The City of Presidents Marty Nazzaro, 2010-03 Stevie Ciccone and his younger brother Ronnie spent their whole lives growing up on the streets of Quincy Fatherless from a young age Stevie had a good job and Ronnie was the local high school football hero Nothing was extraordinary about their lives until Stevie s gambling debts started to get out of hand In an attempt to make things right he had to make a deal with Joe Kelley the local bookie who had long ties to their dead father A deal that would pull Ronnie into a web of deceit that would strain the loyalties and friendships of all those in the neighborhood A neighborhood where the secrets of the past will collide with the events of the present A place where destiny calls to everyone but is answered by the few Page 4 of cover
