Presidential Influence And The Administrative State:

Presidential Influence and the Administrative State Richard W. Waterman, 1989
Examination of Federal Rulemaking, S.HRG. 114-682, April 20, 2016, 114-2, 2017
The Administrative State: An Examination of Federal Rulemaking, S.HRG. 114-682, April 20, 2016, 114-2, 2017
Judicializing the Administrative State Hiroshi Okayama, 2019-05-10 A basic feature of the modern US administrative state taken for granted by legal scholars but neglected by political scientists and historians is its strong judiciary. Formal or court like adjudication was the primary method of first order agency policy making during the first half of the twentieth century. Even today most US administrative agencies hire administrative law judges and other adjudicators conducting hearings using formal procedures autonomously from the agency head. No other industrialized democracy has even come close to experiencing the systematic state judicialization that took place in the United States. Why did the American administrative state become highly judicialized rather than developing a more efficiency oriented Weberian bureaucracy? Legal scholars argue that lawyers as a profession imposed the judicial procedures they were the most familiar with on agencies. But this explanation fails to show why the judicialization took place only in the United States at the time it did. Okayama demonstrates that the American institutional combination of common law and the presidential system favored policy implementation through formal procedures by autonomous agencies and that it induced the creation and development of independent regulatory commissions explicitly modeled after courts from the late nineteenth century. These commissions judicialized the state not only through their proliferation but also through the diffusion of their formal procedures to executive agencies over the next half century which led to a highly fairness oriented administrative state.

Presidential-Congressional Relations Steven A. Shull, 2000 Examines how presidents and Congress work together
International Encyclopedia of Public Policy and Administration Volume 1 Jay Shafritz, 2019-03-01 This is the first volume of a four volume encyclopaedia which combines public administration and policy and contains approximately 900 articles by over 300 specialists. This Volume covers entries from A to C. It covers all of the core concepts, terms and processes of applied behavioural science, budgeting, comparative public administration, development.

Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency. Readers turn to *Guide to the Presidency and the Executive Branch* for its wealth of facts and analytical chapters that explain the structure, powers and operations of the office and the president's relationship with Congress and the Supreme Court. The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency, the 2008 election and the first 3 years of the presidency of Barack Obama. This includes coverage of their handling of the economic crisis, wars abroad and Obama's healthcare initiatives. The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated. Origins and Development of the Presidency including constitutional beginnings, history.

of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

The Oxford Handbook of the American Presidency George C. Edwards III, William G. Howell, 2009-08-06 As the central feature on the American political landscape it is only natural that scholars and commentators focus on the presidency So much is written about the subject in fact that it is often difficult to know where we stand in our understanding of it The Oxford Handbook of the American Presidency will help scholars assess the state of scholarship on the presidency and the directions in which it needs to move Never before has the academic literature on the American presidency received such an extended treatment Nearly three dozen chapters critically assess both the major contributions to a literature on a dimension of the presidency and the ways in which the literature has developed The authors of each chapter seek to identify weaknesses in the existing literature be they logical flaws methodological errors oversights or some combination therein and to offer their views about especially productive lines of future inquiry Equally important the authors also identify areas of research that are unlikely to bear additional fruits These chapters offer a distinctive point of view an argument about the successes and failures of past scholarship and a set of recommendations about how future work ought to develop Thus this volume will help set the agenda for research on the presidency for the next decade The Oxford Handbooks of American Politics are a set of reference books offering authoritative and engaging critical overviews of the state of scholarship on American politics Each volume focuses on a particular aspect of the field The project is under the General Editorship of George C Edwards III and distinguished specialists in their respective fields edit each volume The Handbooks aim not just to report on the discipline but also to shape it as scholars critically assess the scholarship on a topic and propose directions in which it needs to move The series is an indispensable reference for anyone working in American politics General Editor for

The Oxford Handbooks of American Politics George C Edwards III **Presidential Rhetoric and the Public Agenda**
 Andrew B. Whitford, Jeff Yates, 2009-11 The bully pulpit is one of the modern president's most powerful tools and one of the most elusive to measure Presidential Rhetoric and the Public Agenda uses the war on drugs as a case study to explore whether and how a president's public statements affect the formation and carrying out of policy in the United States When in June 1971 President Richard M Nixon initiated the modern war on drugs he did so with rhetorical flourish and force setting in motion a federal policy that has been largely followed for more than three decades Using qualitative and quantitative measurements Andrew B Whitford and Jeff Yates examine presidential proclamations about battling illicit drug use and their effect on the enforcement of anti drug laws at the national state and local level They analyze specific pronouncements and the social and political contexts in which they are made examine the relationship between presidential leadership in the war on drugs and the policy agenda of the Drug Enforcement Administration and the U S Attorneys and assess how closely a president's drug policy is implemented in local jurisdictions In evaluating the data this sophisticated study of presidential leadership shows clearly that with careful consideration of issues and pronouncements a president can effectively harness the bully pulpit to drive policy *A Companion to Richard M. Nixon* Melvin Small, 2013-05-03 This companion offers an overview of Richard M Nixon's life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon's legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project **The Oxford Handbook of American Bureaucracy**
 Robert F. Durant, 2012-08-02 One of the major dilemmas facing the administrative state in the United States today is discerning how best to harness for public purposes the dynamism of markets the passion and commitment of nonprofit and volunteer organizations and the public interest oriented expertise of the career civil service Researchers across a variety of disciplines fields and subfields have independently investigated aspects of the formidable challenges choices and opportunities this dilemma poses for governance democratic constitutionalism and theory building This literature is vast affords multiple and conflicting perspectives is methodologically diverse and is fragmented The Oxford Handbook of American Bureaucracy affords readers an uncommon overview and integration of this eclectic body of knowledge as adduced by many of its most respected researchers Each of the chapters identifies major issues and trends critically takes stock of the state of knowledge and ponders where future research is most promising Unprecedented in scope methodological diversity scholarly viewpoint and substantive integration this volume is invaluable for assessing where the study of American bureaucracy stands at the end of the first decade of the 21st century and where leading scholars think it should go in the future The Oxford Handbooks of American Politics are a set of reference books offering authoritative and engaging critical

overviews of the state of scholarship on American politics Each volume focuses on a particular aspect of the field The project is under the General Editorship of George C Edwards III and distinguished specialists in their respective fields edit each volume The Handbooks aim not just to report on the discipline but also to shape it as scholars critically assess the scholarship on a topic and propose directions in which it needs to move The series is an indispensable reference for anyone working in American politics General Editor for The Oxford Handbooks of American Politics George C Edwards III

The Presidential Dilemma Michael A. Genovese, 2017-07-28 This brief thought provoking text evaluates the performance of recent presidents from Johnson to Bush finding that overall each has failed to live up to public expectations Written by one of the top presidency scholars today The Presidential Dilemma reflects on the idea that as our country's problems grow our politicians seem to shrink Arguing that American presidents of the last 40 years have largely failed to meet the needs expectations and responsibilities placed upon them the book discusses how presidents might better maximize their opportunities for leadership and suggests a distinctive theory of presidential politics presidents facing a system of multiple veto points seek to maximize power and influence The third edition of Genovese's stimulating book is thoroughly updated to reflect presidential development in recent years and a new introduction brings his arguments current As he demonstrates the emergence of democracy as a new social and political paradigm undermined traditional authority and legitimacy Subjects no longer automatically follow now citizens must be persuaded They may give to a leader their authority and power or not As Genovese notes in a world of mass consumerism those wishing to lead have precious little to offer by way of inducement Genovese's goal is to examine the reasons why the performance of recent presidents has been underwhelming discuss how they might maximize their opportunities for leadership and ask a key question Can presidents be both powerful and accountable The book follows a clear format and tries to show why America's officeholders have so rarely been leaders and how presidents can become leaders instead of mere officeholders

The American Presidency Irwin L. Morris, 2010-08-15 Presidential scholars increasingly turn to science to address the fundamental issues in the field but undergraduates are rarely taught the skills to do the same The American Presidency introduces students to new insights produced by the scientific study of the presidency and the scientific endeavor itself After chapters on the scientific study of the presidency and background information on the presidency the text discusses prominent theories of presidential power Chapters on presidential elections the president's relationship with other political actors such as Congress and the Supreme Court the president's role in foreign and economic policy and presidential greatness include guided research exercises that provide students with the opportunity to apply the scientific method to empirical questions with significant theoretical content The American Presidency provides students with the opportunity to learn about the presidency and enables them to draw their own reasoned conclusions about the nature of presidential power

The Unitary Presidency Graham Dodds, 2019-08-05 The theory of the unitary executive is one of the most controversial and significant constitutional doctrines of the past several

decades It holds that the U S president alone embodies all executive power and therefore has unlimited ability to direct the many people and institutions within the federal government s vast executive branch It thus justifies the president s prerogative to organize the executive branch and to direct its activities to tell executive personnel what to do and to fire them if desired to control the flow of information and to issue signing statements that make judgments about constitutionality and determine the extent to which laws will be implemented In some versions it also endorses implied or inherent powers and permits the president to completely control foreign policy and military action Proponents say this conception of the presidential office is faithful to the Constitution facilitates the sort of energetic executive that Alexander Hamilton argued for and enhances administrative efficacy and political accountability for governance Critics say this arrangement is constitutionally inaccurate is belied by historical practice and legal precedents and is dangerously close to the monarchical power that provoked the American Revolution and can be especially threatening in the era of Donald Trump This book examines how controversies about unitary executive power have played out from the founding era to the present day with a focus on recent presidents it explores arguments both for and against the unitary executive theory and it looks ahead to future implications for American politics

Congress, the President, and the Federal Reserve Irwin Lester Morris, 2002

Explores the power of the President and Congress over the Federal Reserve

Managing the President's Program Andrew Rudalevige, 2018-06-26 The belief that U S presidents legislative policy formation has centralized over time shifting inexorably out of the executive departments and into the White House is shared by many who have studied the American presidency Andrew Rudalevige argues that such a linear trend is neither at all certain nor necessary for policy promotion In *Managing the President's Program* he presents a far more complex and interesting picture of the use of presidential staff Drawing on transaction cost theory Rudalevige constructs a framework of contingent centralization to predict when presidents will use White House and or departmental staff resources for policy formulation He backs his assertions through an unprecedented quantitative analysis of a new data set of policy proposals covering almost fifty years of the postwar era from Truman to Clinton Rudalevige finds that presidents are not bound by a relentless compulsion to centralize but follow a more subtle strategy of staff allocation that makes efficient use of limited bargaining resources New items and for example those spanning agency jurisdictions are most likely to be centralized complex items follow a mixed process The availability of expertise outside the White House diminishes centralization However while centralization is a management strategy appropriate for engaging the wider executive branch it can imperil an item s fate in Congress Thus as this well written book makes plain presidential leadership hinges on hard choices as presidents seek to simultaneously manage the executive branch and attain legislative success

Breaking Through the Noise Matthew Eshbaugh-Soha, Jeffrey S.

Peake, 2011-08-15 Modern presidents engage in public leadership through national television addresses routine speechmaking and by speaking to local audiences With these strategies presidents tend to influence the media s agenda In

fact presidential leadership of the news media provides an important avenue for indirect presidential leadership of the public the president's ultimate target audience Although frequently left out of sophisticated treatments of the public presidency the media are directly incorporated into this book's theoretical approach and analysis The authors find that when the public expresses real concern about an issue such as high unemployment the president tends to be responsive But when the president gives attention to an issue in which the public does not have a preexisting interest he can expect through the news media to directly influence public opinion Eshbaugh-Soha and Peake offer key insights on when presidents are likely to have their greatest leadership successes and demonstrate that presidents can indeed break through the noise of news coverage to lead the public agenda

Missed Opportunity E. D. Dover, 2002-03-30 While the 2000 presidential election had a number of unique features including the decisive role of the Supreme Court it actually was quite similar to three earlier television age campaigns For the fourth time since 1960 an incumbent president retired and his party nominated the vice president as a potential successor The nomination of the vice president has become so commonplace that we now expect it Unfortunately we lack theoretical explanations of why vice presidents win nominations while often losing the general election Dover seeks to advance this needed theory Dover looks at the recurring features of television age elections with surrogate incumbents and applies them to a description of the leading events of Election 2000 The emphasis is on mediated incumbency a phenomenon that occurs when mass media particularly television exert enormous influence in defining the context and meaning of politics for most voters The first topics considered are the growth of the modern vice presidency and the nature of surrogate incumbent elections The outcome of such elections often turns on how effectively the vice president and his opponent overcome dilemmas unique to their strategic positions as incumbent or challenger Dover then describes the campaign from January 1999 through December 2000 from the perspective of television news media and shows how Gore failed to overcome his dilemma during a time marked by peace and prosperity The text is an important resource for scholars students and other researchers involved with American elections political communication and the American presidency

Debating the Presidency Richard J. Ellis, Michael Nelson, 2017-01-02 Editors Richard J. Ellis and Michael Nelson have once again assembled a cadre of top presidential scholars to offer a series of pro-con essays that will inspire spirited debate in *Debating the Presidency: Conflicting Perspectives on the American Executive* Fourth Edition offers a compelling yet concise view of contemporary topics relevant to the American executive Each pair of debate resolution style essays is written specifically for this volume and offers a compelling yet concise view of a topic relevant to the American executive Editors Richard Ellis and Michael Nelson offer brief chapter introductions that provide context In this edition several new arguments are presented on topics such as executive orders Pro Gene Healy Con Andrew Rudalevige abolishment of the vice presidency Pro Douglas L. Kriner Con Joel K. Goldstein and the effect of new media on the public's view of the presidency Pro Matthew R. Kerbel Con Jeffrey E. Cohen

The President's Agenda Paul Light, 1999 Although

there are important differences between the two Presidents not the least of which is Bush's high proportion of small scale old ideas the two share a pronounced tendency to look backward for inspiration rather than forward from the Preface Bitter Harvest Matthew J. Dickinson, 1999-02-13 Bitter Harvest identifies the principles governing Franklin Roosevelt's development and use of a presidential staff system and offers a theory explaining why those principles proved so effective Dickinson argues that presidents institutionalize staff to acquire the information and expertise necessary to better predict the likely impact their specific bargaining choices will have on the end results they desire Once institutionalized however presidential staff must be managed Roosevelt's use of competitive administrative techniques minimized his staff management costs while his institutionalization of nonpartisan staff agencies provided him with needed information Matthew Dickinson's research suggests that FDR's principles could be used today to manage the White House staff dominated institutional presidency upon which most of his presidential successors have relied

Presidential Influence And The Administrative State Introduction

Presidential Influence And The Administrative State Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Presidential Influence And The Administrative State Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Presidential Influence And The Administrative State : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Presidential Influence And The Administrative State : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Presidential Influence And The Administrative State Offers a diverse range of free eBooks across various genres. Presidential Influence And The Administrative State Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Presidential Influence And The Administrative State Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Presidential Influence And The Administrative State, especially related to Presidential Influence And The Administrative State, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Presidential Influence And The Administrative State, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Presidential Influence And The Administrative State books or magazines might include. Look for these in online stores or libraries. Remember that while Presidential Influence And The Administrative State, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Presidential Influence And The Administrative State eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Presidential Influence And The Administrative State full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presidential Influence And The Administrative State eBooks, including some popular titles.

FAQs About Presidential Influence And The Administrative State Books

1. Where can I buy Presidential Influence And The Administrative State books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Presidential Influence And The Administrative State book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Presidential Influence And The Administrative State books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Presidential Influence And The Administrative State audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Presidential Influence And The Administrative State books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
