The Prayer Of Faith Daniel Owusu Yeboah, 2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them The power and true benefits are now shifting to false miracle working prayers Of course there is a place for and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book *The Prayer of Faith Praying with Hope* is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the least we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on

Phillip Keller, 2017-05-02 A fresh look at a famous prayer There is inherent in this prayer all the strength and compassion of our Father in heaven There moves through it a beauty and a serenity which no mortal man can fully explain It reassures our hearts strengthens our resolve and leads us into personal contact with God our Father In this moving book by an ordinary man and a child of God Phillip Keller takes each phrase of the Lord s Prayer one by one unfolding it in wonderful detail and sharing insights he s gained and experiences he s enjoyed Next to Psalm 23 the Lord s Prayer is perhaps the most universally beloved passage in Scripture It has been repeated millions of times by countless individuals for nearly 20 centuries Yet in spite of so much use and familiarity it has never lost its luster A Layman s Look at the Lord s Prayer presents that luster in a fresh way to help you rediscover its incredible power Winner of the ECPA s Top Shelf Cover Award 2017 *The Prayer Ministry of the Church* Watchman Nee, 1995-03 Prayer Ministry of the Church is a collection of five messages on prayer by the great Chinese pastor and teacher Watchman Nee **Hitchhikers Guide to Evangelism ,** *A Balanced Christian Life* Watchman Nee, 1981-12-01 Ephraim is a cake not turned Hosea 7 8 This is a figurative way of saying not balanced The cake is burned on the one side uncooked on the other on one side it is overdone on the other totally undone The cake is unfit to be eaten and is thus destined to be cast out Our God is most balanced He is love and He is light Our Lord Jesus is full of grace and full of truth The Holy Spirit is the Spirit of wisdom as well as of revelation In creation God hath measured the waters in the hollow of his hand and meted out heaven with a span and comprehended the dust of the earth in a measure and the hills in a balance Is 40 12 Concerning redemption it is said that mercy and truth are met together righteousness and peace have kissed each other Truth springeth out of the earth and righteousness hath looked down from heaven Ps 85 10 11 The new creation therefore must be well balanced In this present volume Watchman Nee attempts to show from God s word the perfect equilibrium of divine truth Human nature however is prone to emphasize one side to the exclusion of the other side of truth

This has caused much confusion and many problems among God's people. It is essential that we know the balance of truth and hold on to both sides so that our Christian life may be well rounded as God has ordained. The contents of the book opens with a treatment of the balance between the gate and the way, continues with a presentation of the balance between the objective and the subjective, includes a discussion on the work inward and the work outward in the Christian life as well as on the rest given and the rest found as promised by Christ, contemplates the other side of prayer frequently neglected, namely to watch and concentrates on the other less emphasized aspect of the trespass, offering that of restoration. The book then provides a commentary on the contrast between the truly meek and the spiritually poor and finally concludes with a consideration of the equilibrium that is so necessary between the believer's faith and the believer's walk. May all who read this volume be brought into a balanced Christian life.
