

Rabbit Angstrom a Tetralogy :  
(Rabbit Run,rabbit Redux,rabbit Is  
Rich and Rabbit at Rest)

Updike, John

# Rabbit Angstrom A Tetralogy

**John Sutherland**

## **Rabbit Angstrom A Tetralogy:**

**Rabbit Angstrom** John Updike, 1995-10-17 The four novels in the acclaimed Rabbit series including the Pulitzer Prize winners *Rabbit is Rich* and *Rabbit at Rest* brought together in a single volume from one of the most gifted American writers of the twentieth century When we first met him in *Rabbit Run* 1960 the book that established John Updike as a major novelist Harry Rabbit Angstrom is playing basketball with some boys in an alley in Pennsylvania during the tail end of the Eisenhower era reliving for a moment his past as a star high school athlete Athleticism of a different sort is on display throughout these four magnificent novels the athleticism of an imagination possessed of the ability to lay bare with a seemingly effortless animal grace the enchantments and disenchantments of life Updike revisited his hero toward the end of each of the following decades in the second half of this American century and in each of the subsequent novels as Rabbit his wife Janice his son Nelson and the people around them grow these characters take on the lineaments of our common existence In prose that is one of the glories of contemporary literature Updike has chronicled the frustrations and ambiguous triumphs the longuers the loves and frenzies the betrayals and reconciliations of our era He has given us our representative American story This Rabbit Angstrom volume is composed of the following novels *Rabbit Run* *Rabbit Redux* *Rabbit is Rich* and *Rabbit at Rest*

John Updike's Rabbit Angstrom Loreta Ulvydiene, 2004      **You are What You Eat** Annette M. Magid, 2009-10-02 You are What You Eat Literary Probes into the Palate offers tantalizing essays immersed in the culture of food expanded across genres disciplines and time The entire collection of You Are What You Eat includes a diversity of approaches and foci from multicultural national and international scholars and has a broad spectrum of subjects including feminist theory domesticity children film cultural history patriarchal gender ideology mothering ideology queer theory politics and poetry Essays include studies of food related works by John Milton Emily Dickinson Fay Weldon Kenneth Grahame Roald Dahl Shel Silverstein J K Rowling Mother Goose John Updike Maxine Hong Kingston Alice Walker Amy Tan Louise Erdrich Amanda Hesser Julie Powell Mary Wilkins Freeman Martin Scorsese Bob Giraldo Clarice Lispector Jos Ant nio Garcia Fran Ross and Gish Hen The topic addresses a range of interests appealing to diverse audiences expanding from college students to food enthusiasts and scholars

*John Updike's Rabbit Angstrom a Tetralogy : Beyond Historical Meanings and Assumptions : Summary of Doctoral Dissertation Humanities, Philology* Loreta Ulvydiene, 2004      **John Updike's Rabbit Tetralogy** Marshall

Boswell, 2001 Structure of the finished mega novel echoes the work s thematic rationale To help readers who are interested in a particular Rabbit novel Boswell devotes a chapter to each individual section of the tetralogy At the same time he treats each novel as an integral part of the more comprehensive whole Book Jacket      **John Updike's Rabbit Tetralogy** Marshall Boswell, 2001 Boswell shows that although each of the four individual Rabbit novels confirms this dialectical strategy in a unique way the completed tetralogy comprises an additional series of dialectical pairs that sustain rather than resolve thematic and formal tension Ultimately the structure of the finished mega novel echoes the work s thematic rationale To help

readers who are interested in a particular Rabbit novel Boswell devotes a chapter to each individual section of the tetralogy At the same time he treats each novel as an integral part of the more comprehensive whole BOOK JACKET The Cambridge Companion to the Twentieth-Century American Novel and Politics Bryan M. Santin,2023-10-12 This volume analyzes how political movements ideas and events shaped the American novel *The Cambridge Companion to John Updike* Stacey Olster,2006-04-06 John Updike is one of the most prolific and important American authors of the contemporary period with an acclaimed body of work that spans half a century and is inspired by everything from American exceptionalism to American popular culture This Companion joins together a distinguished international team of contributors to address both the major themes in Updike s writing as well as the sources of controversy that Updike s writing has often provoked It traces the ways in which historical and cultural changes in the second half of the twentieth century have shaped not just Updike s reassessment of America s heritage but his reassessment of the literary devices by which that legacy is best portrayed With a chronology and bibliography of Updike s published writings this is the only guide students and scholars of Updike will need to understand this extraordinary writer Globalizing Automobilmism Gijs Mom,2020-08-07 Why has car society proven so durable even in the face of mounting environmental and economic crises In this follow up to his magisterial *Atlantic Automobilmism* Gijs Mom traces the global spread of the automobile in the postwar era and investigates why adopting more sustainable forms of mobility has proven so difficult Drawing on archival research as well as wide ranging forays into popular culture Mom reveals here the roots of the exuberance excess and danger that define modern automotive culture

*The Moderate Imagination* Yoav Fromer,2020-05-07 In the aftermath of Donald Trump s victory in 2016 Americans finally faced a perplexing political reality Democrats purported champions of working people since the New Deal had lost the white working class voters of Middle America For answers about how this could be Yoav Fromer turns to an unlikely source the fiction of John Updike Though commonly viewed as an East Coast chronicler of suburban angst the gifted writer in fact a native of the quintessential Rust Belt state Pennsylvania was also an ardent man of ideas political ideas whose fiction Fromer tells us should be read not merely as a reflection of the postwar era but rather as a critical investigation into the liberal culture that helped define it Several generations of Americans since the 1960s have increasingly felt left behind In Updike s early work Fromer finds a fictional map of the failures of liberalism that might explain these grievances *The Moderate Imagination* also taps previously unknown archival materials and unread works from his college years at Harvard to offer a clearer view of the author s acute political thought and ideas Updike s prescient literary imagination Fromer shows sensed the disappointments and alienation of rural white working and middle class Americans decades before conservatives sought to exploit them In his writing he traced liberalism s historic decline to its own philosophical contradictions rather than to only commonly cited external circumstances like the Vietnam War racial strife economic recession and conservative backlash A subtle reinterpretation of John Updike s legacy Fromer s work complicates and enriches our understanding of one of the

twentieth century's great American writers even as the book deftly demonstrates what literature can teach us about politics and history *The 100 Greatest Literary Characters* James Plath, Gail Sinclair, Kirk Curnutt, 2019-07-15 From Captain Ahab to Yuri Zhivago discover the most remarkable characters in fiction Huckleberry Finn Anna Karenina Harry Potter Hester Prynne these are just a handful of remarkable characters found in literature but of course the list is virtually endless But why ponder which of these creations are the greatest More than just a topic to debate with friends the greatest characters from fiction help readers comprehend history culture politics and even their own place in today's world Despite our reliance on television film and technology it is literature's great characters that create and reinforce popular culture informing us again and again about society and ourselves In *The 100 Greatest Literary Characters* James Plath Gail Sinclair and Kirk Curnutt identify the most significant figures in fiction published over the past several centuries The characters profiled here represent a wide array of storytelling and the authors explore the significance of the figures at the time they were created as well as their relevance today Included in this volume are characters from literature produced around the world such as Aladdin James Bond Holden Caulfield Jay Gatsby Hercule Poirot Don Quixote Lisbeth Salander Ebenezer Scrooge Jean Valjean and John Yossarian Readers will find their beloved literary figures learn about forgotten gems or discover deserving choices pulled from history's dustbin Providing insights into how literature shapes and molds culture via these fabricated figures *The 100 Greatest Literary Characters* will appeal to literature lovers around the globe **Understanding John**

**Updike** Frederic Svoboda, 2018-04-01 A close look at the extraordinary literary achievements of a popular and prolific American author The winner of every major American literary prize John Updike 1932-2009 was one of the most popular and prolific novelists of his time and a major cultural figure who traced the high point and fall of midcentury American self confidence and energy A superb stylist with sixty books to his credit he brilliantly rendered the physical surfaces of the nation's life even as he revealed the intense longings beneath those surfaces In *Understanding John Updike* Frederic Svoboda elucidates the author's deep insights into the second half of the twentieth century as seen through the lives of ordinary men and women He offers extended close readings of Updike's most significant works of fiction templates through which his entire oeuvre may be understood A small town Pennsylvanian whose prodigious talent took him to Harvard a staff position at the New Yorker and ultimately a life in suburban Massachusetts where the pace of his literary output never slowed Updike was very much in the American cultural tradition His series of Rabbit Angstrom novels strongly echo Sinclair Lewis's earlier explorations of middle America while *The Witches of Eastwick* and related novels are variations on Nathaniel Hawthorne's nineteenth century classic *The Scarlet Letter* His number one best seller *Couples* examines what Time magazine called the adulterous society in the last year of the Kennedy administration following the nation's fall from idealism into self centeredness *Understanding John Updike* will give both new readers and those already familiar with the author a firm grasp of his literary achievement This outline of Updike's professional career highlights his importance in the life of the

nation not only as a novelist but also as a gifted essayist reviewer cultural critic and poet      **Rabbit (un)redeemed** Peter J. Bailey, 2006 This book approaches Updike's oeuvre by illuminating its ongoing pervasive conflict between faith and doubt Concentrating on a trio of Olinger stories the Rabbit Angst tetralogy *In the Beauty of the Lilies* and *Rabbit Remembered* and dramatizing most emphatically Updike's career spanning dialogue with his complexly fragile religious beliefs Bailey interprets the Rabbit saga as fictionalized spiritual autobiography in which through imposing Harry Angst's perceptual limitations upon his own stylistic gifts Updike set himself the toughest trial of his ethical and aesthetic creed of the spirit affirming capacities of human perception and expression      **European Perspectives on John Updike** Laurence W. Mazzeno, Sue Norton, 2018 From his first book publication in 1958 the American writer John Updike attracted an international readership His books have been translated into twenty three languages and he has always had a strong following in the United Kingdom and in Europe Although Updike died in 2009 interest in his work remains strong among European scholars No recent volume however collects diverse European views on Updike's oeuvre The current book fills that void presenting essays that perceive Updike's renditions of America through the eyes of scholar readers from both Western and Eastern Europe back cover      *Updike and the Patriarchal Dilemma* Mary O'Connell, 1996 A disturbing element exists O'Connell determines in both the texts of the Rabbit novels and in the critical community that examines them In the novels O'Connell finds substantial evidence to demonstrate patterns of psychological and physical abuse toward women citing as the culminating example the mounting toll of literally or metaphorically dead women in the texts      *The Dream of the Great American Novel* Lawrence Buell, 2014-02-10 The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying 150 years of attempts to dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates One illustrated by *The Scarlet Letter* is the adaptation of the novel's story line by later writers often in ways that are contrary to the original author's own design Other aspirants including *The Great Gatsby* and *Invisible Man* engage the American Dream of remarkable transformation from humble origins A third script seen in *Uncle Tom's Cabin* and *Beloved* is the family saga that grapples with racial and other social divisions Finally mega novels from *Moby Dick* to *Gravity's Rainbow* feature assemblages of characters who dramatize in microcosm the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction      *The John Updike Encyclopedia* Jack De Bellis, 2000-09-30 John Updike is one of the

most seminal American writers of the 20th century and one of the most prolific as well. In addition to his best selling novels he has written numerous poems, short stories, reviews, and essays. His writing consistently reveals stylistic brilliance and through his engagement with America's moral and spiritual problems, his works chronicle America's hopes and dreams, failures, and disappointments. Though he is an enormously popular writer, the complexity and elegance of his works have elicited growing scholarly attention. Through several hundred alphabetically arranged entries, this book provides both casual and serious readers an exceptional guide to his life and writings. Whether the reader is seeking a novel summary, an authoritative analysis of subjects, elucidation of an allusion, or a point about Updike's life or manner of composition, the encyclopedia is indispensable. A chronology summarizes the major events in Updike's career, while an introductory essay examines his progress as a writer, from his crafted light verse and informed reviews to his innovative novels and stories. The entries that follow summarize Updike's books, describe all major characters, explain allusions, identify major images and symbols, analyze principal subjects, discuss his life and career, and draw on the most significant scholarship. Entries include bibliographies, and the volume closes with a list of works for further reading.

Updike and Politics Scott Dill, Matthew Shipe, 2019-06-27. Presenting the first interdisciplinary consideration of his political thought, *Updike and Politics* New Considerations establishes a new scholarly foundation for assessing one of the most recognized and significant American writers of the post-1945 period. This book brings together a diverse group of American and international scholars, including contributors from Japan, India, Israel, and Europe. Like Updike himself, the collection canvases a wide range of topics, including Updike's too often overlooked poetry and his single play. Its essays deal with not only political themes such as the traditional aspects of power, rights, equality, justice, or violence, but also the more divisive elements in Updike's work, like race, gender, imperialism, hegemony, and technology. Ultimately, the book reveals how Updike's immense body of work illuminates the central political questions and problems that troubled American culture during the second half of the twentieth century, as well as the opening decade of the new millennium.

*Pacific Automobility* Gijs Mom, 2022-09-13. The beginning of the 21st century has seen important shifts in mobility cultures around the world, as the West's media-driven car culture has contrasted with existing local mobilities, from rickshaws in India and minibuses in Africa to cycling in China. In this expansive volume, historian Gijs Mom explores how contemporary mobility has been impacted by social, political, and economic forces on a global scale, as in light of local mobility cultures, the car as an adventure machine seems to lose cultural influence in favor of the car's status character.

*How to be Well Read* John Sutherland, 2014-05-08. Generous, enjoyable, and well-informed. Observer 500 expertly potted plots and personal comments on a wide range of pop and proper prose fiction. The Times

---

Ranging all the way from Aaron's Rod to Zuleika Dobson, via *The Devil Rides Out* and *Middlemarch*, literary connoisseur and sleuth John Sutherland offers his very personal guide to the most rewarding, most remarkable, and on occasion most shamelessly enjoyable works of fiction ever written. He brilliantly captures

the flavour of each work and assesses its relative merits and demerits He shows how it fits into a broader context and he offers endless snippets of intriguing information did you know for example that the Nazis banned Bambi or that William Faulkner wrote *As I Lay Dying* on an upturned wheelbarrow that Voltaire completed *Candide* in three days or that Anna Sewell was paid 20 for *Black Beauty* It is also effectively a history of the novel in 500 or so wittily informative bite sized pieces Encyclopaedic and entertaining by turns this is a wonderful dip in book whose opinions will inform and on occasion no doubt infuriate \_\_\_\_\_ Anyone hooked on fiction should be warned this book will feed your addiction Mail on Sunday A dazzling array of genres periods styles and tastes chatty insightful unprejudiced but not uncritical and wise Times Literary Supplement
