## **Presumed Guilty Brian Mulroney The Airbus Affair And The Government Of Canada:**

**Presumed Guilty** William Kaplan,1998 It promised to be the biggest political scandal of the decade A letter had come to light written by officials of the government of Canada to a Swiss bank which claimed that Brian Mulroney former prime minister of Canada was linked to illegal kickbacks from the sale of thirty four Airbus airplanes to Air Canada a 1988 deal that had cost the publicly owned airline 1.8 billion Rumours of wrongdoing had been circulating for months especially since a March 1995 program on CBC TV's the fifth estate entitled Sealed in Silence On the show it had been suggested that insiders close to the Conservative government had used their connections to seal the deal and had profited handsomely in the process There had been talk of Swiss bank accounts and the involvement of an international business consultant named Karlheinz Schreiber not to mention former premier of Newfoundland Frank Moores who had been a well known Ottawa lobbyist at the time Now in November 1995 the Financial Post published details of the official investigatory letter which claimed the involvement of Brian Mulroney himself Immediately Mulroney responded to press reports with an unprecedented 50 million defamation suit against the federal government and the RCMP amid allegations that he was the one who had leaked the letter and thus libelled himself As journalists circled around the story in a feeding frenzy rumours also began to circulate that certain Liberals had taken an unusually personal interest in the case Was the investigation politically motivated Was it conducted in accordance with normal established practices by the RCMP the Department of Justice and others Who in government knew about the letter and when And who leaked the letter to the Financial Post and why Every Canadian is aware of the bare bones of the story yet no full and objective investigation of what really happened in this case has yet been made Now in **Presumed Guilty** William Kaplan lawyer and author with the complete co operation of the Mulroney team and access to many others involved on both sides of the case has set out to do just that **Presumed Guilty** takes the reader behind the scenes and into the trenches providing a fascinating insider's look at one man's fight to clear his name      **Secret Trial**

William Kaplan,2004 In his bestselling **Presumed Guilty** William Kaplan chronicled the corruption charges surrounding the 1988 1.8 billion purchase by Air Canada of passenger airplanes from European giant Airbus Industries Based on the available evidence he concluded that former Prime Minister Brian Mulroney had been the victim of a campaign of unfounded allegation and reckless innuendo But Kaplan discovered the story was more complicated He sets the record straight in **A Secret Trial** Not long after leaving office Brian Mulroney was paid 300 000 in cash by Karlheinz Schreiber a German Canadian middleman wanted in Germany for bribery and tax evasion Mulroney vehemently denies any wrongdoing When confronted by Kaplan about the unexplained payment the former prime minister declared Anyone who says anything about the 300 000 will be in for one fuck of a fight At the root of Kaplan's investigation laid bare by his determination and insight is a secret trial held in Toronto full of stunning revelations that almost escaped public attention      **Aviation Pioneers of Canada 7-Book Bundle**

**The War Room** Warren Kinsella, 2007-10-04 The term war room in political parlance was coined by the team of U S strategists specifically James Carville who worked for Bill Clinton's first presidential campaign in the early 1990s In a nutshell a war room is a political command centre where a candidate's strategists and media officers work to counter attacks by opponents while gathering research to mount an offensive in an ongoing immediate fashion Warren Kinsella's The War Room profiles and analyzes some of the best political warriors and spinners around He employs personal anecdotes political wisdom culled from his extensive experience on Liberal Party federal and provincial election campaigns historical examples from other Canadian and American campaigns and generous amounts of humour to deliver a book about what it takes to survive challenges not just in politics but in any kind of business or non governmental agency whether it sells music movies cars or computers or raises money to preserve the environment combat cancer or save animals      **Brian Mulroney -**

**The Canadian Forum**, 1998 Issues in Transnational Policing James Sheptycki, 2002-01-04 Globalisation the wired planet the global village these are a few of the terms associated with the social and political changes that are said to describe the world at the beginning of the new millennium One of the most important institutions of the social ordering has been that of policing but very little has been written on how the practices of social control are affected by the processes of transnationalisation This book brings together contributions by experts on policing that focus on some of the newly emergent policing issues connected with these changes the global private security industry cross national networking between police the establishment of an international criminal court money laundering policing cyberspace the drug war Issues in Transnational Policing crosses the boundaries between criminology international relations and international law to provide a thought provoking picture of the complex issues surrounding the politics of policing in the future

**Blocking Public Participation** Byron Sheldrick, 2014-03-25 Strategic litigation against public participation SLAPP involves lawsuits brought by individuals corporations groups or politicians to curtail political activism and expression An increasingly large part of the political landscape in Canada they are often launched against those protesting boycotting or participating in some form of political activism A common feature of SLAPPs is that their intention is rarely to win the case or secure a remedy rather the suit is brought to create a chill on political expression Blocking Public Participation examines the different types of litigation and causes of action that frequently form the basis of SLAPPs and how these lawsuits transform political disputes into legal cases thereby blocking political engagement The resource imbalance between plaintiffs and defendants allows plaintiffs to tie up defendants in complex and costly legal processes The book also examines the dangers SLAPPs pose to political expression and to the quality and integrity of our democratic political institutions Finally the book examines the need to regulate SLAPPs in Canada and assesses various regulatory proposals In Canada considerable attention has been paid to the legalization of politics and the impact on the Charter in diverting political activism into the judicial arena SLAPPs however are an understudied element of this process and in their obstruction of political engagement through recourse to the courts they have profound implications for democratic practice

*Leo* Leo Kolber, L. Ian MacDonald, 2003-10-27 For thirty years Kolber was chairman of Cemp Investments the Bronfman trust and Cadillac Fairview Corporation one of the largest real estate firms in North America He charts his directorship of Dupont and other companies in which the Bronfmans held an important interest and reveals the inner workings of mega deals including the Bronfman

acquisition of MGM in the 1960s The memoir also offers a sobering look at Edgar Bronfman Jr s disastrous decision to sell Seagram s 25 percent interest in DuPont in order to buy MCA Universal Studios a deal that Kolber strongly opposed and which signalled the dissolution of a great business empire      **The Truth Shows Up** Harvey Cashore,2010 The story begins back in 1995 when 29 year old Harvey Cashore a producer for the fifth estate investigating a story about bribes in the airline industry is tipped to a story that Airbus Industrie has paid out millions of dollars to officials in Canada The Truth Shows Up is Harvey Cashore s fascinating story of his more than ten year journalistic odyssey tracking down the story of Airbus and the astonishing charges linking Prime Minister Brian Mulroney to money lender Karlheinz Schreiber Parts of this story have been told before But the most explosive revelations have never been revealed Until now Not only does Cashore have unprecedented access to the tight lipped Schreiber but he has for this book a new and impeccable source that sheds new light on Mulroney s very public denials of wrongdoing As well the book is an unforgettable portrait of the lonely and often very dangerous job of an investigative journalist Cashore was routinely vilified intimidated threatened investigated and twice was sued in increasingly aggressive efforts to stop him from uncovering the truth There were times when he believed his career was over But he would not give up As Schreiber himself candidly told Cashore in 2006 Sooner or later the truth shows up whether you like it or not You just have to wait The Truth Shows Up is as much a political expose as it is a work of personal redemption      **Diplomatic Departures** Kim R. Nossal,Nelson Michaud,2007-10-01 During the nine years that the Conservatives under Brian Mulroney held power in Ottawa Canadian foreign policy underwent a series of important departures from established policy Some of these changes mirrored the major transformations in global politics that occurred during this period as the Berlin Wall was breached the Cold War came to an end and a globalized economy emerged But some of the changes were the results of initiatives taken by the Conservative government The first major scholarly examination of the foreign policy of this period this collection explores and analyzes the many departures from traditional Canadian statecraft that took place during the Mulroney Conservative era free trade with the U S a continentalized energy policy initiatives over the environment and the Arctic the withdrawal of Canadian forces from Europe and the transformation of peacekeeping into peacemaking      *Privacy Law in Canada* Colin H.
