The Moderate Imagination also taps previously unknown archival materials and unread works from his college years at Harvard to offer a clearer view of the author's acute political thought and ideas Updike's prescient literary imagination Fromer shows sensed the disappointments and alienation of rural white working and middle class Americans decades before conservatives sought to exploit them In his writing he traced liberalism's historic decline to its own philosophical contradictions rather than to only commonly cited external circumstances like the Vietnam War racial strife economic recession and conservative backlash A subtle reinterpretation of John Updike's legacy Fromer's work complicates and enriches our understanding of one of the twentieth century's great American writers even as the book deftly demonstrates what literature can teach us about politics and history Encyclopedia of Country Living, 50th Anniversary Edition Carla Emery, 2025-08-05 OVER 1 MILLION COPIES SOLD The 50th anniversary edition of the classic manual for sustainable living with 1 000 pages covering basic country skills and wisdom for living off the land Whether you re homesteading prepping or living off grid keep your family healthy safe and self sufficient no matter what s going on in the world From homesteaders to urban farmers and everyone in between there is a desire for a simpler way of life a healthier and self sufficient natural lifestyle that allows you to survive and thrive even in uncertain times Carla Emery's classic guide will teach you how to live off the grid be prepared and do it yourself Can dry and
