**Dr. Louis Fisher**

## **Presidents Work The Executive Branch:**

The President and the Executive Branch Mark Thorburn, 2013-01-01 Readers learn about how the President is elected what the Presidential duties are and who runs the nation if the President gets sick *The President and the Executive Branch* Bryon Giddens-White, 2005-10 The President and the Executive Branch presents an exciting look inside the executive branch of the United States government The book explores topics such as the origins of the executive branch the powers and day to day responsibilities of a president key figures in a president's administration and how presidents have shaped the direction of our country Book jacket **How the Executive Branch Works** Zelda Wagner, 2024-08-01 The president of the United States is the leader of the executive branch This branch is in charge of carrying out laws Many people help the president including the vice president cabinet and others They work together to run the country Learn more about this branch and what it does **How the Executive Branch Works** Rebecca Hirsch, 2015-01-01 How much power does the president really have How does he make decisions Find the answers to these questions and more in this title Primary sources with accompanying questions multiple prompts Important Dates section index and glossary also included Aligned to Common Core Standards and correlated to state standards Core Library is an imprint of Abdo Publishing a division of ABDO **Guide to the Presidency and the Executive Branch** Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the

Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

**The President's Work** Elaine Landau,2003-07-01 Everyone knows that the president of the United States is the leader of the country and has a very powerful job But what does the president really do day in and day out Sit behind a desk and sign laws Travel to faraway lands to promote peace You ll need to read this book to find out Inside you ll discover what the president s job is like how the president does this job and how it affects every American s life including yours Book jacket

*The President, Vice President, and Cabinet* Elaine Landau,2012-01-01 What is the executive branch It s the part of government that s led by our president But who else is part of the executive branch And just what does this branch do Read this book to find out *The Executive Branch, Creation and Reorganization* Harold Relyea,Thomas P. Carr,2003 When President George W Bush came into office in January 2001 he arrived from a campaign in which he had emphasised efficiency in government particularly through the use of information technology but had not revealed any plans for reorganising the executive branch Then in the aftermath of the September 11 2001 terrorist attacks on the World Trade Center and the Pentagon the organisation of the federal government for maintaining homeland security and combating terrorism became an important consideration for both the President and the 107th Congress Establishment of the Office of Homeland Security in October 2001 as a co ordinating entity as an important first step followed by the President s June 6 2002 call for the creation of a Department of Homeland Security This book regards reorganisation and management as involving the alteration of the program administrative structure and operations of the executive branch for reasons of efficiency economy and direction **Weekly Compilation of Presidential Documents** ,1994 **Codification of**

**Presidential Proclamations and Executive Orders** United States. President,1989 **The Law of the Executive Branch** Dr. Louis Fisher,2014-01-03 The scope of presidential authority has been a constant focus of constitutional dispute since the Framing The bases for presidential appointment and removal the responsibility of the Executive to choose between the will of Congress and the President the extent of unitary powers over the military even the ability of the President to keep secret the identity of those consulted in policy making decisions have all been the subject of intense controversy The scope of that power and the manner of its exercise affect not only the actions of the President and the White House staff but also all staff employed by the executive agencies There is a clear need to examine the law of the entire executive branch The Law of the Executive Branch Presidential Power places the law of the executive branch firmly in the context of constitutional language framers intent and more than two centuries of practice In this book Louis Fisher strives to separate legitimate from

illegitimate sources of power through analysis that is informed by litigation as well as shaped by presidential initiatives statutory policy judicial interpretations and public and international pressures Each provision of the US Constitution is analyzed to reveal its contemporary meaning in concert with the application of presidential power Controversial issues covered in the book include unilateral presidential wars the state secrets privilege extraordinary rendition claims of inherent presidential powers that may not be checked by other branches and executive privilege *The Executive Branch and Disarmament Policy* United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on Disarmament, 1956

Codification of Presidential Proclamations and Executive Orders, 1989 Executive Office of the President United States. Congress. House. Committee on Appropriations. Subcommittee on the Treasury, Postal Service, and General Government Appropriations, 1977 Introduction to Panama Gilad James, PhD, Panama is a country situated in Central America that is mainly known for its stunning beaches enormous rainforests and thriving financial sector Its convenient location between North and South America has been an advantage in international trade and investment Panama has a diverse population a rich culture and a fascinating history having been under the control of Spain until gaining independence in 1903 The Panama Canal one of the most significant engineering feats in history is a testament to the country's importance in global trade connecting the Atlantic and Pacific Oceans Panama is one of the most rapidly developing nations in Central America with a growing services sector particularly in accounting banking and tourism Tourists flock to Panama for its beautiful beach resorts luxury hotels and breath taking natural scenery It is quickly becoming one of the most popular travel destinations in Central America bringing in millions of visitors a year While many come for the tropical weather and beautiful beaches others come for the impressive Panama Canal and other exciting historical landmarks In addition the country's cuisine art and music showcase Panama's unique cultural identity From the vibrant nightlife in Panama City to the rural countryside full of wildlife Panama has plenty to offer for all types of visitors **Supplemental Opinions of the Office of**

**Legal Counsel of the United States Department of Justice** United States. Department of Justice. Office of Legal Counsel, 2013 Ensuring Executive Branch Accountability United States. Congress. House. Committee on the Judiciary. Subcommittee on Commercial and Administrative Law, 2007 *Leading the Executive Branch* Elizabeth D. Brown, John David Graham, 2007 The authors examine some of the key strategies past presidents have used to lead the departments and agencies of the Executive Branch Although centralizing power among the White House staff became the preferred alternative during the 20th century the authors argue that this strategy insulates the president from valuable knowledge and experience in the departments and agencies This shortcoming combined with the unchecked proliferation of departments and agencies has made it difficult for the president to develop meaningful trusting relationships with each cabinet member A comprehensive reorganization such as the one recommended in 2003 by the National Commission on the Public Service also known as the Volcker Commission could redress some of the inherent limitations of centralizing power in the white House

Reducing the number of cabinet secretaries for instance could improve the chances that these secretaries will develop more effective direct and hands on relationships with future presidents Missing from the case for comprehensive reorganization however is a systematic study of cabinet agency performance Before launching into large scale reorganization a careful inquiry should be undertaken of the successes and failures of the largest cabinet agencies the Departments of Defense Health and Human Services and Homeland Security

**The Executive Branch** Joel D. Aberbach, 2005 Presents a collection of essays that provide an examination of the Executive branch in American government explaining how the Constitution created the executive branch and discusses how the executive interacts with the other two branches of government at the federal and state level

*Commission on Organization of the Executive Branch of the Government* United States. Congress. House. Committee on Government Operations, 1955
