Quite Contrary A Biblical Reconsideration Of The Apparitions Of Mary:

Quite Contrary Timothy F. Kauffman, 1993 *Quite Contrary* Timothy F. Kauffman, 1997 Such was the promise delivered to St Dominic by the vision of Mary and thus began the popular use of the Rosary and the Scapular In the words of some the Rosary and the Scapular are inseparable and both are still in widespread use today In 1830 the apparition completed its array of religious articles by adding the use of the Miraculous Medal to its other forms of devotion and the Catholic Church has not only approved of their use but has steadfastly encouraged it These three articles all seem to have come from Mary and the devotion they inspire has certainly withstood the test of time Now it is time to see if they can withstand a test by fire In *Quite Contrary* Tim Kauffman details his former devotion to the apparitions of Mary and explains why he abandoned the use of these Marian articles By considering the teachings and rituals of the many apparitions in the world Kauffman explores and ultimately rejects their claims in light of the Bible *Quite Contrary* is the story of a man who was lost in Marian devotion and then set free by the power of God's Word *Quite Contrary* is a Biblical reconsideration of the apparitions of Mary Biblesoft.com **A GOSPEL CONTRARY!** Timothy F. Kauffman, Robert M. Zins, 2023-05-20 One of the foremost and widely recognized Roman Catholic apologists Patrick Madrid published *Answer Me This* to provide factual convincing answers to people's questions about Catholicism Upon inspection we find his answers to be neither factual nor convincing What Madrid has demonstrated for us rather is the typical approach of a Roman Catholic apologist to overwhelm the ignorant and the naïve with sweeping claims historical glosses and logical leaps that crumble under even modest scrutiny When subjected to sober investigation the Roman religion is exposed for the novelty it clearly is Throughout his arguments Madrid criticizes the inquirer for not being familiar with Scripture and history Yet it is Madrid who is ignorant misreading and misunderstanding the source material overplaying his hand and outrunning his coverage at every turn **Fatima Family Messenger**, 1993
