Presidential Upsets Douglas J. Cloutre, 2013-01-09. This unique book examines election upsets in American presidential campaigns, offering in-depth analysis of several surprising election results and explaining why the front-running candidate lost. Controversial and unexpected presidential election results have occurred throughout American history. Presidential Upsets: Dark Horses, Underdogs, and Corrupt Bargains carefully examines eleven presidential upsets spread across two centuries of American history, ranking these election upsets by order of magnitude and allowing readers to compare the issues and processes of American elections.
