**Quiet Dances** Francisco Delli, 2002-07-18 Is the heart empty or is the heart full It may just concern you Are you happy or are you blue Thus I thought on that rainy afternoon The mind is like a pond whose waters are still and each recurrent thought is like a heavy stone thrown therein The key here are the breaks knowing how to stop Every time I read where wisdom is involved this is what I read this is all they talk      **Bulgarian Folk Dances** Raina Katsarova, Kiril Dzhenev, 1976

Poor Peter Parker All his friends hate him his girlfriend has stopped speaking to him and to top it off the whole world despises Spider Man What's a dude to do How about save the world and maybe meet the new love of his life Fan favorite BRIAN MICHAEL BENDIS NEW AVENGERS and rising star SARA PICHELLI RUNAWAYS bring you a new and exciting Spider Man tale you don't want to miss      **Dancing in the Shadows** Madeline Jimenez, 2024-12-05 In Chicago's vibrant Little Village the air pulses with the rhythm of salsa bachata and the dreams of its residents Rosie Delgado a former ballet prodigy haunted by a silent past has traded pointe shoes for the raw energy of street dance finding solace in her sun-drenched studio a haven for at-risk youth Here dance is more than movement it's a lifeline a language of hope woven into the fabric of the community Mateo Vargas a gifted but troubled student embodies the struggles Rosie faces daily His natural grace masks a life caught in the crossfire of escalating gang violence Rosie sees in him a reflection of her younger self a flicker of potential threatened by the encroaching shadows Into this vibrant precarious world steps Ahmed El Sayed a social worker whose quiet strength resonates in the gentle cadence of his voice Captivated by Rosie's fire and the defiant spirit she ignites in her students Ahmed finds himself drawn into her orbit discovering an unexpected solace in the fiery rhythms of salsa a language that unlocks passions he keeps carefully hidden Together Rosie and Ahmed envision a vibrant dance showcase a fusion of Cuban rumba Egyptian zaffa and the myriad rhythms that echo through Chicago's streets But their shared dream faces mounting threats Mateo's situation worsens as the gang's grip tightens The looming shadow of gentrification threatens to displace them all jeopardizing the studio's very existence And the ghosts of Rosie's past resurface

sharp and jagged threatening the fragile trust she s placed in Ahmed As his traditional Egyptian family arrives Ahmed finds himself torn between the comfort of his heritage and the intoxicating pull of a future with Rosie a future that seems increasingly impossible As the showcase approaches the pressures converge into a storm Mateo makes a desperate choice escalating the danger Rosie withdraws her fear a wall against Ahmed s gentle attempts to reach her The cultural chasms that once drew them together now threaten to swallow their love whole The culminating performance becomes a battleground a fight not just for their students dreams but for their own Rosie fueled by a renewed sense of purpose pours her pain and resilience into a breathtaking performance her voice finally breaking free Ahmed inspired by her courage confronts his family choosing love over tradition

**Neoclassical Music in America** R. James Tobin,2014-07-02 From the 1920s to the 1950s neoclassicism was one of the dominant movements in American music Today this music is largely in eclipse mostly absent in performance and even from accounts of music history in spite of and initially because of its adherence to an expanded tonality No previous book has focused on the nature and scope of this musical tradition Neoclassical Music in America Voices of Clarity and Restraint makes clear what neoclassicism was how it emerged in America and what happened to it Music reviewer and scholar R James Tobin argues that efforts to define musical neoclassicism as a style largely fail because of the stylistic diversity of the music that fall within its scope However neoclassicists as different from one another as the influential Igor Stravinsky and Paul Hindemith did have a classical aesthetic in common the basic characteristics of which extend to other neoclassicists This study focuses in particular on a group of interrelated neoclassical American composers who came to full maturity in the 1940s These included Harvard professor Walter Piston who had studied in France in the 1920s Harold Shapero the most traditional of the group Irving Fine and Arthur Berger his colleagues at Brandeis Lukas Foss later an experimentalist composer whose origins lay in neoclassicism of the 1940s Alexei Haieff and Ingolf Dahl both close associates of Stravinsky and others Tobin surveys the careers of these figures drawing especially on early reviews of performances before offering his own critical assessment of individual works Adventurous collectors of recordings performing musicians concert and broadcasting programmers as well as music and cultural historians and those interested in musical aesthetics will find much of interest here Dates of composition approximate duration of individual works and discographies add to the work s reference value

Kinethic California Dancing Funk and Disco Era Kinships documents the emergence of new forms of black social and vernacular dance invented by youth living in 1970s California who helped build the foundations of contemporary hip hop streetdance culture Naomi Macalalad Bragin weaves interviews and ethnographies of first generation 1960s 70s dancers of strutting boogaloo robotting popping locking waacking and punking styles as it advances a theory of dance as kinetic kinship formation through a focus on techniques and practices of the dancers themselves She offers that the term given to these collective movement practices is kinethic to bring attention to motion at the core of black aesthetics that generate dances as forms of kinship beyond blood relation Kinethics reorient dancers toward kinetic kinship in ways that give continuity to black dance lineages under persistent conditions of disappearance and loss As dancers engage kinethics they reinvent gestural vocabularies that describe worlds they imagine into knowing being The stories in Kinethic California attend to the aesthetics of everyday movement seen through the lens of young artists who from childhood listened to their family s soul and funk records observed the bent leg strolls and rhythmic handshakes of people moving through their neighborhoods and watched each other move at house parties school gyms and around the way social clubs Their aesthetic sociality and geographic movement provided materials for collective study and creative play Bragin attends to such multidirectional conversations between dancer community and tradition by which California dance lineages emerge and take flight      **Music Data Mining**
