Joanne Bertin,2012-11-27 The long awaited sequel to the epic fantasy Dragon and Phoenix and the conclusion of the Dragonlord series In The Last Dragonlord and Dragon and Phoenix Joanne Bertin created a world unlike our own where Dragonlords soar in the skies above the many realms of the land The Dragonlords magic is unique giving them the ability to change from dragon to human form to communicate silently among themselves and other abilities not known to mortals For many millennia the Dragonlords have been a blessing to the world with their great magic and awesome power And though they live far longer than the humans who they resemble when not in their draconic state these fabled changelings are still loyal to their human friends Now in Bard s Oath their magic is not the only power abroad in the world And not all the magic is as benign as theirs Leet a master bard of great ability and vaulting ambition has his own magic but of a much darker nature Years ago death claimed the woman he loved setting him on a course to avenge her death no matter the consequences Now mad with hatred and consumed by his thirst for revenge Leet has set in motion a nefarious plot that ensnares the friend of a Dragonlord using his bardic skills and dark powers only he can summon to accomplish his bitter task Raven a young horse breeder friend of the Dragonloard Linden Rathan is ensnared by Leet and under the bard s spell is one of the bard s unwitting catspaws When accused of a heinous crime Raven turns to Linden and while Dragonlords normally do not meddle in human affairs Linden comes to Raven s aid loath to abandon him in his time of desperate need But Raven and others victimized by Leet are at the mercy of human justice Can even a Dragonlord save them from a dire fate before it is too late At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **Unmoored** Ana Schwartz,2022-12-06 New England s Puritans were devoted to self scrutiny Consumed by the pursuit of pure hearts they latched on to sincerity as both an ideal and a social process It fueled examinations of inner lives governed behavior and provided a standard against which both could be judged In a remote politically volatile frontier settlers gambled that sincerity would reinforce social cohesion and shore up communal happiness Sincere feelings and the discursive practices that manifested them promised a safe haven in a world of grinding uncertainty But as Ana Schwartz demonstrates if sincerity promised much it often delivered more it bred shame and resentment among the English settlers and all too often extraordinary violence toward their Algonquian neighbors and the captured Africans who lived among them Populating her city on a hill with the stock characters of Puritan studies as well as obscure actors Schwartz breathes new life into our understanding of colonial New England *A Time for Thrills* Kuntala Bhattacharya, Dipannita Bhattacherya, Johanny Ortega, Sudipta Seal, Rashmi P.
