Adams, 2011-09-01 When a parent singles out a child for special privileges and attention that child is often unaware that the relationship is unhealthy even incestuous As adults these children struggle to feel validated because while they have not been directly abused they feel a sense of violation and crossed boundaries usually done in the name of love and caring The parent's love feels more confining than freeing more demanding than giving more intrusive than nurturing Yet these children suffer from what psychologist Kenneth Adams calls *The Silent Seduction* because there is nothing loving or caring about a close parent child relationship that services the needs of the parent rather than the child In this revised and updated 20th anniversary edition of his groundbreaking book *Silently Seduced* Dr Adams explains how feeling close especially with the opposite sex parent is not the source of comfort the image suggests especially when that child is cheated out of a childhood by being a parent's surrogate partner He offers a framework to understand this covert incest and its effect on sexuality intimacy and relationships and how victims can begin the process of recovery Glimmershade Nicholas P.

Come A Little Closer Kim Karr, 2013-03-22 To say things don't always go as planned would be an understatement I met Sarah at the airport Beautiful Sexy And a bit shy She was wobbling on heels that looked a little too big so I offered her my seat At first she rebuffed my invitation but I convinced her to stay My flight had been delayed and I assumed hers had too I figured why not spend the time together One drink led to casual conversation she'd recently been fired and I'd just attended my ex-fiance's wedding Three drinks led to getting a little closer I slid a hand on her thigh and my fingertips under the hem of her skirt Five drinks led to a proposition a hotel room and nothing more After a

mind blowing night of the hottest sex I ve ever had I woke up alone and penniless Turned out Sarah was looking for more just not more of me I should never have offered her my seat I should never have drunk so much And I never should have fallen asleep Not the smartest thing I ve ever done Then again who would have thought my self proclaimed one night stand would screw me in more than the literal sense That hooking up with Sarah would jeopardize everything I ve worked for That Sarah wasn t really Sarah If she thinks things are over between us she s wrong Turns out fate didn t throw me the bird after all Sarah doesn t know it yet but she picked the same tropical island to escape to as I did Can you say payback I can Karma baby Or that s what I thought until I fell for her Too bad things don t always go as planned COME A LITTLE CLOSER is a complete standalone and part of the Imperfect Love Series For more in this series look for THE THING ABOUT LOVE now available
