will appreciate the findings and methods of these studies but social scientists of every sort who want to understand the role of language in the cultural lives of ordinary people will also find much of interest here

**The Handbook of Dialectology** Charles Boberg,John Nerbonne,Dominic Watt,2018-01-04 The Handbook of Dialectology provides an authoritative up to date and unusually broad account of the study of dialect in one volume Each chapter reviews essential research and offers a critical discussion of the past present and future development of the area The volume is based on state of the art research in dialectology around the world providing the most current work available with an unusually broad scope of topics Provides a practical guide to the many methodological and statistical issues surrounding the collection and analysis of dialect data Offers summaries of dialect variation in the world s most widely spoken and commonly studied languages including several non European languages that have traditionally received less attention in general discussions of dialectology Reviews the intellectual development of the field including its main theoretical schools of thought and research traditions both academic and applied The editors are well known and highly respected with a deep knowledge of this vast field of inquiry

Korean Dialectology Simon Barnes-Sadler,2024-08-19 This book provides a comprehensive informative overview of the history contemporary state and future direction of Korean dialectological research It covers the pre modern attestation of awareness about linguistic variation on the Korean Peninsula traditional dialectology in 20th century Korea and cutting edge analyses enabled by 21st century computer technology and informed by contemporary sociolinguistics As well as incorporating topics and approaches that widen the discipline the book includes new never before published cartographic visualisations of early Korean dialect data and findings This book is essential reading if you intend to engage with the study of variation in the Korean language

**Perceptual Dialectology in Central Wisconsin** Sarah Braun,2021-06-09 This book investigates the complex interplay of language discourse and variation in Marathon County Wisconsin USA The combination of different research methods such as ethnographic observations sociolinguistic interviews and methods used in perceptual dialectology allows the meaning of language variation in Marathon County to be studied on different levels i e how speakers position

themselves within their speech community overtly through discourse and more subtly through their linguistic practices Results show that Wisconsin English is becoming increasingly enregistered a finding which none of the individual approaches to studying language discourse and variation in Marathon County reveals on their own It is shown that a Northwoods persona is beginning to evolve which links place identity and language use *Dynamic Dialectology* Mieko Ogura, 1990 **On the Border of Language and Dialect** Marjatta Palander, Helka Riionheimo, 2018-04-23 This volume considers the linguistic borders between languages and dialects as well as the administrative cultural and mental borders that reflect or affect linguistic ones it comprises eight articles examining the mental borders between dialects dialect continua and areas of mixed dialect language ideologies language mixing and contact induced language change The book opens with Dennis R Preston's review article on perceptual dialectology showing how this field of study provides insights on laymen's perceptions about dialect boundaries and how such perceptions explain regional and social variation Johanna Laakso problematizes the common notion of languages as having clear cut boundaries and stresses the artificialness and conventionality of linguistic borders Vesa Koivisto introduces the Border Karelian dialects as an example of language and dialect mixing Marjatta Palander and Helka Riionheimo's article examines the mental boundaries between Finnish and Karelian demonstrated by the informants when recalling their fading memories of a lost mother tongue Niina Kunnas focuses on how speakers of White Sea Karelian perceive the boundaries between their language and other varieties Within the framework of language ideology Tamás Péter Szab highlights the ways in which linguistic borders are interactionally co-constructed in the school environment in Hungary and Finland Anna Riitta Lindgren and Leena Niiranen present a contact linguistic study investigating the vocabulary of Kven a variety lying on the fuzzy boundary of a language and a dialect Finally Vesa Jarva and Jenni Mikkonen approach demographically manifested linguistic boundaries by examining the Old Helsinki slang a mixture of lexical features derived from Finnish and Swedish Together the articles paint a picture of a multidimensional multilingual variable and ever-changing linguistic reality where diverse borders boundaries and barriers meet intertwine and cross each other As a whole the articles also seek to cross disciplinary and methodological boundaries and present new perspectives on earlier studies

**Bilingualism and Linguistic Conflict in Romance** Rebecca Posner, John N. Green, 2011-06-01 No detailed description available for Bilingualism and Linguistic Conflict in Romance *Adjarian's Armenian dialectology (1911)* Hossep Dolatian, 2024-11-26 Armenian is an Indo-European language Alongside two varieties there are countless non-standard dialects many of which were made extinct because of the Armenian Genocide This book is an English translation of a monograph originally written in Armenian by Hrachia Adjarian or Armenian dialectology The original monograph consisted of descriptions of 31 non-standard Armenian varieties The present book is both a translation and commentary on this monograph The translation includes paradigm tables sound changes morpheme segmentation glossing and IPA transcriptions

**Creating and Digitizing Language Corpora** J. Beal, K. Corrigan, H. Moisl, 2007-06-27 A range of electronic corpora is

increasingly accessible via the WWW and CD ROM This development coincided with improved standards governing the collecting encoding and archiving of such data This book looks at developing similar standards for enriching and preserving unconventional data dialects child language and bilingual databases History of the Language Sciences / Geschichte der Sprachwissenschaften / Histoire des sciences du langage. 3. Teilband Sylvain Auroux, E.F.K. Koerner, Hans-Josef Niederehe, Kees Versteegh, 2008-07-14 No detailed description available for HIST LANGUAGE SCIENCES KOERNER 3 TLBD HSK 18 3 E BOOK

**Language and Space** Peter Auer, Jürgen Erich Schmidt, 2010 The dimensions of time and space fundamentally cause and shape the variability of all human language To reduce investigation of this insight to manageable proportions researchers have traditionally concentrated on the deepest dialects But it is increasingly apparent that although most people still speak with a distinct regional coloring the new mobility of speakers in recently industrialized and postindustrial societies and the efflorescence of communication technologies cannot be ignored This has given rise to a reconsideration of the relationship between geographical place and cultural space and the fundamental link between language and a spatially bounded territory *Language and Space An International Handbook of Linguistic Variation* seeks to take full account of these developments in a comprehensive theoretically rich way The introductory volume examines the concept of space and linguistic approaches to it the structure and dynamics of language spaces and relevant research methods A second volume offers the first thorough exploration of the interplay between linguistic investigation and cartography and subsequent volumes uniformly document the state of research into the spatial dimension of particular language groupings Key features comprehensive coverage of the field in terms of theory and methods the unique volume stands alone since it neither is a handbook of dialectology or of areal linguistics nor a handbook on language variation alone gathers together a great number of distinguished scholars and experts in the field *Contact Morphology in Modern Greek Dialects* Angela Ralli, 2016-02-22 This volume bridges contemporary morphological theory with the less studied aspects of language interference and contact induced variation and change and will serve to increase the reader's understanding of how languages of divergent typologies can affect each other On the one hand it shows that the study of dialects offers new challenges to contact morphology and on the other it argues that morphological theory may provide accurate and interesting tools for the analysis of dialectal data In addition it proves that dialectal contact morphology can be profitable for historical linguistics and typology since it may shed light on language change and structures The book brings together researchers working on morphology language contact and Modern Greek dialects namely those that have been heavily affected by typologically divergent and sometimes genetically different languages that is by the Indo European and semi fusional Romance languages and by the Altaic and agglutinative Turkish Emphasis is placed on a number of issues which are of major importance to contact morphology such as the role and interplay of language internal and language external factors in linguistic change the borrowing of word structure and functional categories the source and use of integrating elements

reduplication multiple exponence and case and gender assignment      *Writing in Nonstandard English* Irma Taavitsainen, Gunnel Melchers, Päivi Pahta, 2000-02-15 This book investigates linguistic variation as a complex continuum of language use from standard to nonstandard In our view these notions can only be established through mutual definition and they cannot exist without the opposite pole What is considered standard English changes according to the approach at hand and the nonstandard changes accordingly This book offers an interdisciplinary and multifaceted approach to this central theme of wide interest The articles approach writing in nonstandard language through various disciplines and methodologies sociolinguistics pragmatics historical linguistics dialectology corpus linguistics and ideological and political points of view The theories and methods from these fields are applied to material that ranges from nonliterary writing to canonized authors Dialects regional varieties and worldwide Englishes are also addressed      **Oxford Companion to the English Language** Tom McArthur, Jacqueline Lam-McArthur, Lise Fontaine, 2018-05-14 The Oxford Companion to the English Language provides an authoritative single volume source of information about the English language It is intended both for reference and for browsing The first edition of this landmark Companion published in 1998 adopted a strong international perspective covering topics from Cockney to Creole Aboriginal English to Caribbean English and a historical range from Chaucer to Chomsky Latin to the World Wide Web It succinctly described and discussed the English language at the end of the twentieth century including its distribution and varieties its cultural political and educational impact worldwide its nature origins and prospects and its pronunciation grammar vocabulary word formation and usage This new edition notably focuses on World Englishes English language teaching English as an international language and the effect of technological advances on the English language More than 130 new entries include African American English British Sign Language China English digital literacy multimodality social networking superdiversity and text messaging among many others It also includes new biographical entries on key individuals who have had an impact on the English language in recent decades including Beryl Sue Atkins Adam Kilgariff and John Sinclair It is an invaluable reference for English Language students and fascinating reading for any general reader with an interest in language      *Analysing Variation in English* Warren Maguire, April McMahon, 2011-02-03 *Analysing Variation in English* brings together a range of perspectives on the collection analysis and broader relevance of variable language data In the first half of the book the focus is firmly on the description and comparison of methods for collecting and analysing examples of variation in language Novel quantitative and computational methods are introduced and exemplified alongside more traditional approaches The innovative second half of the book establishes and tests the relevance of language variation to other aspects of linguistics such as language change and to other disciplines such as law and education Each chapter concludes with a Where next section providing guidance on further reading but also pointers to under researched areas designed to help identify good topics for projects and dissertations Designed to be used by students as well as researchers the book will be welcomed by those working in English language and linguistics sociolinguistics or

language change

## Unveiling the Magic of Words: A Overview of "**Presentday Dialectology**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Presentday Dialectology**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

### **Presentday Dialectology Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Presentday Dialectology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presentday Dialectology has opened up a world of possibilities. Downloading Presentday Dialectology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presentday Dialectology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presentday Dialectology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presentday Dialectology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presentday Dialectology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presentday Dialectology has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Presentday Dialectology Books

1. Where can I buy Presentday Dialectology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Presentday Dialectology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Presentday Dialectology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Presentday Dialectology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Presentday Dialectology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
