## **Quran A Short Introduction:**

**The Koran** Michael Cook, 2000-02-25 The Koran has constituted a remarkably strong core of identity and continuity for a religious tradition that is now in its fifteenth century This Very Short Introduction explores the significance of the Koran both in the modern world and in traditional Muslim culture Michael Cook provides a lucid and direct account of the Koran as codex as scripture as liturgy and as the embodiment of truth and examines its means of formation and dissemination He also discusses issues of interpretation for certain key verses demonstrating that fecundity of the text for readers throughout the world ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable Islam: A Very Short Introduction Malise Ruthven, 2012-01-26 Islam features widely in the news often in its most militant forms but few people in the non Muslim world really understand its nature Malise Ruthven s Very Short Introduction offers essential insights into the big issues provides fresh perspectives on contemporary questions and guides us through the complex debates The Qur'an Abdullah Saeed, 2008 There is much more to the Qur an than the selective quotations favoured by Islamic fundamentalists This book provides a student friendly guide to the many ways in which the Qur an can be read Designed for both Muslims and Western non Muslim students it examines the Qur an in Western scholarship as well as giving an overview of the rich interpretive traditions from the time of the Prophet Muhammad to the present day This guide is a concise introduction to all aspects of the Qur an history understanding and interpretation providing coverage of both pre modern A New Introduction to Islam Daniel W. Brown, 2017-02-13 Covering the origins key features and legacy of the Islamic tradition the third edition of A New Introduction to Islam includes new material on Islam in the 21st century and discussions of the impact of historical ideas literature and movements on contemporary trends Includes updated and rewritten chapters on the Qur an and hadith literature that covers important new academic research Compares the practice of Islam in different Islamic countries as well as acknowledging the differences within Islam as practiced in Europe Features study questions for each chapter and more illustrative material charts and excerpts from primary sources The Qur'an Oliver Leaman, 2006-05-02 A RUSA 2007 Outstanding Reference Title The Qur an is the source of inspiration for one of the world s major religions followed today by over a billion people It plays a central role in Islam and ever since it appeared fourteen hundred years ago has been the subject of intense debate Some of this has been carried out by Muslims and some by those hostile or indifferent to Islam producing a very wide range of views Authored by forty three international experts the objective of The Qur an An Encyclopedia is to present this diversity of thought approach and school without priority in order to give a strong appreciation of the range of response that the text has provoked throughout its history and providing students and researchers with a powerful one volume resource covering all aspects of the text and its reception Islam and the

Qur'an are much in the news today and there is a public debate going on in which things are said about the Qur'an without much knowledge or understanding of the book. Every effort has been made to help the reader use the Encyclopedia as an investigative tool in Quranic studies. The volume assumes no previous knowledge of the Qur'an, Islam, or Arabic. Technical terms are explained in the text itself, and the style of each entry is designed to be as self-contained as possible. Entries are cross-referenced, and many include a brief bibliography. At the end of the work, there is a substantial annotated bibliography providing a detailed guide to the most significant books, journals, and articles in Quranic Studies. There is a full index. The readership will include those seeking basic information on the Qur'an; however, the substantial number of longer entries means that it will also be used by specialists.

**Encyclopaedia of Islam** Ian Richard Netton, 2013-12-19. This Encyclopedia covers the full range of Islamic thought. It takes substantial note of contemporary trends across the Muslim world, and the material on historical Islam has contemporary reference.

*Introduction to Islam and the Islamic World* Various, 2014-02-13. Combining key titles from both Oxford's Very Short Introductions and Oxford World's Classics series, this collection includes an assortment of books that will enlighten your understanding of Islam. Containing A Very Short Introduction to The Koran, Islamic History, and Islam, plus one of the bestselling versions of the Qur'an, these books provide insight into the religious, historical, and political ideas surrounding the world of Islam. Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology, Politics to Classics, Literary Theory to History, and Archaeology to the Bible. Not simply a textbook of definitions, each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field.

*The Qur'an* Massimo Campanini, 2016-06-17. This second edition of a popular introduction to the Qur'an includes an essential, updated reference guide including a chronology of the revelation, links to internet resources, and suggestions for further reading. Exploring the Qur'an's reception through history, its key teachings, and its place in contemporary thought and belief, this volume analyzes the Qur'an as the word of God, its reception and communication by the Prophet Muhammad, the structure and language of the text, conceptions of God, the holy law, and jihad, and Islamic commentaries on Quranic teachings through the ages.

*The Qur'an: The Basics* Second Edition is a concise and accessible introduction.

**Muhammad: A Very Short Introduction** Jonathan A.C. Brown, 2011-03-24. Drawing on traditional Muslim sources, Michael Cook describes Muhammad's life and teaching. He also attempts to stand back from this traditional picture to show how far it is historically justified.

**The Penguin Dictionary of Islam** Azim Nanji, 2008-04-24. Islam today is a truly global faith, yet it remains somewhat of an enigma to many of us. Each and every day, our newspapers are saturated with references to Islam, Quran, Taliban, Hijab, Fatwa, Allah, Sunni, Jihad, Shia; the list goes on. But how much do we really understand? Are we in fact misunderstanding? The Penguin Dictionary of Islam provides complete, impartial answers. It includes extensive coverage of the historical formations of the worldwide Muslim community and highlights key modern Muslim figures and events. Understanding Islam is vital to understanding our

world and this text is the definitive authority designed for both general and academic readers Historical Dictionary of Islam Ludwig W. Adamec, 2016-12-14 Muslims believe that the Koran is God's message in Arabic revealed through the medium of the Prophet Muhammad for the guidance of the Arabs and subsequently for all humanity There is both unity and variety in the Islamic world Muslims are not a homogeneous people who can be explained solely by their normative texts the Koran and the Sunnah Muslims differ vastly in their interpretation of Islam modernists want to reinterpret Islam to adapt to the requirements of modern times while traditionalists tend to look to the classical and medieval periods of Islam as their model of the Islamic state This third edition of Historical Dictionary of Islam contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on major sects schools of theology and jurisprudence as well as aspects of Islamic culture This book is an excellent resource for students researchers and anyone wanting to know more about Islam

**The Koran For Dummies** Sohaib Sultan, 2011-03-04 With the current turmoil in the Middle East there is a growing interest about Islam the world's second largest religion and one of the fastest growing and its holy book the Koran or Qur'an Now with this easy to follow plain English guide you can explore the history structure and basic tenets of Islam's sacred scripture The Koran For Dummies is for non Muslims interested in the Koran as well as Muslims looking to deepen their understanding Islamic scholar Sohaib Sultan provides a clear road map revealing The meaning of Koran and its basic message The Koran's place in history and in Islamic spiritual life Explanations of its language structure and narrative style How to live by the Koran's teachings The Koran's role in key global issues such as Jihad vs terrorism Different interpretations of the Koran No other book provides such a straightforward look at what the Koran says how it says it and how believers live according to its guidance From how the Koran was received by Mohammed and how it was compiled to how it's interpreted by Islam's two main branches you'll see how to put the Islamic faith in perspective Plus you'll discover What the Koran really says about women and civil law How Islam relates to Judaism and Christianity The Koran's view of God prophets mankind and the self How its teachings are lived and recited every day by devout Muslims Common misconceptions of the Koran How to raise a family the Koranic way Complete with lists of important passages Koranic terminology famous quotes and further reading resources The Koran For Dummies makes it easy and enjoyable for you to grasp the teachings and significance of Islam's holy book

Against the Darkness Graham A. Cole, 2019-11-12 Many Christians live as though they are effectively alone in the world However there is another realm of intelligent life that plays a role in the world angelic beings This book explores the doctrine of angels and demons answering key questions about their nature and the implications for Christians beliefs and behavior helping readers see their place in the larger biblical plotline that includes supernatural beings An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ's victory on the cross

**Religious Perspectives in Modern Muslim and Jewish Literatures** Glenda Abramson, Hilary Kilpatrick, 2006 This

book brings together fascinating discussions of the way in which Muslim and Jewish beliefs and practices are represented in modern literary texts of poetry fiction and drama The chapters collected here consider elements of the expression of Judaism and Islam in modern literature Key topics such as religious ideas and teachings aspects of mysticism the tenets of religion uses made of sacred texts religion and popular culture and reflections of religious controversies are covered While there is an embodied comparative element to the chapters the essays are not confined by comparisons and cover a wide range of the literary expression of religious issues With contributions from a group of international scholars all of whom are experts in the field and each of whom has brought a particular perspective to the topic this book is a significant contribution to and will stimulate further research on the various literatures treated reflection on comparative work on these two cultural traditions and new interest in literary expressions of religion and religiousness in general

**The Complete Idiot's Guide to the Koran** Brandon Toropov, Muhammad Shaykh Sarwar, 2003-10-07 A simple explanatory guide to Islam's central text Taking the same approach as the bestselling *The Complete Idiot's Guide to the Bible* this book presents a balanced overview of the Koran explaining not only the flow of the Koran but also what it has to say about Allah and humanity virtue justice life on earth the afterlife women love unbelievers faith and tradition *The Complete Idiot's Guide to the Koran* is your cover to cover companion to this sacred and sometimes complicated holy text In this *Complete Idiot's Guide* you get A foolproof introduction to the fundamental themes of the holy Koran Expert advice on how to approach the book when you a translation of it yourself Ten things that make the Holy Koran unique among the world's holy text Inspiring tips on how to overcome the challenges non Muslim face when reading the Koran

*The Nigerian Nation and Religion.* Hyacinth Kalu, 2011-06-15 This book which is the first of a three volume series of interfaith relationships in Nigeria presents Nigeria as a multi ethnic and multi religious nation with religion controlling almost every aspects of life It highlights the deep rooted religious divide in Nigeria and looks into various ways that we can move beyond the religious bitterness existing among the three dominant religions in Nigeria African traditional religion Islam and Christianity and live work and co exist peacefully with one another as sisters and brothers Although this volume begins with the history of Nigeria as nation its primary interest and indeed the interest of the entire series is not with the politics economics and culture of the Nigerian people per se its primary focus is the religion of the people Hence it is a study of African Traditional Religion Islam and Christianity in Nigeria The focus is not the theological and dogmatic

principles and faith life of these religions nor the individual and various sects within these religions rather these religions are studied from the standpoint of interfaith encounter and relationships as a requisite for peace unity and harmony in Nigeria

*No Peace Without Prayer* Timothy Wright, 2013-11-07 Abbot Timothy Wright proposes sowing a small seed from which might grow a greater respect between the world's two largest religions Christianity and Islam Indeed he believes that the seed has already been planted Christians give unique value to their revealed Scriptures as the Word of God Muslims speak of the Qur'an as God speaking to them In *No Peace without Prayer* Wright presents the case for developing this faith in the Word of God to establish groups of Christians and Muslims dedicated to sharing their respective Divine Word in ways that enhance the other This is not a tussle for converts but a way into greater mutual understanding under the eye of the God who communicates this Word to create a new shared memory Such is a work of prayer a prayer that could lead to greater peace The key word says Wright is partnership arising from their shared belief in the One God creator of the universe communicating with the human world and merciful to the repentant

*Principles of Islamic International Criminal Law* Farhad Malekian, 2011-06-22 While the system of international law is improving enormously and certain legal provisions are becoming an integral part of jus cogens norms this body of law must be studied together with other systems which have basically been effective in its development The principles of the rule of law must be evaluated collectively rather than selectively In fact most Islamic nations have ratified the ICC Statute They have thereby contributed to the establishment of the pillars of morality equality peace and justice At the same time those pillars may be strengthened by means of an accurate interpretation of the principles of international criminal laws by all parties The objective of these comparative philosophies is to examine their core principles similarities and differences The intention is to indicate that the variation in theories may not obstruct the legal implementation of international criminal law if their dimensions are judged objectively and with the noblest of motives towards mankind
