President Bill A Graphic Epic:

President Bill William L. Brown,1990 **Olderr's Fiction Index** ,1990 **Attitude** Ted Rall,2002 This inspired collection of political cartoons laughs in the face of the mainstream political cartoons featured in daily newspapers that make lame jokes about the news while sucking up to the corporations that own them This collection features the next generation of artists out to save the world artists whose cartoons run in the hottest and most subversive alternative papers around the US This collection includes hundreds of cartoons and interviews with over 20 of the best in young alternative really political comic art In b w throughout **Impeachment of President William Jefferson Clinton: pts. 1-2, Appendices to the Referral from Independent Counsel Kenneth W. Seven Myths of the Crusades Alfred J. Andrea, Andrew Holt, 2015-08-21 Seven Myths of the Crusades rebuttal of the persistent and multifarious misconceptions associated with topics including the First Crusade anti Judaism and the Crusades the crusader states the Children s Crusade the Templars and past and present Islamic Christian relations proves once and for all that real history is far more fascinating than conspiracy theories pseudo history and myth mongering This book is a powerful witness to the dangers of the misappropriation and misinterpretation of the past and the false parallels so often drawn between the crusades and later historical events ranging from nineteenth century colonialism to the protest movements of the 1960s to the events of 9 11 This volume s authors have venerable track records in teaching and researching the crusading movement and anyone curious about the crusades would do well to start here Jessalynn Bird Dominican University co Editor of Crusade and Christendom

Presidential Campaigns And American Self Images Arthur H Miller, Bruce E Gronbeck, 2019-06-26 This volume explores a central political paradox why American scholars journalists and citizens periodically question the viability of their presidential electoral system and yet believe that presidential elections are our best hope for tomorrow The book argues that the key to understanding this paradox lies in the concept of self image exploring relationships between campaign activities and political culture After presenting an introduction to the history of presidential campaigning and a theory of political image the book arranges essays in three parts images centered on candidates mass media and the public A final essay assesses explanations of the contrasts between the 1988 and 1992 elections and suggests tomorrow s research agenda
