The Quran When Was It Compiled? Ayatollah Sayed Muhammad al-Shirazi, 2015-01-09 The Holy Qur'an is the eternal celestial message revealed by Allah to His prophet Muhammad Blessings and Peace be upon him and his family so that he might rescue a confused humanity from the darkness of doubt and ignorance to the light of certainty and knowledge for the Qur'an delineates the road of guidance and righteousness in both religious and worldly affairs The Qur'an represents the foundation stone of Islam which Allah has promised to keep free from corruption

The History of The Quranic Text: from Revelation to Compilation Muhammad Mustafa Al-Azami, 2008-01-01 This expansive book provides unique insights into the holy text's immaculate preservation as well as exploring many of the accusations leveled against it The reception of divine revelations Prophet Muhammad's role in disseminating and compiling these verses and the setting of the text's final external shape are scientifically examined alongside such topics as the origins of Arabic the so called Mushaf of Ibn Masud and the strict methodology employed in assembling textual fragments By way of comparison the author investigates the histories of the Old and New Testaments relying entirely on Judeo-Christian sources and uncovers a startling range of alterations in the biblical Scriptures Using this as a springboard he illustrates convincingly that Western research into Islam's Holy Book is motivated by more than mere curiosity and has no scientific bearing on the Quran's integrity This monumental effort a scholarly work composed in an impassioned tone provides a welcome foundation for sincere study at a time when assailing the Quran has become all too common

The volume contributes to a vision of the law as a public order in which the common interest is clarified and implemented peacefully and offers a source of inspiration for scholars and practitioners working towards such an order of human dignity.
