Quiet Rumours, 200? Quiet Rumors Farrow Lynne, Peggy Kornegger, Marion Leighton, Voltarine de Cleyre, Carol Ehrlich, 1988-08-01 Quiet Rumours Dark Collective, 2012-08-14 Long out of print a new revised and expanded edition of AK's classic anarcha feminist compendium **Anarcho-Blackness** Marquis Bey, 2020-07-14 Anarcho Blackness seeks to define the shape of a Black anarchism Classical anarchism tended to avoid questions of race specifically Blackness as well as the intersections of race and gender Bey addresses this lack not by constructing a new canon of Black anarchists but by outlining how anarchism and Blackness already share a certain subjective relationship to power a way of understanding and inhabiting the world Through the lens of Black feminist and transgender theory he explores what we can learn by making this kinship explicit including how anarchism itself is transformed by the encounter If the state is predicated on a racialized and gendered capitalism its undoing can only be imagined and undertaken by a political theory that takes race and gender seriously **Anarchafeminism** Chiara Bottici, 2021-11-18 How can we be sure the oppressed do not become oppressors in their turn How can we create a feminism that doesn't turn into yet another tool for oppression It has become commonplace to argue that in order to fight the subjugation of women we have to unpack the ways different forms of oppression intersect with one another class race gender sexuality disability and ecology to name only a few By arguing that there is no single factor or arche explaining the oppression of women Chiara Bottici proposes a radical anarchafeminist philosophy inspired by two major claims that there is something specific to the oppression of women and that in order to fight that we need to untangle all other forms of oppression and the anthropocentrism they inhabit Anarchism needs feminism to address the continued subordination of all femina but feminism needs anarchism if it does not want to become the privilege of a few Anarchafeminism calls for a decolonial and deimperial position and for a renewed awareness of the somatic communism connecting all different life forms on the planet In this new revolutionary vision feminism does not mean the liberation of the lucky few but liberation for all living creatures from both capitalist exploitation and an androcentric politics of domination Either all or none of us will be free Contemporary Anarchist Studies Randall Amster, Abraham DeLeon, Luis Fernandez, Anthony J. Nocella, II, Deric Shannon, 2009-02-10 This volume of collected essays by some of the most prominent academics studying anarchism bridges the gap between anarchist activism on the streets and anarchist theory in the academy Focusing on anarchist theory pedagogy methodologies praxis and the future this edition will strike a chord for anyone interested in radical social change This interdisciplinary work highlights connections between anarchism and other perspectives such as feminism queer theory critical race theory disability studies post modernism and post structuralism animal liberation and environmental justice Featuring original articles this volume brings together a wide variety of anarchist voices whilst stressing anarchism's tradition of dissent This book is a must buy for the critical teacher student and activist interested in the state of the art of anarchism studies Brill's Companion to Anarchism and Philosophy Nathan J.

Jun,2017-09-25 Despite the recent proliferation of scholarship on anarchism very little attention has been paid to the historical and theoretical relationship between anarchism and philosophy Seeking to fill this void Brill s Companion to Anarchism and Philosophy draws upon the combined expertise of several top scholars to provide a broad thematic overview of the various ways anarchism and philosophy have intersected Each of its 18 chapters adopts a self consciously inventive approach to its subject matter examining anarchism s relation to other philosophical theories and systems within the Western intellectual tradition as well as specific philosophical topics subdisciplines and methodological tendencies

Bi Any Other Name Lani Ka'ahumanu, Loraine Hutchins,2015-09-23 I am part of the generation that came of age when Bi Any Other Name was already in print This groundbreaking anthology gave me the language courage and sense of community I needed as a young queer woman Daisy Hernandez A Cup of Water Under My Bed The 25th Anniversary Edition Bi Any Other Name Bisexual People Speak Out first debuted in 1991 This groundbreaking book helped catalyze a national movement for

bisexual identity justice and equality Often dubbed the bisexual bible *Bi Any Other Name* was on Lambda Book Review's Top 100 GLBT Books of the 20th century and became a beloved reference text in many classrooms doctors offices libraries and pulpits A 2007 Mandarin translation was published in Taiwan The new 2015 introduction of this book updates readers to the enormous changes the past quarter century has brought for bi people the larger society and the sexual rights and liberation movement of which we are a part When did you know How did you come out What was your experience The coming out stories in this book speak to the many ways bisexuals embrace realities outside rigid either/or categories throughout the passage of our lives Everyday stories of women men transgender bisexuals teenagers to octogenarians from many different cultures and family arrangements The fierce truth of these lives made visible puts a check on bisexual erasure exposing the binary constructions of gay straight and male female as oversimplifications that reduce spectrums to mere opposites Caught between the mainstream culture's persistent discounting of bisexuality the sensationalizing characterizations presented in media and the sexual liberation movement's continual disregard of bisexuality as a serious identity bisexual people are often not seen or heard when they speak out There is a vital need for these earnest voices to be heard in the new century Enormous cultural changes have occurred in the past 25 years yes but understanding bisexualities has just begun

Nessuna sottomissione Chiara Bottici, 2023-02-17 T00:00:00+01:00 *Nessuna donna sar mai libera se ogni altro essere vivente non lo sar* Abbiamo bisogno di un approccio multiforme al dominio che sia in grado di tenere insieme voci diverse egualmente finalizzate allo smantellamento dell'oppressione Solo un pensiero

anarcademista in grado di rispondere alle sfide del nostro tempo perch tiene insieme la specificit dell oppressione delle donne e la convinzione per cui la lotta contro questa specifica oppressione richiede di affrontare anche tutte le altre Il femminismo non un movimento che ha a che fare solo ed esclusivamente con questioni di donne Costituisce piuttosto una forma di critica dell ordine sociale nella sua globalit Consente di affinare la concezione dell oppressione attraverso un analisi dei modi di dominio interiorizzati e di decostruirli Chiara Bottici propone una teoria filosofica radicale che definisce anarcademista ispirata a due affermazioni principali la prima che c qualcosa di specifico nell oppressione delle donne la seconda che per combatterla dobbiamo districarci tra tutte le altre forme di oppressione e dall antropocentrismo che le caratterizza
