## **Preston Smith The Peoples Governor:**

**Preston Smith** LaMonte L Wells, Wanda Evans, 1999-12-01      *Ralph W. Yarborough, the People's Senator* Patrick L. Cox, 2010-06-28 A compelling biography of a Texas senator who was a defiant dedicated liberal in the face of conservative Southern politics Publishers Weekly Revered by many Texans and other Americans as the People's Senator Ralph Webster Yarborough fought for the little people in a political career that places him in the ranks of the most influential leaders in Texas history The only U S senator representing a former Confederate state to vote for every significant piece of modern civil rights legislation Yarborough became a cornerstone of Lyndon Johnson's Great Society programs in the areas of education environmental preservation and health care In doing so he played a major role in the social and economic modernization of Texas and the American South He often defied conventional political wisdom with his stands against powerful interests and with his vocal opposition to the Vietnam War Yet to this day his admirers speak of Yarborough as an inspiration for public service and a model of political independence and integrity This biography offers the first in depth look at the life and career of Ralph Yarborough Patrick L Cox draws on Yarborough's personal and professional papers as well as on extensive interviews with the senator and his associates to follow Yarborough from his formative years in East Texas through his legal and judicial career in the 1930s decorated military service in World War II unsuccessful campaigns for Texas governor in the 1950s distinguished tenure in the United States Senate from 1957 to 1970 and return to legal practice through the 1980s Although Yarborough's liberal politics set him at odds with most of the Texas power brokers of his time including Lyndon Johnson his accomplishments have become part of the national fabric Medicare recipients beneficiaries of the Cold War GI Bill and even beachcombers on Padre Island National Seashore all share in the lasting legacy of Senator Ralph Yarborough

Statesmen and Mischief Makers: Scott Crass, 2015-08-31 Historically when sweeping policy changes or legislation of indelible consequence are signed into law Presidents receive the credit There is a good reason for that Without the Chief Executive putting his pen to paper these advancements would have nary a chance of becoming reality In most cases though a President's signature is simply the culmination of a long fight to make an idea or actual proposal a reality In fact quite often it is members of Congress who nurture proposals from inception to the President's desk Like a train leaving its first station the legislative process often starts with a handful of people on board until slowly a few more passengers hop on at each stop and before long there is a full car with people standing in the aisles Often times a bill becoming a law is no different

**Twilight of the Texas Democrats** Kenneth Bridges, 2008 In 1978 Republican William P Clements won the race for governor of the Lone Star State marking the start of an interlude of two party competition in the state Eventually Republican ascendancy would once again make Texas a safe place for a single party but not the party that had dominated the state since the end of Reconstruction At the time observers asked whether the election of a Republican governor was a mere flash in the pan For the previous twenty years other races at every level from national to local had made inroads into Democratic

strongholds but that party's dominance by and large had held. In 1978 the situation changed. Now historian Kenneth Bridges drawing on polling data, newspaper reports, archival sources and extensive interviews both confirms the significance of the election and explains the many and complex forces at work in it. He analyzes a wide range of factors that includes the disaffection among Mexican American voters fanned by La Raza Unida, miscalculations by Democrat John Hill and his campaign staff, the superior polling techniques used by Clements, the unpopularity of the Democratic president Jimmy Carter, the changing demographics of the state and the unprecedented spending by the Clements team. In the process Bridges describes not an ideological realignment among Texas voters but a partisan one. *Twilight of the Texas Democrats* illuminates our understanding of both political science and regional history. *Every Man Dies, Not Every Man Lives* Jack R. Stone, 2010-12-27 Jack R. Stonelawyer, banker, rancher, big game hunter and former chairman of the powerful Texas Parks and Wildlife Commission shares the humorous, informative and sometimes dangerous events of his life. In *Every Man Dies, Not Every Man Lives* he tells war stories from his law practice, dwelling on the sometimes humorous and sometimes enlightening aspects of the law. Stone's banking experiences, although detailing both the entertaining and the mundane, also include stories of memorable irate customers and bank robbers pointing a gun in his face and threatening his life. He also shares stories of his political friends including President Lyndon Johnson, Congressman Charlie Wilson, the main character of the movie *Charlie Wilson's War*, and other notable statesmen. Stone's respect and close relationship with the game wardens and their enforcement of the law played an integral part of his life. An avid sportsman, Stone has had a lifelong interest in hunting and fishing, notably participating in trophy hunts in Africa. He also supported and continues to support worthwhile conservation and environmental projects. Indomitable and larger than life, Jack Stone has maintained his sense of humor and lust for life. Learn about his fascinating history in *Every Man Dies, Not Every Man Lives*. [The Power of the Texas Governor](#) Brian McCall, 2010-01-01 George W. Bush called it the best job in the world, yet many would argue that the Texas governorship is a weak office. Given few enumerated powers by the Texas Constitution, the governor must build a successful relationship with the state legislature, sometimes led by a powerful lieutenant governor or speaker of the opposing party to advance his or her policy agenda. Yet despite the limitations on the office and the power of the legislative branch, many governors have had a significant impact on major aspects of Texas's public life: government, economic development, education and insurance reform among them. How do Texas governors gain the power to govern effectively? *The Power of the Texas Governor* takes a fresh look at the state's chief executives from John Connally to George W. Bush to discover how various governors have overcome the institutional limitations of the office. Delving into the governors' election campaigns and successes and failures in office, Brian McCall makes a convincing case that the strength of a governor's personality, in particular his or her highly developed social skills, can translate into real political power. He shows, for example, how governors such as Ann Richards and George W. Bush forged personal relationships with individual legislators to achieve their

policy goals Filled with revealing insights and anecdotes from key players in each administration *The Power of the Texas Governor* offers new perspectives on leadership and valuable lessons on the use of power Let the People In Jan Reid,2012-10-03 This intimate biography of the pioneering Texas governor is required reading for political junkies and for women considering a life in politics Booklist When Ann Richards delivered the keynote of the 1988 Democratic National Convention and mocked President Bush Poor George he can t help it He was born with a silver foot in his mouth she became an instant celebrity and triggered a rivalry that would alter the course of history In 1990 she won the governorship of Texas becoming the first ardent feminist elected to high office in America Richards opened pathways for greater diversity in public service and her achievements created a legacy that transcends her tenure in office In *Let the People In* Jan Reid offers an intimate portrait of Ann Richards s remarkable rise to power as a liberal Democrat in a deeply conservative state Reid draws on his long friendship with Richards as well as interviews with family personal correspondence and extensive research to tell the story of Richards s life from her youth in Waco through marriage and motherhood her struggle with alcoholism and her shocking encounters with Lyndon Johnson and Jimmy Carter Reid shares the inside story of Richards s rise from county office to the governorship as well as her score settling loss of the governorship to George W Bush Reid also describes Richards s final years as a mentor to a new generation of public servants including Hillary Clinton Congressional Record United States. House. Committee on Public Works,1947 **The Mexican American Experience in Texas** Martha Menchaca,2022-01-11 A historical overview of Mexican Americans social and economic experiences in Texas For hundreds of years Mexican Americans in Texas have fought against political oppression and exclusion in courtrooms in schools at the ballot box and beyond Through a detailed exploration of this long battle for equality this book illuminates critical moments of both struggle and triumph in the Mexican American experience Martha Menchaca begins with the Spanish settlement of Texas exploring how Mexican Americans racial heritage limited their incorporation into society after the territory s annexation She then illustrates their political struggles in the nineteenth century as they tried to assert their legal rights of citizenship and retain possession of their land and goes on to explore their fight in the

twentieth century against educational segregation jury exclusion and housing covenants It was only in 1967 she shows that the collective pressure placed on the state government by Mexican American and African American activists led to the beginning of desegregation Menchaca concludes with a look at the crucial roles that Mexican Americans have played in national politics education philanthropy and culture while acknowledging the important work remaining to be done in the struggle for equality Sabine River Basin Comprehensive Study United States. Congress. House. Committee on Public Works. Subcommittee on Flood Control,1969 **Governmental Intervention in the Market Mechanism: the Petroleum Industry** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust and Monopoly,1969

**Democratizing Texas Politics** Benjamin Márquez,2014-02-01 Winner Outstanding Book Award NACCS Tejas Foco Award for Non Fiction National Association for Chicana and Chicano Studies Tejas 2015 By the beginning of the twenty first century Texas led the nation in the number of Latino officeholders despite the state s violent history of racial conflict Exploring this and other seemingly contradictory realities of Texas s political landscape since World War II Democratizing Texas Politics captures powerful interrelated forces that drive intriguing legislative dynamics These factors include the long history of Mexican American activism population growth among Mexican American citizens of voting age increased participation among women and minorities at state and national levels in the Democratic Party beginning in the 1960s the emergence of the Republican Party as a viable alternative for Southern conservatives civil rights legislation and the transition to a more representative two party system thanks to liberal coalitions Culling extensive archival research including party records and those of both Latino activists and Anglo elected officials as well as numerous interviews with leading figures and collected letters of some of Texas s most prominent voices Benjamin M rquez traces the slow and difficult departure from a racially uniform political class to a diverse one As Texas transitioned to a more representative two party system the threat of racial tension and political exclusion spurred Mexican Americans to launch remarkably successful movements to ensure their incorporation The resulting success and dilemmas of racially based electoral mobilization embodied in pivotal leaders such as Henry B Gonzalez and Tony Sanchez is vividly explored in Democratizing Texas Politics

**Lady Bird Johnson** Lewis L. Gould,1999 Gould has dusted off updated and thinned his 1988 Lady Bird Johnson and the Environment to kick off the new series on the wives of US presidents

Preston Smith *The Peoples Governor*: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. *The Secret History* is an exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
