**Essays For Arousal** J.R. Walker, 2024-06-28 Four tantalizing novellas entwine love and lust across centuries In Elizabeth's Story a young countess in the early 19th century defies convention when her innocent curiosity leads to a passionate awakening that transcends social barriers and class distinctions Margary's Story tells the tale of reignited passion between a husband and wife in the tumultuous aftermath of The Third Crusade and the fall of Richard the Lionheart Readers are swept along the corridors of Westminster Palace and the mazes of Greenwich Castle at the dawn of the Tudor dynasty in Cecily's Story A lady in waiting for Henry VII's new queen finds herself irresistibly drawn to a member of the king's inner circle Lastly Elinor's Story transports you to the wilds of Galway County Ireland where a notorious British captain holds a huntress captive for her cunning ability to slay wolves What

begins as a battle of wills transforms into a fiery passion and love that eclipses all others Each novella in *Essays for Arousal* immerses you in a world where love defies boundaries and desire burns brighter than history itself Prepare to be swept away by these tales of romance where every moment pulses with undeniable heat and longing *Kestrel* Michael J.

sequel follows the further adventures of four of the most beloved characters in English literature loyal Mole resourceful Water Rat stern but wise Badger and of course capricious irresistible Toad In this new tale the comfortable bachelor world of the River Bank is thrown into turmoil by the arrival of a formidable female character who seems to win Toad s heart

Recognizing the familiar danger signals his long suffering companions must do all that they can to save the infatuated Toad from himself Enriched once again by the delightful illustrations of Patrick Benson *Toad Triumphant* by William Horwood is another captivating tale for audiences and imaginations everywhere *Tropical Ties, Lethal Lies* Aaron Michael Ricossa, When dedicated nurse Amber a lover of trashy adventure novels finds herself whisked away on her own adventure as a travel nurse in Costa Rica she expects sun sand and maybe a little excitement What she doesn t expect is Banks a strikingly handsome yet stone cold assassin who treats her presence as nothing more than an unwelcome inconvenience As Amber tries to adapt to her new tropical surroundings and unravel the mysteries surrounding her suspicious employer she finds herself drawn deeper into a world of espionage danger and romantic intrigue In a story brimming with mystery heartwarming romance and edge of your seat action will Amber accept Banks s deadly lifestyle and stand by the man she can feel herself falling for Will Banks be able to protect the woman who has brought light into his otherwise dark world Or will their newfound happiness be extinguished by the lurking dangers of his past **Black Thunder** Arna Bontemps,1992-04-01

Gabriel Prosser s 1800 slave revolt allowed Bontemps to warn of the rebellion that would come of poverty and racial oppression This metaphor of revolution is at the same time a highly pertinent representation of black masculinity that will reward students of gender slavery and the sensibilities of the 1930s Nell Irvin Painter **The Common Mind** Philip Pettit,1996-04-18 What makes human beings intentional and thinking subjects How does their intentionality and thought connect with their social nature and their communal experience How do the answers to these questions shape the assumptions which it is legitimate to make in social explanation and political evaluation These are the broad ranging issues

which Pettit addresses in this novel study *The Common Mind* argues for an original way of marking off thinking subjects in particular human beings from other intentional systems natural and artificial It holds by the holistic view that human thought requires communal resources while denying that this social connection compromises the autonomy of individuals And in developing the significance of this view of social subjects this holistic individualism it outlines a novel framework for social and political theory Within this framework social theory is allowed to follow any of a number of paths space is found for intentional interpretation and decision theoretic reconstruction for structural explanation and rational choice derivation But political theory is treated less ecumenically The framework raises serious questions about contractarian and atomistic modes of thought and it points the way to a republican rethinking of liberal commitments **Madonna of the Apes** Nicholas

Kilmer, 2010-05-27 Fred Taylor a veteran of unspecified clandestine services that have caused him to spend hard times in Southeast Asia finds himself at loose ends in Boston A late night chance encounter in the city's Beacon Hill area throws his lot in with eccentric art collector Clayton Reed Reed has been tricked by a young man as unscrupulous as he is ignorant into examining and considering for purchase a collection of paintings whose presence in the U S seems at best informal Fred sensing Reed's naiveté in matters of personal security volunteers to guarantee that security At the same time Reed's acumen as a connoisseur astounds Fred How could Reed just walk away from the situation with what he later gloatingly describes as a prize worth more than the gross domestic product of Bulgaria What Reed has purchased appears to be a painting by one of the most important artists of the Italian Renaissance But is it what it seems Can *The Madonna of the Apes* be a forgery How did it come to be so quietly in Boston These questions propel Reed and Fred into an increasingly murderous tangle guided only by the assurances of a sequence of art dealers who lie as easily as they withhold the truth about the painting its true nature and its history **North and South of Tweed** Jeanie Lang, 1913 **The Killer** Stewart Edward White, 1920 1920

*The Killer* begins I want to state right at the start that I am writing this story twenty years after it happened solely because my wife and Senor Buck Johnson insist on it Myself I don't think it a good yarn It hasn't any love story in it and there isn't any plot Things just happened one thing after the other There ought to be a yarn in it somehow and I suppose if a fellow wanted to lie a little he could make a tail twister out of it Anyway here goes and if you don't like it you know you can quit at any stage of the game See other titles by this author available from Kessinger Publishing **The Wide World's End** James
