The book begins with a lengthy introduction that critically examines the study of constitutional orders in Asia, highlighting the histories, colonial influences and cultural particularities extant in the region. This chapter serves both as a provisional orientation towards the major constitutional developments seen in Asia, both unique and shared with other regions, and as a guide to the controversies encountered in the study of constitutional law in Asia. Each of the following chapters is framed by an introductory essay setting out the issues and succinctly highlighting critical perspectives and themes. The approach is one of challenge and response, whereby questions of constitutional importance are posed and the reader is then led by engaging with primary and secondary materials through the way the various Asian states respond to these questions and challenges. Chapter segments are accompanied by notes, comments and questions to facilitate critical and comparative analysis, as well as recommendations for further reading. The Struggle of the Shi'is in Indonesia Zulkifli, 2013-11-06 *The Struggle of the Shi'is in Indonesia* is a pioneering work It is the first comprehensive scholarly examination in English of the development of Shiism in Indonesia It focuses primarily on the important period between 1979 and 2004 a period of nearly a quarter of a century that saw the notable dissemination of Shi'i ideas and a considerable expansion of the number of Shi'i adherents in Indonesia Since Islam in Indonesia is overwhelmingly Sunni this development of Shiism in a predominantly Sunni context is a remarkable phenomenon that calls for careful critical investigation There is also an important examination

of the principal ideas underlying the Madhab Ahl al Bayt the Imamate and Imam Madhi Ja fari jurisprudence and ritual piety Appropriately in his discussion Zulkifli provides a succinct outline of contrasts with Sunni ideas and practice He also examines the publishing efforts that underpinned the dissemination of Shi i ideas and the founding of IJABI Ikatan Jamaah Ahlul Bait Indonesia in July 2000 for the propagation of Ahl al Bayt teachings Given the Indonesian context Zulkifli is also concerned with Sunni reactions to these Shi i developments a story that continues to unfold to the present This book as a work of great value and significance for the continuing understanding of the richness and complexity of Indonesian Islam
