## Quincas Borba Espanol:

**Quincas Borba** Machado de Assis, Neusa Pinsard Caccese, 1979      **El español de América** Ángel Rosenblat, María Josefina Tejera, 2002      El Libro español, 1979      **Catálogo español: Authors**, 1980      Estudio contrastivo del régimen verbal en el portugués de Brasil y el español peninsular. Shirley de Sousa Pereira, 2007      **The Evolution of Literature in the Americas** Earl E. Fitz, 2025-03-31 This book offers a systematic and comparative history of the evolution of literature in the Americas from the beginning to the present day It begins with an introduction that assesses the development of the field and then proceeds to a chapter on the literature of Pre Columbian and indigenous America It then moves forward chronologically from the arrival of the Europeans beginning in 1492 to the year 2026 Including indigenous literature the other American literatures represented in the book are those of Canada both Francophone and Anglophone the United States the Caribbean Francophone and Anglophone Spanish America and Brazil Not every book ever written in the Americas is included of course only those that in the author s estimation offer some valid point of comparison with other American literary cultures These points of comparison include issues of theme genre literary periods literature and other disciplines such as history art music or politics cases of influence and reception and translation The book s emphasis is on viewing American literature from a hemispheric and comparative lens      *Interiors and Narrative* Estela Vieira, 2012-12-17 *Interiors and Narrative* shows how crucial interiors are for our understanding of the nature of narrative A growing cultural fascination with interior dwelling so prevalent in the late nineteenth century parallels an intensification of the rhetorical function interior architecture plays in the development of fiction The existential dimension of dwelling becomes so intimately tied to the novelistic project that fiction surfaces as a way of inhabiting the world This study illustrates this through a comparative reading of three realist masterpieces of the Luso Hispanic nineteenth century Machado de Assis s *Quincas Borba* 1891 E a de Queir s s *The Maias* 1888 and Leopoldo Alas s *La Regenta* 1884 1885 The first full length study to juxtapose the renowned writers *Interiors and Narrative* analyzes the authors spatial poetics while offering new readings of their work The book explores the important links between interiors and narrative by explaining how rooms furnishings and homes function as metaphors for the writing of the narrative reflecting on the complex relation between private dwellings and human interiority and arguing that the interior design of rooms becomes a language that gives furnishings and decorative objects a narrative life of their own The story of homes and furnishings in these narratives creates a semiotic language that both readers and characters rely on in order to make sense of fiction and reality      *Pensar el Brasil hoy.
