Them About My Love Milly McDaniel, 2016-10-12 Have you ever had trouble with the idea of the angry God of the Bible Have you ever heard an echo from long ago whispering in your heart You are loved you are Mine and there is none other like you Within the pages of this complex yet beautifully simplistic book you will find answers to many of the questions you have had about life and its meaning and why the key to it all is and always has been Love According to the Bible God IS Love and Jesus says that there are only two groups of people walking the planet the good trees the wheat the children born of Love born of His Father and the bad trees the tares the offspring of darkness and evil The line of demarcation between these two groups is not intellectual decision but the innate ability to love and receive love and you will know each group by the fruit that they bear towards their fellow man Join Milly McDaniel for this decidedly non religious view of life on the planet in this created dimension of time and space Come along on the whimsically delightful journey through the Bible to discover things you may never have seen before as you return to your childlike heart The map of God s plan has been in plain view the whole time but we could not see the forest through the trees or through the religious haze The secret keys and hidden treasures of the Kingdom of Heaven have been cleverly tucked away in front of our faces just waiting for His children of Light to find Most likely you will be challenged as it is probably not what you have been taught or is it Jesus said This is my commandment that ye love one another as I have loved you **These Are Our Bodies, Middle School Parent booklet** Jenny
