Presidents Partner:

The Presidents' Wives Robert P. Watson, 2000 Traces the development of the First Lady's role from obscurity into an influential force in politics complete with office staff and budgetary resources to rival those of key presidential advisors The author also explores the paradoxes surrounding activism in the office *The Policy Partnership* Bruce Buchanan, 2004 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **The Politics of the President's Wife** MaryAnne Borrelli, 2011-08-15 As the West Wing has grown in power and organizational complexity during the modern presidency so has the East Wing office home to the First Lady of the United States This groundbreaking work by MaryAnne Borrelli offers both theoretical and substantive insight into behind the scenes developments from the time of Lou Henry Hoover to the unfolding tenure of Michelle Robinson Obama Political scientists and historians have recognized the personal influence the First Lady can exercise with her husband and they have noted the moral ethical and sometimes policy leadership certain presidents wives have offered Nonetheless scholars and commentators alike have treated the personal relationship and the professional relationship as overlapping Borrelli offers a compelling counter perspective that the president's wife exercises power intrinsic to her role within the administration Like others within the presidency she has sometimes presented the president's views to constituents and sometimes presented constituents views to the president thus taking on a representative function within the system In mediating president constituent relationships she has given a historical and social frame to the presidency that has enhanced its symbolic representation she has served as a gender role model enriching descriptive representation in the executive branch and she has participated in policy initiatives to strengthen an administration's substantive representation These contributions have been controversial as might be predicted for a gender outsider but they have unquestionably made the First Lady a representative of and to the president and by extension the president's administration *President's Emergency Plan for AIDS Relief: Efforts to Align Programs with Partner Countries' HIV/AIDS Strategies and Promote Partner Country Ownership* , The President's 1978 Tax Reduction and Reform Proposals United States. Congress. Joint Committee on Internal Revenue Taxation,1974 **"If I Was President... My Blueprint for America"** Marty Piatt,2012-05-17 I not unlike most Americans have grown tired of the politics of politics the lies and deceptions of our Congress and the hypocrisy of the every day political life of the members of our Senate our House of Representatives and our Presidency The campaigns of our future Presidential and Congressional candidates telling Americans they have all the answers yet offering no real substantial or definitive courses of action to make our country the great nation it once was I believe the solutions to the many challenges our country is facing are simple and certainly not rocket science I believe the means and methods necessary to fix our broken and corrupted Congress stalled economy high unemployment and skyrocketing budget deficit are not that complicated I question whether Congress and the Presidency really know the proper strides to correct all of these unfortunate circumstances Within the following pages of this book appropriately entitled If I was President I intend to outline what I believe hopefully with most all Americans in agreement are the paths to recovery and road to prosperity We The People of the United States of America would like to see which is My Blueprint for America *An Examination of Children's Privacy* United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee on Consumer Protection, Product Safety, and Insurance,2011 **Financial Disclosure Reports of Members of the U.S. House of Representatives for the Period Between January 1, 2008 and December 31, 2008** United States.
