Catherine R. Loeb,Susan E. Seering,1987 **Women and Dictionary-Making** Lindsay Rose Russell,2018-04-30

Dictionaries are a powerful genre perceived as authoritative and objective records of the language impervious to personal bias But who makes dictionaries shapes both how they are constructed and how they are used Tracing the craft of dictionary making from the fifteenth century to the present day this book explores the vital but little known significance of women and gender in the creation of English language dictionaries Women worked as dictionary patrons collaborators readers compilers and critics while gender ideologies served at turns to prevent secure and veil women s involvements and innovations in dictionary making Combining historical rhetorical and feminist methods this is a monumental recovery of six centuries of women s participation in dictionary making and a robust investigation of how the social life of the genre is influenced by the social expectations of gender **The History of British Women's Writing, 1750-1830** J. Labbe,2010-08-20 This period witnessed the first full flowering of women s writing in Britain This illuminating volume features leading scholars who draw upon the last 25 years of scholarship and textual recovery to demonstrate the literary and cultural significance of women in the period discussing writers such as Austen Wollstonecraft and Mary Shelley *Subject Guide to Books in Print* ,1993

Books in Print Supplement ,1979 **Those Good Gertrudes** Geraldine J. Clifford,2016-03 This book explores the professional civic and personal roles of women teachers throughout American history Its themes and findings build from the mostly unpublished writings of many women Clifford studied personal history manuscripts in archives and consulted printed autobiographies diaries correspondence oral histories interviews to probe the multifaceted imagery that has surrounded teaching This work surveys a long past where schoolteaching was essentially men s work with women relegated to restricted niches such as teaching rudiments of the vernacular language to young children and socializing girls for traditional gender roles **Feminine Principles and Women's Experience in American Composition and Rhetoric** Louise Phelps,Janet Emig,2020-03-16 In this unique collection the editors and authors examine against a rich historical background the complex contributions that women have made to composition and rhetoric in American education Using varied and at times experimental modes of presentation to portray teachers and learners at work including the very young and the elderly the text provides a generous and fresh feminine perspective on the field Design for Equity Carol Konek,1980

Meditations for New Mothers Beth Wilson Saavedra,1992-01-01 A collection of daily meditations designed to refresh reassure and entertain new mothers covers a wide variety of pertinent subjects including postpartum depression priorities time management and much more Original The New Quotable Woman Elaine Partnow,1993 A collection of notable quotations by over 2 500 women from Eve to Anita Hill arranged chronologically by contributor **Bodied Mindfulness** Winnie Tamm,2010-10-30 I see spirituality and social change to be integrally related to each other I believe that liberation efforts that are supported by spiritual experiences of integration promote human dignity as well as social equality Bodied

Mindfulness combines spiritual social and analytical perspectives to explore topics central to women's development spirituality women's bodies cultural constructions of women's sexuality in language sexual ethics the sexual contract in politics and at work and the relation between nature and culture It is Tomm's deeply held conviction that women need to bring a vital spirituality to feminist social criticism in order to resolve these issues and increase their power to promote social justice and ecological balance Tomm embraces a vast store of knowledge from diverse sources including Buddhist shamanist and feminist resources In a move away from abstract theorizing she explicitly connects theory with realities lived by women Grounding theory in personal experience her own and others Tomm delivers a powerful and empowering account of women's spirituality The resulting ontological transformation allows women to live deeply in the body while strengthening their relation to human and non human matter and energy Bodied Mindfulness will be of great interest to feminist scholars in all disciplines but most particularly to those in Women's Studies and Religious Studies Two Loaf-givers Leonard N. Beck, 1984 Abstract A history of gastronomy derived from information gleaned from the Bitting and Pennell gastronomic library collections translating and interpreting the writings contained in these two collections The second half of the text provides an ambitious interpretation of French gastronomic literature Many illustrative anecdotes are presented throughout the text and a variety of historic prints are included *All About Dad* Dahlia Porter, Gabriel Cervantes, 2007-03-01 With quotes from Whitney Houston Cybill Shepard Burt Reynolds William Shakespeare and Harry S Truman All About Dad is the best way to show a father that he is loved **Feminist Perspectives on Eating Disorders** Patricia Fallon, Melanie A. Katzman, Susan C. Wooley, 1996-10-01 Advancing the literature on a critical topic this important new work illuminates the relationship between the anguish of eating disorder sufferers and the problems of ordinary women The book covers a wide variety of issues from ways in which gender may predispose women to eating disorders to the widespread cultural concerns these problems symbolize Throughout the psychology of women is reflected in the concepts and methods described there is an explicit commitment to political and social equality for women and therapy is reevaluated based on an understanding of the needs of women patients and the potentially differing contributions of male and female therapists Providing valuable insights into the critical problem of eating disorders this book is essential reading for clinicians and researchers alike Also by examining many of the ways in which women are affected by and respond to society's gender politics the book may be used as a text in women's studies courses **Reference Services Review**, 1973
