

President Lincolns Third Largest City Brooklyn And The Civil War

Thomas L. Lawrence

President Lincoln's Third Largest City Brooklyn And The Civil War:

President Lincoln's Third Largest City E. A. Livingston, 1994 *Old South Brooklyn Entrepreneur Anson Blake 1789-1868* Thomas L. Lawrence, 2024-08-19 *Old South Brooklyn Entrepreneur* is far more than a financial and commercial biography of Anson Blake 1789 1868 It provides many details of local history not only of South Brooklyn today's Cobble Hill Carroll Gardens Red Hook Boerum Hill and Gowanus before the Civil War but of New York City's economic history including Anson Blake's speculation in Wall Street area lands and buildings Blake also speculated in Upstate New York's Black River Canal region of Oneida Hamilton and Herkimer counties where Anson Blake wanted a railroad to be built through his lots Many interesting illustrations and photographs depict facets of Manhattan and Brooklyn history including Blake's early land and building speculation enterprises in South Brooklyn adjacent to the terminus of the original Long Island Railroad and the Atlantic Street and Hamilton Avenue ferries This book describes New York's and Brooklyn's history during the second quarter of America's 19th century

Reelecting Lincoln John Waugh, 2009-04-30 Here from the author of the acclaimed book *The Class of 1846* is the dramatic story of what may have been the most critical election campaign in American history Taking place in the midst of the Civil War the election of 1864 would determine the very future of the nation Would the country be unified or permanently divided Would slavery continue Weaving rich anecdotal material into a fast paced narrative John C Waugh places this pivotal election in its historical context while evoking its human drama The men and women who figured in this epic campaign most notably Lincoln himself emerge with all their strengths weaknesses and idiosyncrasies It's an inherently dramatic story and one that has been told before But never quite so well as by John C Waugh who brings to his task the keen eye for detail and scene setting that one would expect from a career reporter said the *Wall Street Journal* Drawing on an extensive array of sources including published and unpublished reminiscences memoirs autobiographies letters newspapers and periodicals Waugh re-creates that fateful year with all the immediacy of a political reporter covering a national presidential election today

The Devil's Gentleman Harold Schechter, 2008-09-30 From renowned true crime historian Harold Schechter whom *The Boston Book Review* hails as America's principal chronicler of its greatest psychopathic killers comes the riveting exploration of a notorious sensational New York City murder in the 1890s the fascinating forensic science of an earlier age and the explosively dramatic trial that became a tabloid sensation at the turn of the century Death was by poison and came in the mail A package of Bromo Seltzer had been anonymously sent to Harry Cornish the popular athletic director of Manhattan's elite Knickerbocker Athletic Club Cornish barely survived swallowing a small dose his cousin Mrs Katherine Adams died in agony after ingesting the toxic brew Scandal sheets owned by Hearst and Pulitzer eagerly jumped on this story of fatal high society intrigue speculating that the devious killer was a chemist a woman or an effeminate man Forensic studies suggested cyanide as the cause of death handwriting on the deadly package and the vestige of a label glued to the bottle pointed to a handsome athletic society scamp Roland Molineux The

wayward son of a revered Civil War general Molineux had clashed bitterly with Cornish before He had even furiously denounced Cornish when penning his resignation from the Knickerbocker Club a letter that later proved a major clue Bon vivant Molineux had recently wed the sensuous Blanche Chesebrough an opera singer whose former lover Henry Barnet had also recently died after taking medicine sent to him through the mail Molineux's subsequent indictment for murder led to two explosive trials a sex infused scandal that shocked the nation and a lurid print media circus that ended in madness and a proud family's disgrace In bold brilliant strokes Schechter captures all the colors of the tumultuous legal case gathering his own evidence and tackling subjects no one dared address at the time all in hopes of answering the tantalizing question What powerfully dark motives could drive the wealthy scion of an eminent New York family to foul murder Schechter vividly portrays the case's fascinating cast of characters including Julian Hawthorne son of Nathaniel Hawthorne a prolific yellow journalist who covered the story and proud General Edward Leslie Molineux whose son's ignoble deeds besmirched a dignified national hero's final years All the while Schechter brings alive Manhattan's Gilded Age a gaslit world of elegant town houses and hidden bordellos chic restaurants and shabby opium dens a city peopled by men and women fighting and losing the battle against urges an upright era had ordered suppressed Superbly researched and powerfully written *The Devil's Gentleman* is an insightful gripping work a true crime historian's crowning achievement **Brooklyn Public Monuments**

Elmer Sprague,2008 **How Music Grew in Brooklyn** Maurice Edwards,2006 The Brooklyn Philharmonic is one of the most innovative and respected symphony orchestras of modern times Maurice Edwards provides a personal and comprehensive history of this institution *How Music Grew in Brooklyn* includes more than two dozen historical photographs and illustrations and an eighty page appendix providing detailed listing of the orchestra's programs including the Marathons **BOOK JACKET** War of Vengeance Lonnie Speer,2002-06-01 The American Civil War was a vicious conflict that developed

in intense hatred between opposing sides Despite some historians assertions that this was history's last great gentlemen's war the conflict was anything but civil There is ample evidence to suggest that both sides quite commonly retaliated against one another throughout the war often in chillingly inhumane ways Violent retaliation was most apparent within Federal and Confederate penitentiaries Prisoners of war were frequently subjected to both physical and mental abuse This sort of mistreatment was employed to obtain information recruit prisoners for military service or to force prisoners to sign oaths of allegiance In addition to the torture and neglect that were carried out on a regular basis even more unbelievable and less known was the actual killing of these unarmed men in retribution for their army's actions on the battlefield Sometimes it happened as the prisoners threw down their weapons and raised their hands to surrender More often however the killing took place at the prisons where guards carried out cold blooded executions their victims chosen by lottery These unconscionable acts were frequently sanctioned by the highest levels of authority in Washington and Richmond and at times the conflict devolved into a war of retaliation Threats of revenge were often countered by the opposing army each side trying

to outdo the other These acts of vengeance were seldom directed at the guilty most often soldiers targeted innocent prisoners who had the misfortune to be in the wrong place at the wrong time Author Lonnie Speer explores this little known practice of reciprocal wartime violence focusing on the most notorious and well documented cases of the war The author illustrated his claims with the first hand accounts of numerous prisoners painting a chilling picture of Civil War military and political policy

The Devil's Own Work Barnet Schecter,2009-05-26 As Barnet Schecter dramatically shows in *The Devil's Own Work* the cataclysm in New York was anything but an isolated incident rather it was a microcosm within the borders of the supposedly loyal northern states of the larger Civil War between the North and South The riots erupted over the same polarizing issues of slavery versus freedom for African Americans and the scope of federal authority over states and individuals that had torn the nation apart And the riots aftermath foreshadowed the compromises that would bedevil Reconstruction and delay the process of integration for the next 100 years The story of the draft riots come alive in the voices of passionate newspaper rivals Horace Greeley and Manton Marble black leader Rev Henry Highland Garnet and renegade Democrat Fernando Wood Irish soldier Peter Welsh and conservative diarist Maria Daly and many others In chronicling this violent demonstration over the balance between centralized power and civil liberties in a time of national emergency *The Devil's Own Work* Walt Whitman's characterization of the riots sheds new light on the Civil War era and on the history of protest and reform in America

[Blue & Gray Magazine](#) ,1995

Black Gotham Carla L. Peterson,2011-02-22 Narrates the story of the elite African American families who lived in New York City in the nineteenth century describing their successes as businesspeople and professionals and the contributions they made to the culture of that time period

Brooklynites Prithi Kanakamedala,2024-09-24 Meet the Black Brooklynites who defined New York City's most populous borough through their search for social justice Before it was a borough Brooklyn was our nation's third largest city Its free Black community attracted people from all walks of life businesswomen church leaders laborers and writers who sought to grow their city in a radical anti slavery vision The residents of neighborhoods like DUMBO Fort Greene and Williamsburg organized and agitated for social justice They did so even as their own freedom was threatened by systemic and structural racism risking their safety for the sake of their city Brooklynites recovers the lives of these remarkable citizens and considers their lasting impact on New York City's most populous borough This cultural and social history is told through four ordinary families from Brooklyn's nineteenth century free Black community the Crogers the Hodges the Wilsons and the Gloucesters The book illustrates the depth and scope of their activism cementing Brooklyn's place in the history of social justice movements Their lives offer valuable lessons on freedom democracy and family both the ones we're born with and the ones we choose Their powerful stories continue to resonate today as borough residents fill the streets in search of a more just city This is a story of land home labor of New Yorkers past and the legacy they left us This is the story of Brooklyn
