Prester Quest:

The Prester Quest Nicholas Jubber,2005 In 1177 Pope Alexander III keen to secure a Christian ally from the other side of the Dar al Islam whose reputed wealth would prove invaluable to the Crusades wrote a letter to the elusive King of the Indies otherwise known as Prester John The person the Pope personally selected to deliver this letter into the hand of Prester John was a physician called Master Philip He was never heard of again Eight hundred and twenty four years later armed with a copy of Pope Alexander s letter and with a redoubtable travelling companion from his university days Nick Jubber set out from Venice with the express intention of somewhat belatedly completing Master Philip s mission Over the next four months he would travel by bus train tractor and horse drawn cart around the Eastern Mediterranean through the Middle East and North Africa before homing in on Ethiopia and the closely guarded tomb of a medieval king who legend links with the mythical mystical figure of Prester John From insights into medieval history and mysticism through observations on politics and religious tensions to accounts of eccentric customs ranging from the different names for the Middle Eastern water pipe to the unusual nature of Ethiopian time keeping and the day to day hurdles encountered while travelling through strange sometimes alien lands THE PRESTER QUEST is an ebullient eccentric erudite enlightening and extremely readable account of an extraordinary journey *Teaching the Global Middle Ages* Geraldine Heng,2022-10-28 Offers pedagogical techniques for teaching literature and culture of the medieval world including legends about Alexander and Prester John and contact points such as the Silk Road and the Mongol Empire Gives syllabus suggestions for undergraduate and graduate courses in literature history religion and languages Includes a list of resources *Going Places* Robert Burgin,2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives *Going Places A Reader s Guide to Travel Narratives* meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing [Tudor England](#) Lucy Wooding,2023-01-03 A compelling authoritative account of the brilliant conflicted visionary world of Tudor England When Henry VII landed in a secluded bay in a far corner of Wales it seemed inconceivable that this outsider could ever be king of England Yet he and his descendants became some of England s most unforgettable rulers and gave their name to an age The story of the Tudor monarchs is as astounding as it was unexpected but it was not the only one unfolding between 1485 and

1603 In cities towns and villages families and communities lived their lives through times of great upheaval In this comprehensive new history Lucy Wooding lets their voices speak exploring not just how monarchs ruled but also how men and women thought wrote lived and died We see a monarchy under strain religion in crisis a population contending with war rebellion plague and poverty Remarkable in its range and depth Tudor England explores the many tensions of these turbulent years and presents a markedly different picture from the one we thought we knew [Inventing Africa](#) Robin Derricourt,2011-03-04 Inventing Africa is a critical account of narratives which have selectively interpreted and misinterpreted the continent s deep past Writers have created alluring images of lost cities vast prehistoric migrations and golden ages of past civilisations Debates continue on the African origins of humankind the contributions of ancient Egypt to the world and Africa s importance to global history Images of Africa simplifying a complex and diverse continent have existed from ancient Mediterranean worlds slave trading nations and colonial powers to today s political elites ecotourists and aid givers Robin Derricourt draws on his background as publisher and practitioner in archaeology and history to explore the limits and the dangers of simplifications arguing as with Said s concept of Orientalism that ambitious ideas can delude or oppress as well as inform Defending Africa against some of the grand narratives that have been imposed upon its peoples Inventing Africa will spark new debates in the history of Africa and of archaeology [The Fairy Tellers](#) Nicholas Jubber,2022-05-03 The general reader is unlikely to have met Mr Jubber s other subjects and may be amazed to learn the degree to which these unsung men and women have shaped the fairy tale canon an enthusiastic and enjoyable book The Wall Street Journal A carnival of a book rigorously researched and jostling with life Amy Jeffs author of Storyland Who were the Fairy Tellers In this far ranging quest award winning author Nicholas Jubber unearths the lives of the dreamers who made our most beloved fairy tales inventors thieves rebels and forgotten geniuses who gave us classic tales such as Cinderella Hansel and Gretel Beauty and the Beast and Baba Yaga From the Middle Ages to the birth of modern children s literature they include a German apothecary s daughter a Syrian youth running away from a career in the souk and a Russian dissident embroiled in a plot to kill the tsar Following these and other unlikely protagonists we travel from the steaming cities of Italy and the Levant under the dark branches of the Black Forest deep into the tundra of Siberia and across the snowy fells of Lapland In the process we discover a fresh perspective on some of our most frequently told stories Filled with adventure tragedy and real world magic this bewitching book uncovers the stranger lives behind the strangest of tales [Epic Continent](#) Nicholas Jubber,2019-08-27 Selected as one of NPR s Best Books of 2019 Selected by National Geographic as one of 12 great books for travelers The prose is colourful and vigorous Jubber s journeying has indeed been epic in scale and in ambition In this thoughtful travelogue he has woven together colourful ancient and modern threads into a European tapestry that combines the sombre and the sparkling Spectator A genuine epic Wanderlust Award winning travel writer Nicholas Jubber journeys across Europe exploring Europe s epic poems from the Odyssey to Beowulf the Song of Roland to

the Nibelungenlied and their impact on European identity in these turbulent times. These are the stories that made Europe. Journeying from Turkey to Iceland, award-winning travel writer Nicholas Jubber takes us on a fascinating adventure through our continent's most enduring epic poems to learn how they were shaped by their times and how they have since shaped us. The great European epics were all inspired by moments of seismic change. The Odyssey tells of the aftermath of the Trojan War, the primal conflict from which much of European civilisation was spawned. The Song of the Nibelungen tracks the collapse of a Germanic kingdom on the edge of the Roman Empire. Both the French Song of Roland and the Serbian Kosovo Cycle emerged from devastating conflicts between Christian and Muslim powers. Beowulf, the only surviving Old English epic, and the great Icelandic Saga of Burnt Njal respond to times of great religious struggle, the shift from paganism to Christianity. These stories have stirred passions ever since they were composed, motivating armies and revolutionaries, and they continue to do so today. Reaching back into the ancient and medieval eras in which these defining works were produced and investigating their continuing influence today, Epic Continent explores how matters of honour, fundamentalism, fate, nationhood, sex, class, and politics have preoccupied the people of Europe across the millennia. In these tales, soaked in blood and fire, Nicholas Jubber discovers how the world of gods and emperors, dragons and water maidens, knights and princesses made our own, their deep impact on European identity and their resonance in our turbulent times.

The Journey of the Magi Richard C. Trexler, 2014-07-14. Matthew's Gospel reveals little about the three wealthy visitors said to have presented gifts to the infant Jesus. Yet hundreds of generations of Christians have embellished that image of the Three Kings or Magi for a myriad of social and political as well as spiritual purposes. Here Richard Trexler closely examines how this story has been interpreted and used throughout the centuries. Biblically, the Journey of the Magi presents a positive image of worldly power, depicting the faithful in progress toward their God and conveying the importance of the gift-giving laity as legitimators of their deity. With this in mind, Trexler explains in particular how Western societies have molded the story to describe and augment their own power before the infant God and among themselves. The author demonstrates how the magi as a group functioned in Christian society. For example, magi plays, processions, and images taught people how to pray and behave in reverential contexts; they featured monarchs and heads of republics who enacted the roles of the magi to legitimate their rule, and they constrained native Americans to fall in line behind the magi to instill in them loyalty toward the European world order. However, Trexler also shows these philosopher-kings as competitive among each other, as were groups of different ages, races, and genders in society at large. Originally modeled on representations of the Roman triumphs, the magi have reached the present day as street children wearing crowns of cardboard, proving again the universality of the image for constructing, reinforcing, and even challenging a social hierarchy. durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Shaping of Africa Francesc Relaño,2019-06-04 This title was first published in 2002 When did Africa emerge as a continent in the European mind This book aims to trace the origins of the idea of Africa and its evolution in Renaissance thought Particular attention is given to the relationship between the process of acquiring knowledge through travel and exploration and its representation within a discourse which also includes previously acquired cosmographical elements Among the themes investigated are How did the image of Africa evolve from the conception of a symbolic space to a Euclidean representation How did the Renaissance rediscovery of Antiquity interact with the Portuguese discoveries along the African coast And once Africa was circumnavigated how was the inner landmass depicted in the absence of first hand knowledge Also overall in this whole process what was the interplay of myth and reality **Peoples of the Apocalypse** Wolfram Brandes,Felicitas Schmieder,Rebekka Voß,2016-05-24 This volume addresses Jewish Christian and Muslim future visions on the end of the world focusing on the respective allies and antagonists for each religious society Spanning late Antiquity to the early modern period the collected papers examine distinctive aspects represented by each religion s approach as well as shared concepts *Misadventure in the Middle East* Henry Hemming,2010-11-26 Experience the tale of a hapless young artist Yasmine the pick up and an extraordinary journey across the world The Timbuktu School for Nomads Nicholas Jubber,2016-11-15 A passionate paean to the Sahara New York Times Season s Best Travel Books The Sahara a dream like far away landscape of Lawrence of Arabia and Wilfred Thesiger The English Patient and Star Wars and home to nomadic communities whose ways of life stretch back millennia Today it s a teeth janglingly dangerous destination where the threat of jihadists lurks just over the horizon Following in the footsteps of 16th century traveller Leo Africanus Nicholas Jubber went on a turbulent adventure to the forgotten places of North Africa and the legendary Timbuktu Once the seat of African civilization and home to the richest man who ever lived this mythic city is now scarred by terrorist occupation and is so remote its own inhabitants hail you with the greeting Welcome to the middle of nowhere From the cattle markets of the Atlas across the Western Sahara and up the Niger river Nicholas joins the camps of the Tuareg Fulani Berbers and other communities to learn about their craft their values and their place in the world The Timbuktu School for Nomads is a unique look at a resilient city and how the nomads pit ancient ways of life against the challenges of the 21st century **Drinking Arak Off an Ayatollah's Beard** Nicholas Jubber,2010-05-04 Documents the author s investigation of daily life in Iran and Afghanistan from religious shrines to illegal dance parties and his use of Ferdowsi s epic poem Shahnameh as a key to past and present conflict in the region **Early Orientalism** Ivan Kalmar,2013-06-17 The history of western notions about Islam is of obvious scholarly as well as popular interest today This book investigates Christian images of the Muslim Middle East focusing on the period from the Renaissance to the Enlightenment when the nature of divine as well as human power was

under particularly intense debate in the West Ivan Kalmar explores how the controversial notion of submission to ultimate authority has in the western world been discussed with reference to Islam's alleged recommendation to obey unquestioningly a merciless Allah in heaven and a despotic government on earth He discusses how Abrahamic faiths Christianity and Judaism as much as Islam demand devotion to a sublime power with the faith that this power loves and cares for us a concept that brings with it the fear that on the contrary this power only toys with us for its own enjoyment For such a power Kalmar borrows Slavoj Žižek's term obscene father He discusses how this describes exactly the western image of the Oriental despot Allah in heaven and the various sultans emirs and ayatollahs on earth and how these despotic personalities of imagined Muslim society function as a projection from the West on to the Muslim Orient of an existential anxiety about sublime power Making accessible academic debates on the history of Christian perceptions of Islam and on Islam and the West this book is an important addition to the existing literature in the areas of Islamic studies religious history and philosophy

Adventure in Africa Charles Partee, 2000 The story of Don McClure describes five decades of adventurous commitment to serving some of the most primitive people of Sudan and Ethiopia in the middle years of the 20th century The lively narrative of life among the Shulla Nuer Dinka Anuak and Somali reads like a well-crafted fiction *Adventure in Africa* is a winsome and challenging account of a wonderfully human incredibly brave relentlessly energetic and completely happy man who devoted half a century to East Africa when he was shot to death in 1977

A Compendium of the Earth, and of the People of the Earth, and of the Wars They Fought James Navarra, 2018-08-17 Since the dawn of mankind there has been war And though the cause of each may be different all have one thing in common the quest for power of one man or group over another Explore the entire history of human warfare from the very beginning of humanity to modern times and beyond and witness a lust for power that has not diminished with age

The European Opportunity Felipe Fernández-Armesto, 2019-10-28 These 15 articles follow on from those in *The Global Opportunity* in that they examine how and why the Europeans expanded worldwide Part one explores the means in terms of science technology and material resources part two examines the motives primarily as a result of restricted resources in Europe while part three concludes with the reasons that the expansion continued and grew the momentum

The Quest for Eastern Christians, The Quest for Eastern Christians Francis M. Rogers, 1962-10-11 The *Quest for Eastern Christians* was first published in 1962 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Most writers have considered that the great European explorations during the Age of Discovery were motivated primarily by a thirst for knowledge of other lands desire for international trade or missionary zeal Professor Rogers demonstrates that there was another significant reason why Europeans traveled to the East during the late medieval and Renaissance period This was the dream of a Christian Indies which in turn led to a quest for the Christians of the Farther East The author specifically seeks to establish a direct relation

between the knowledge of Indian and Ethiopian Christians which was available in Jerusalem from early Christian times onward and which returning pilgrims disseminated in the West and the presence of the Portuguese in South India and the Ethiopian highlands in the early sixteenth century Throughout his presentation of the evidence for the chain of events which links Palestinian knowledge with Portuguese action Professor Rogers places emphasis on the early printed books and tracts which circulated both accurate information and rumor Specimen pages from some of these books are reproduced as illustrations and there is a double page chart showing the genealogy of the nations and the sects of the Christians There is a list of the early printed books which the author has used in his study as well as a bibliography

Christianity in India

Clara A.B. Joseph, 2019-03-07 By studying the history and sources of the Thomas Christians of India a community of pre colonial Christian heritage this book revisits the assumption that Christianity is Western and colonial and that Christians in the non West are products of colonial and post colonial missionaries Christians in the East have had a difficult time getting heard let alone understood as anti colonial This is a problem especially in studies on India where the focus has typically been on North India and British colonialism and its impact in the era of globalization This book analyzes texts and contexts to show how communities of Indian Christians predetermined Western expansionist goals and later defined the Western colonial and Indian national imaginary Combining historical research and literary analysis the author prompts a re evaluation of how Indian Christians reacted to colonialism in India and its potential to influence ongoing events of religious intolerance Through a rethinking of a postcolonial theoretical framework this book argues that Thomas Christians attempted an anti colonial turn in the face of ecclesiastical and civic occupation that was colonial at its core A novel intervention this book takes up South India and the impact of Portuguese colonialism in both the early modern and contemporary period It will be of interest to academics in the fields of Renaissance Early Modern Studies Postcolonial Studies Religious Studies Christianity and South Asia The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
