Preternatural Too Margaret Wander Bonanno,2000 This uniquely conceived novel asks whether the intergalactic jellyfish created by the author actually exist or did they create and do they control her **Preternatural 3** Margaret Wander Bonanno,2013-12-03 First it was telepathic jellyfish Then it was a bit of time travel that altered history Or did it But now We re way beyond jellyfish this time baby In the third Preternatural novel our human friend Karen and the alien known as Govannon learn once again that time ain t what it s cracked up to be Govannon s people a k a TQ have always had the knack of transmigrating from There to Here Or is it Here to There But then a timeline hiccupped stranding the entire species between dimensions out of time In short neither Here nor There Meanwhile one of Govannon s human avatars seems to be in two places at once Or is he actually two different people Unless they solve this conundrum Govannon may never find his species or his way back home He ll have to settle for a human life and spend the rest of that life trying not to change anything And we all know how difficult that can be Besides if he goes human on her Karen s will lose him because he ll either be married or dead and she can t decide which would be worse So here we go again Along the way Karen and Govannon intervene in a kidnapping tangle with a group of neo Nazis and encounter a woman who may be the illegitimate daughter of the Nazi mastermind Joseph Goebbels They re even involved in the search for a missing billion dollar Russian art treasure All of which bears a striking resemblance to a spy novel that Karen once wrote but couldn t sell Except this time her fiction turns out to be fact Again Or is it the other way around With her usual stylistic flare Bonanno takes the reader on another roller coaster ride through the M bius strip of time in what is meant to be her swan song in professional publishing before she vanishes into a dimension all her own Be seeing you At the publisher s request this title is being sold without Digital Rights Management software DRM applied **Sequels** Janet G.
