Pressure Group Behaviour In Canadian Politics:

Pressure Group Behaviour in Canadian Politics A. Paul Pross, 1975 *The Provincial Political Systems* David J. Bellamy, Jon H. Pammett, Donald Cameron Rowat, 1976 **Politics, Policy, and Government in British Columbia** R. Kenneth Carty, 1996-09-23 Politics Policy and Government in British Columbia examines the political life of Canada's dynamic Pacific province Each of the seventeen chapters written by well known experts provides an up to date portrait and analysis of one of the many faces of B C politics Taken together they provide a clear and comprehensive overview of the dominant themes and issues that have been the distinguishing features of the province's political life Key elements of the book include sections on the political setting with discussions of BC's political culture and economy and its relations with the rest of Canada and its own Native communities B C style politics which focus on electoral and parliamentary party politics the changing place of women in BC public life and the critical role of the media in explaining it all to British Columbians governing the province with accounts of the premier and cabinet the bureaucracy that delivers most government services and the complex system from the police to the courts that provides the administration of justice and the rule of law and contemporary policy issues with clear explanations of the intricacies of fiscal and social policy analyses of recent conflicts over forest policy and environmental protection a discussion of the role of lobbyists and an examination of what difference is made when NDP governments are elected Anyone interested in B C or its politics will find this book an informative up to date record of the processes and events that have marked B C's past and will continue to shape its future **The Provinces and Canadian Foreign Trade Policy** Christopher J. Kukucha, 2009-07-01 During the past thirty years international trade agreements have focused increasingly on areas of provincial jurisdiction In *The Provinces and Canadian Foreign Trade Policy* Kukucha argues that Canadian provinces have maintained a level of autonomy in response to these developments sometimes even influencing Canada's global trade relations and the evolution of international norms and standards The first comprehensive review of provincial foreign trade policy in Canada the book highlights the convergence of debates related to federalism Canadian foreign policy and the global political economy as they are played out in the negotiation and implementation of international trade agreements It will be of interest to students and practitioners of political science public policy and economics *The Politics of Canadian Foreign Policy, Fourth Edition* Kim Richard Nossal, Stéphane Roussel, Stéphane Paquin, 2015-12-07 The fourth edition of this widely used text includes updates about the many changes that have occurred in Canadian foreign policy under Stephen Harper and the Conservatives between 2006 and 2015 Subjects discussed include the fading emphasis on internationalism the rise of a new foreign policy agenda that is increasingly shaped by domestic political imperatives and the changing organization of Canada's foreign policy bureaucracy As in previous editions this volume analyzes the deeply political context of how foreign policy is made in Canada Taking a broad historical perspective Kim Nossal Stéphane Roussel and Stéphane Paquin provide readers with the key foundations for the study of

Canadian foreign policy They argue that foreign policy is forged in the nexus of politics at three levels the global the domestic and the governmental and that to understand how and why Canadian foreign policy looks the way it does one must look at the interplay of all three Canadian Health Policy Failures Brett J. Skinner,2009 This book is an edited version of the author's earlier published Ph D thesis titled Barriers to Health Policy Liberalization in Canada Institutions Information Interests and Incentives T p verso Institutions and Influence Groups in Canadian Farm and Food Policy James D. Forbes,Institute of Public Administration of Canada,1985 *Groups and Governments in Canadian Foreign Policy* Canadian Institute of International Affairs,1985 *Canadian Government and Politics - Seventh Edition* Robert J. Jackson,Doreen Jackson,Royce Koop,2020-02-25 Canadian Government and Politics delivers an up to date and concise introduction to Canada's political institutions processes and issues The text integrates theory history Census data and current affairs to give students an orderly picture of the wide ranging landscape of Canadian government and politics This seventh edition includes coverage and analysis of the 2019 general election as well as a preview of the new Canadian government It also adds exciting material on Canada's cultural landscape institutions and policies along with a new chapter on Indigenous Peoples Other chapters examine the executive legislative and judicial branches of government the electoral system bureaucracy Quebec nationalism foreign policy and much more The authors provide trenchant coverage of many key issues of concern to Canadians including regionalism nationalism climate change defense policy Indigenous Peoples rights minority rights pipelines and the USMCA trade deal These topics are addressed by way of fair minded impartial discussions aimed to foster a vital and optimistic perspective on Canadian politics that will encourage critical thinking and active citizenship **Interest Groups and Campaign Finance Reform in the United States and Canada** Robert G Boatright,2011-03-15 In the early 2000s the United States and Canada implemented new campaign finance laws restricting the ability of interest groups to make political contributions and to engage in political advertising Whereas both nations legislative reforms sought to reduce the role of interest groups in campaigns these laws have had opposite results in the two nations In the United States interest groups remained influential by developing broad coalitions aimed at mobilizing individual voters and contributors In Canada interest groups largely withdrew from election campaigns and thus important voices in elections have gone silent Robert G Boatright explains such disparate results by placing campaign finance reforms in the context of ongoing political and technological changes Robert G Boatright is Associate Professor of Political Science at Clark University Cover photo iStockphoto com alfabravoalpharomeo **Canada and the International Seabed** Elizabeth Mary Riddell-Dixon,1989 Canada and the International Seabed is the first in depth study of the development of Canada's policy on deep seabed mining Elizabeth Riddell Dixon argues that Canada's position was determined by certain influential actors in the federal government Lawyers in the Department of External Affairs and officers from the Department of Energy Mines and Resources formed the dominant coalition in the interaction between federal provincial decision makers labour unions and business groups at the United

Nation s Third International Conference on the Law of the Sea **Political Marketing in Canada** Alex Marland,Thierry Giasson,Jennifer Lees-Marshment,2012-02-15 Political parties worldwide are using marketing tools such as targeting and segmentation to win elections Are these strategies making politicians and governments more responsive to voters needs or do they pose a threat to democracy Political Marketing in Canada the first book to ask this question of Canada considers the consequences of political marketing in the realms of public policy leadership and the government citizen relationship Through dynamic case studies that range from the resurrection of the Conservative Party to media accounts of political marketing to Tim Hortons as a political brand the authors trace how political marketing is transforming the old system of brokerage politics into a new distinctly Canadian model Citizens are now viewed as consumers and platforms and promises have been repackaged as products Whether this trend is positive or negative the authors argue depends on how politicians and governments carry out political marketing and its promises in practice *Democratic Government in Canada, 5th Ed* R. MacGregor Dawson,W.F. Dawson,1989-06-01 For more than a generation this concise survey has been the classic introduction to the fundamental ideas and structure of Canadian government and the practice of democracy in this country It examines the various elements of federal government the House of Commons the cabinet the Senate the monarchy and governor general the public service and the courts and of provincial and municipal governments and explores their interrelationships In this new edition Norman Ward has incorporated the many changes in government since his last revision in 1971 *Shifting Sands* Joan Price Boase,1994-03-01 During the 1970s and 1980s policymaking in the complex area of regulatory legislation of the health disciplines became both increasingly important and increasingly difficult for the Canadian provinces In this comparative study Joan Boase traces the evolution of relationships among governments and health care interest groups in four provinces Ontario Quebec Nova Scotia and Alberta and finds that although they have faced similar problems they have responded in different ways She employs several theoretical approaches to explain these different responses including community policy networks institutionalism and state traditions and uses case studies to illustrate the intense interest group activity that has occurred in this sector Boase reaches three conclusions 1 with the development of a national health insurance plan there has been a shift in the actions of government from reliance on interest group liberalism towards concerted efforts to plan the structure of the welfare system 2 the different systems of interest intermediation that evolved in the provinces reflected the underlying political and administrative culture and institutional structures within the provinces and 3 the unique proactive approach taken by Ontario in the 1980s was a deliberate effort to modify the institutional arrangements through which groups had traditionally influenced policy Boase suggests that the complexities of modern government and the move towards redistributive politics will lead the state to make extraordinary efforts to control its environment in the future *Shifting Sands* will be of particular interest to health care specialists policy makers and legislators as well as activists *Métis in Canada* Christopher Adams,Ian Peach,Gregg Dahl,2013-05-31 Twelve essays look

at Canadian politics today in terms of history identity law and politics *Trans-Atlantic Partners* Evan H. Potter,1999 The end of the Cold War and the advent of the European Union EU as an emerging political actor have fundamentally changed Canada's approach to its relations with Western Europe *Trans Atlantic Partners* traces the Canadian Government's reassessment of its traditional Atlanticist foreign policy orientation by looking at the rising importance of the EU as a key pillar in Canada's post World War II trans Atlantic relations **Canada's Department of External Affairs, Volume 3** John Hilliker,Mary Halloran,Greg Donaghy,2017-06-16 Volume three of the official history of Canada's Department of External Affairs offers readers an unparalleled look at the evolving structures underpinning Canadian foreign policy from 1968 to 1984 Using untapped archival sources and extensive interviews with top level officials and ministers the volume presents a frank insider's view of work in the Department its key personalities and its role in making Canada's foreign policy In doing so the volume presents novel perspectives on Prime Minister Pierre Trudeau and the country's responses to the era's most important international challenges These include the October Crisis of 1970 recognition of Communist China UN peacekeeping decolonization and the North South dialogue the Middle East and the Iran Hostage crisis and the ever dangerous Cold War **Literary History of Canada** William H. New,Carl Berger,Alan Cairns,Frances G. Halpenny,Henry Kreisel,Douglas Lochhead,Philip Stratford,Clara Thomas,1990-12-15 This new volume of the *Literary History of Canada* covers the continuing development of English Canadian writing from 1972 to 1984 As with the three earlier volumes this book is an invaluable guide to recent developments in English Canadian literature and a resource for both the general reader and the specialist researcher The contributors to this volume are Laurie Ricou David Jackel Linda Hutcheon Philip Stratford Barry Cameron Balachandra Rajan Robert Fothergill Brian Parker Cynthia Zimmerman Frances Frazer Edith Fowke Bruce G Trigger Alan C Cairns Douglas Williams Carl Berger Shirley Neuman Raymond S Corteen and Frances G Halpenny **The Comparative Turn in Canadian Political Science** Linda White,Richard Simeon,Robert Vipond,Jennifer Wallner,2009-01-01 Over the past decade the study of Canadian politics has changed profoundly The introspective insular and largely atheoretical style that informed Canadian political science for most of the postwar period has given way to a deeper engagement with and integration into the global field of comparative politics This volume is the first sustained attempt to describe analyze and assess the comparative turn in Canadian political science Canada's engagement with comparative politics is examined with a focus on three central questions In what ways and how successfully have Canadian scholars contributed to the study of comparative politics How does study of the Canadian case advance the comparative discipline Finally can Canadian practice and policy be reproduced in other countries **Roasting Chestnuts** Ian Stewart,2011-11-01 *Roasting Chestnuts The Mythology of Maritime Political Culture* is a book about outdated political stereotypes The Maritime provinces of New Brunswick Prince Edward Island and Nova Scotia are often regarded as pre modern hinterland in which corrupt practices and traditional loyalties continue to predominate While this depiction of Maritime political life may at one

time have been largely accurate this is no longer the case Employing a variety of indicators this book argues that a new set of political images is needed to capture Maritime political reality today What emerges from the analysis is a picture of Maritime politics which no longer differs markedly from that which exists in the rest of Canada Maritimers no longer exhibit remarkably low levels of political trust and efficacy nor is there a regional political culture which transcends provincial boundaries In fact Maritime political elites have been innovators providing radical departures from Canadian political norms A unique and innovative study Roasting Chestnuts seeks to demystify Maritime politics and expose the flimsy basis for many of the region's lasting political stereotypes
