Parsons Solzhenitsyn and more than eighty others who have had an effect on the contemporary social and political landscape Each is critically examined sometimes positively other times negatively Horowitz was a major figure in his own right and his writing here displays the kind of refreshing frankness experts will expect and the general reader will appreciate The underlying assumption behind the volume giving its disparate parts a unified characteristic is that together these observations on others amount to a general perspective on social science held by the author Whether his larger ambition is accepted or disputed there is no doubt that the volume provides a standard against which to measure the literary quality of writing in the world of professional social research Ideology and Utopia in the United States, 1956-1976 Irving Louis Horowitz,1977 Put on your hardhats and get to work at the construction site Nothing is too big for these heavy duty trucks to load and lift Read along and the building will be up in no time **Joy Is My Middle Name** Sasha Debevec-McKenney,2025-08-05 Hilarious moving and accessible the poems in this extraordinary debut interrogate patriotism in a deeply flawed country In her best imitation of a historian poet Sasha Debevec McKenney combs through the past Joy Is My Middle Name is about crawling through your twenties and emerging into your thirties Walking uneasily through cities and rural towns talking about sex race womanhood addiction sobriety consumerism and pop culture these poems pull at the edges of the performed self with ease This remarkable debut collection showcases Debevec McKenney s intimate assured conversational voice Full of stories character awkward silences and actual jokes Joy Is My Middle Name seamlessly traces the author s search for herself and examines how she gets in her own way brings humor and lightness to rock bottom moments and considers the shamelessly girly as a serious cultural artifact All the while Debevec McKenney uses her own life to get revenge on the version of American history we re taught in school She brilliantly weaves together the political and the personal maps the interior onto the exterior and vice versa Humble giddy ridiculous bold deep empathetic difficult ragged strange erratic and lithe Joy Is My Middle Name is the most open conversation with your greatest friend over the best dinner the buzz of life s perfect and not so perfect moments funneled onto the page My life changed when I found out what I could do with my mouth I licked it all up thirsty as any lifelong learner any other lover of the last drop swallowing everything but what I had to say from WHEN I MET SHARON OLDS SHE TOLD ME TO WRITE A POEM ABOUT LBJ S PENIS *Crisis in American Institutions* Jerome H.
