Presidential Impeachment:

The Law of Presidential Impeachment Michael J. Gerhardt, 2024-01-09 A clear and comprehensive overview of presidential impeachment from a leading expert in the field As a result of Donald Trump s presidency impeachment was once again thrust into the spotlight of American political discussion However its history goes back to the very founding of the nation when American colonists remembering their grievances against their former king entrenched the process in their new Constitution The Law of Presidential Impeachment breaks down both the law and politics of this process providing a comprehensive nonpartisan and up to date explanation of the Constitution s various mechanisms for holding presidents accountable for their misdeeds Based on a lifetime of scholarly research as well as unique experience as a witness and consultant in the impeachment trials of Bill Clinton and Donald Trump Michael J Gerhardt s new book takes the reader back to the basics of presidential impeachments Rather than provide reasons for or against impeaching particular presidents he explains the law and procedures that govern impeachment examining a number of significant yet under explored issues and themes Gerhardt offers new perspectives on the subject arguing that it cannot be properly understood in a vacuum but must instead be viewed in the context of its coordination with such other mechanisms as criminal prosecutions censure elections congressional oversight and the Fourteenth and Twenty Fifth Amendments The Law of Presidential Impeachment will be an invaluable accessible guide for future generations giving them a succinct yet remarkably nuanced understanding of this core aspect of our executive branch and overarching governmental system

Presidential Impeachment John R. Labovitz, Marcia Labovitz, 1978-01-01 It is presumptuous I suppose to write a book whose primary audience one hopes will not be around for a long time to come The author hopes therefore that this book will be of more interest to those who would like to know more about the constitutional procedure that the House of Representatives invoked in 1974

The Politics of Presidential Impeachment Daniel P. Franklin, Stanley M. Caress, Robert M. Sanders, Cole D. Taratoot, 2020-08-01 The Politics of Presidential Impeachment takes a distinctive and fresh look at the impeachment provision of the US Constitution Instead of studying it from a legal constitutional perspective the authors use a social science approach incorporating extensive case studies and quantitative analysis Focusing on four presidents who faced impeachment processes Andrew Johnson Richard Nixon Ronald Reagan and Bill Clinton they examine the conditions under which presidential impeachment is likely to occur and argue that partisanship and the evolving relationship between Congress and the president determine its effectiveness as an institutional constraint They find that in our contemporary political context the propensity of Congress to utilize the impeachment tool is more likely but given the state of heightened partisanship impeachment is less likely to result in removal of a president The authors conclude that impeachment is no longer a credible threat and thus no longer an effective tool in the arsenal of checks and balances The book also offers a postscript that discusses the impeachment of President Donald J Trump

Presidential Impeachment in Latin America Gustavo Palamone, 2023-11-27 This book

pursues a comparative and interdisciplinary approach to assess presidential impeachments in Latin America Mixing methodologies from legal studies and political science it provides a novel and comprehensive assessment of some of the most controversial questions regarding the constitutional function of impeachment and its place in the theory of government Presidential impeachments have become frequent in Latin America yet they are still largely misunderstood by legal practitioners and the general public As such impeachments frequently provide for heated and polarizing debates The misunderstandings stem from skewed expectations arising from different theories of government legal interpretation and presidential impeachment The empirical evidence and arguments presented here will help to find common ground on these topics and pacify some latent tensions in society and academia In addition the book s case studies cover cases that have been rarely or incompletely addressed in the literature Some cover events so recent that they have never been analyzed elsewhere The book proposes reconsidering certain assumptions made about systems of government which are based on skewed expectations of impeachments It also draws on new evidence to re examine existing impeachment theories and develop new ones By doing so it offers valuable insights that may guide lawmakers to redesign their own systems optimizing them to achieve certain goals It will also acquaint legal practitioners with the strategies of prosecution defense and decision making in connection with impeachments

Presidential Impeachment and the New Political Instability in Latin America Aníbal Pérez-Liñán, 2007-07-09 For two decades students of presidentialism have argued that extreme executive legislative conflict ignites military interventions However in recent years many Latin American presidents have been removed from office without democratic breakdowns This book addresses the emerging paradox of unstable governments in the midst of stable democracies

105-2 Committee Print: Constitutional Grounds for Presidential Impeachment: Modern Precedents, November 1998, 1998 *High Crimes and Misdemeanors in Presidential Impeachment* H. Brown, 2010-01-04 US Constitution states that the President is subject to removal from office upon impeachment and conviction of treason bribery and other high Crimes and Misdemeanors In this book Brown examines history behind this clause as well as the impeachments of Presidents Johnson Nixon and Clinton

Constitutional Grounds for Presidential Impeachment United States. Congress. House. Committee on the Judiciary, 1974 Constitutional Grounds for Presidential Impeachment, 1998 **Proceedings of the United States Senate in the Impeachment Trial of President William Jefferson Clinton: Statements of Senators regarding the impeachment trial of President William Jefferson Clinton**, 2000 *Proceedings of the United States Senate in the Impeachment Trial of President William Jefferson Clinton: Floor trial proceedings*, 2000 The Law of Presidential Impeachment Michael J. Gerhardt, 2024-01-09 The definitive work on the history law and practice of presidential impeachment in the United States

Impeachment in a Global Context Chris Monaghan, Matthew Flinders, Aziz Z. Huq, 2024-02-06 This volume considers the use of impeachment within a global context The book brings together leading scholars and experts to give an insight into significant periods in the development of

impeachment and its modern comparative use Divided into five parts the opening chapter introduces the topic and underlines its significance in terms of understanding the relationship and inter dependence among politics governance and the law It also offers a novel conceptual framework that facilitates the global mapping of impeachment processes Part I presents a thematic approach that explores the topic of impeachment through the lenses of democracy human rights and the rule of law With these themes in mind Part II focuses on those parts of the world where impeachment is generally recognised as a core constitutional process including the United States South Korea Brazil and other countries in South America Part III continues with the process of constitutional mapping by moving to a focus on those countries where impeachment is arguably an important but largely secondary or peripheral process This includes chapters on Denmark Iceland Sri Lanka and the Philippines and flows through into Part IV s focus on areas of the world where impeachment matters and may even be increasing in terms of visibility but for a number of reasons arguably exists within a satellite status in terms of constitutional processes and safeguards The fifth and final section steps back in an attempt to assess impeachment processes from a broad comparative perspective The collection presents the definitive text on impeachment for students and scholars with an interest in comparative public law politics and constitutional studies

Backlash Presidents Julia R. Azari,2025-09-23 How most presidents avoid upsetting the racial status quo and why those who do pave the way for lawless norm violating successors When Barack Obama won the White House in 2008 becoming the nation s first Black president the stage was set for Donald Trump s eventual rise to power Backlash Presidents shows how throughout American history administrations that challenge the country s racial status quo are followed by presidents who deal in racially charged politics and presidential lawlessness culminating in impeachment crises In this incisive book Julia Azari traces the connections between racially transformative presidents and their successors examining the presidencies of Abraham Lincoln and Andrew Johnson Lyndon Johnson and Richard Nixon and Obama and Trump When he signed long awaited civil rights legislation in 1964 Lyndon Johnson unleashed a perfect political storm that swept Nixon into the White House Azari demonstrates how Nixon s rhetoric relationship to Congress and attitudes about executive power exhibit striking parallels with Andrew Johnson and Trump She discusses how their actions are linked to race and racialized institutions the Department of War during Reconstruction the FBI during the Nixon years and elections today and looks at what happens after impeachment describing how the rush to establish a new order perpetuates many of the same problems as the old Challenging the conventional wisdom about the role of norms in American democracy Backlash Presidents reveals how normal presidential politics upholds unsustainable racial hierarchy that in turn gives rise to intense periods of instability

Guide to the Presidency and the Executive Branch Michael Nelson,2012-08-13 This comprehensive two volume
