

The background of the cover is a photograph showing the silhouettes of a man and a child standing on a beach. The man is on the left, wearing a dark jacket and a cap, looking out at the ocean. The child is on the right, also in silhouette, looking towards the water. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the wet sand. The sky is a deep purple and blue.

Making Policy Work Peter John, 2011-03-02 Many tools are on offer to politicians and other policy makers when they seek to change policy outcomes Often they choose to concentrate on one set of tools but fail to see the costs as well as the benefits and may not consider the available evidence regarding their effectiveness This innovative new textbook clearly sets out the main tools of government and provides an analysis of their efficacy when applied to public problems Each chapter examines the relative benefits and costs of using a key tool that is available to improve policy outcomes drawing on a diverse literature a large number of empirical studies and a range of contexts Areas covered include governments and policy outcomes law and regulation public spending and taxation bureaucracy and public management institutions information persuasion and deliberation networks and governance Offering a clear and comprehensive evaluation and highlighting the set of powerful tools commonly available this text encourages students to consider the most effective combination in order to manage key issues successfully Including a useful glossary of key terms this book will be of great interest to all students of public policy administration and management

A Handbook for Evidence-Based Juvenile Justice Systems James C. Howell, Mark W. Lipsey, John J. Wilson, Megan Q. Howell, Nancy J. Hodges, 2019-09-18 This revised edition features updated research new developments in technology and recent policy on juvenile delinquency and youth violence The authors underscore the enormous payoff in targeting potential serious violent and chronic juvenile offenders at the earliest opportunity and provide a framework for evidence informed state juvenile justice systems the Comprehensive Strategy for Serious Violent and Chronic Juvenile Offenders This strategy recognizes first that a relatively small proportion of those who enter the juvenile justice system will prove to be serious violent or chronic offenders but that group accounts for a large proportion of overall delinquency Second this strategy builds on the fact that

serious violent or chronic delinquency emerges along developmental pathways allowing earlier identification of juveniles most at risk for later serious offending A third component of this approach is effective intervention capable of reducing the recidivism of those juveniles most at risk for further delinquency This framework emphasizes an evidence based approach to reducing the recidivism of those juveniles most likely to reoffend from intake onward to probation community programs confinement and reentry

RESIDENTIAL BURGLARY George F. Rengert, 2015-11-01 This updated and expanded new edition continues its unique approach and engrossing exploration of the elements of residential burglary Presented in five parts the first is concerned with what is on a burglar's mind when he or she considers whether to commit a burglary and which house to choose The second part is concerned with time and the opportunities and limits it places on both burglar and victim while the third section probes how burglaries are fit into space and the importance of perception of space in the burglary process The fourth section describes how burglars select a home to burglarize and uses Greenwich Connecticut as a model to contrast target and nontarget homes The fifth part reviews some of the nuts and bolts techniques and reasons for their use as described by burglars and addresses elements about housing architecture the burglary process and offers suggestions for controlling the problem of burglary It concludes with a discussion of changes in our lifestyles and communities and how these changes will play out in future patterns of residential burglary The authors draw on in depth interviews with admitted burglars and the inclusion of the ideas and actual words of the burglars brings the material to life The text continues to offer the most unique overview of residential burglary It combines ethnographic research with study of official records and combines the strengths of both approaches
