Rabindranath Tagore I Wont Let You Go Selected Poems

Rabindranath Tagore

Rabindranath Tagore I Won't Let You Go Selected Poems:

I Won't Let You Go Rabindranath Tagore, 2011 In this stunning collection of poems by Nobel laureate Rabindranath Tagore acclaimed translator Ketaki Kushari Dyson brilliantly captures the energy and lyricism of the legendary poet's verses. The title poem evokes the inner turmoil of a man who must return to the drudgery of work after visiting his home for the Durga Puja vacation. Haunted by his four-year-old daughter's parting words, "I won't let you go," he finds his anguish reflected in the vagaries of nature, with the earth echoing his pain. The other poems in this collection brim with Tagore's compassionate humanity and delicate sensuousness. From detailing the nuances of intimate relationships to ruminating on the vast cosmos, these poems glow with a burning awareness of man's place in the universe, reaffirming Tagore's reputation as one of India's greatest modern poets. In what a profound sadness are sky and earth immersed. The further I go, the more I hear the same piteous note, "I won't let you go." *I Won't Let You Go* Rabindranath Tagore, 2010 Poetry Book Society Recommended Translation Rabindranath Tagore 1861-1941 is India's greatest modern poet and the most brilliant creative genius produced by the Indian Renaissance. As well as poetry, he wrote songs, stories, and novels, plays, essays, memoirs, and travelogues. He was both a restless innovator and a superb craftsman, and the Bengali language attained great beauty and power in his hands. He created his own genre of dance drama and is one of the most important visual artists of modern India. He won the Nobel Prize for Literature in 1913. Tagore's poetry has an impressive wholeness, a magnificent loving warmth, a compassionate humanity, a delicate sensuousness, an intense sense of kinship with nature, and a burning awareness of man's place in the universe. He moves with effortless ease from the literal to the symbolic, from the part of the whole, from a tiny detail to the vast cosmos. He is religious in the deepest sense, wavering between a faith that sustains the spirit in times of crisis or fills it with energy and joy in times of happiness, and a profound questioning that can find no enduring answers. To him, the earth is a vulnerable mother who clings to all her offspring, saying, "I won't let you go," to the tiniest blade of grass that springs from her womb, but who is powerless to prevent the decay and death of her children. This is the revised and enlarged second edition of a substantial selection of Tagore's poems and songs, translated with an illustrated introduction, notes, and glossary by the bilingual writer Ketaki Kushari Dyson, who lives in Oxford. Poet, novelist, playwright, translator, linguist, and critic, she is one of the outstanding Bengali writers of her generation and has published more than thirty titles in her two languages, including acclaimed scholarly works on Tagore. Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06. Reader's Guide to Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature, from Anglo-Saxon times to the current American, British, and Commonwealth scene. It is designed to help students, teachers, and librarians choose the most appropriate books for research and study. **Discourses of Empire and Commonwealth** Sandra Robinson, Alastair Niven, 2016-11-01. In *Discourses of Empire and Commonwealth*, a range of prominent writers and critics reflect on the legacy of imperialism and the role of writers in forging a new more

cosmopolitan identity The contributors writing about a wide range of countries affirm the freedom of the human spirit even within unjust or oppressive social systems They show the power of words to illuminate injustices and unite different peoples Salman Rushdie famously declared that Commonwealth Literature has had its day this book provides a vital antidote to this idea Editors Sandra Robinson and Alastair Niven have put together this mixture of personal reflections critical overviews historical re evaluations and creative works to illustrate the vitality of this genre **“Gitanjali” of Rabindranath Tagore:**

With Critical Evaluations SAMIRAN KUMAR PAUL,2020-04-14 Gitanjali of Rabindranath Tagore With Critical Evaluations which was originally published with the same title and content in 2006 depicts Tagore s spiritual journey towards the Supreme Being It is a collection of devotional songs in which he offers his prayer to God But the religious fervour of these songs never affects the poetic beauty It appeals to the readers with its oceanic depth expressed in simplicity optimism and spiritual affirmation richness and variety humanization of the divine use of domestic image and symbols The relationship between the Supreme Being and human being is shown This book is a modest endeavour to evaluate the complete poems Nature common people music humanity sympathy and sense perceptions are the core feelings of these poems Tagore uses a wide range of vivid and picturesque image and symbols which are drawn from everyday life as well as from age old myths Several symbols like light boat cloud pitcher flute palace flowers river star sky recur in his songs These natural objects are used to convey deeper spiritual truth **Universalist Hopes in India and Europe** Ana Jelnikar,2016-02-18 In 1913

Rabindranath Tagore received the Nobel Prize in Literature World famous overnight he was translated into numerous languages Meanwhile in Slovenia a young still anonymous poet felt strongly drawn to the newly available works of the Indian bard This young man was Sre ko Kosovel who is today hailed as Slovenia s leading avant garde poet of the interwar period But what could Kosovel then barely out of his teens have in common with a figure of Tagore s stature Deeply affected by Italy s conquest of parts of Slovene populated territory Kosovel was able to identify with Tagore and relate to the historical predicament of colonial subjugation Despite coming from different backgrounds they were kindred spirits a dynamic creative ideal of universalism lay at the core of their concerns As a true universalist in the sense of feeling empathy with the less fortunate it was more in the spirit of equality that Kosovel approached Tagore This volume is the first comparative study of the writings of these two poets who lived worlds apart but spoke in strikingly similar voices It explores the links between India and East Central Europe in the early decades of the twentieth century and gives expression to responses from within Europe that have largely been overlooked in postcolonial and cultural studies **Handbook of Twentieth-Century**

Literatures of India Nalini Natarajan,1996-09-09 India has a rich literary assemblage produced by its many different regional traditions religious faiths ethnic subcultures and linguistic groups The published literature of the 20th century is a particularly interesting subject and is the focus of this book as it represents the provocative conjuncture of the transitions of Indian modernity This reference book surveys the major regional literatures of contemporary India in the context of the

country's diversity and heterogeneity. Chapters are devoted to particular regions and the arrangement of the work invites comparisons of literary traditions. Chapters provide extensive bibliographies of primary works thus documenting the creative achievement of numerous contemporary Indian authors. Some chapters cite secondary works as well and the volume concludes with a list of general works providing further information. An introductory essay overviews theoretical concerns ideological and aesthetic considerations developments in various genres and the history of publishing in regional literatures. The introduction provides a context for approaching the chapters that follow each of which is devoted to the literature of a particular region. Each chapter begins with a concise introductory section. The body of each chapter is structured according to social and historical events literary forms or broad descriptive or analytic trends depending on the particular subject matter. Each chapter then closes with an extensive bibliography of primary works thus documenting the rich literary tradition of the region. Some chapters also cite secondary sources as an aid to the reader. The final chapters of the book address special topics such as sub cultural literatures or the interplay between literature and film. A list of additional sources of general information concludes the volume.

Selected Poems Rabindranath Tagore, 2005-03-31 The poems of Rabindranath Tagore 1861-1941 are among the most haunting and tender in Indian and in world literature expressing a profound and passionate human yearning. His ceaselessly inventive works deal with such subjects as the interplay between God and the world the eternal and transient and with the paradox of an endlessly changing universe that is in tune with unchanging harmonies. Poems such as *Earth* and *In the Eyes of a Peacock* present a picture of natural processes unaffected by human concerns while others as in *Recovery* 14 convey the poet's bewilderment about his place in the world. And exuberant works such as *New Rain* and *Grandfather's Holiday* describe Tagore's sheer joy at the glories of nature or simply in watching a grandchild play.

Tagore and the Margins of the Nation under Colonialism Amartya Mukhopadhyay, 2023-12-12 This book focuses on India's anti colonial politics which Rabindranath Tagore 1861-1941 brought into the mainstream of nationalist thinking. It browses through the entire corpus of Tagore's writings in the genres of poetry fiction and essays to glean both used and hitherto unused untranslated writings that illumine Tagore's gender consciousness and proto feminist thought and empathy presenting it in a wholly new light. It teases out Tagore's original views on India's industrial capitalist development and his views on the roles of applied scientists and engineers in it to highlight his critique of the nature of science teaching in colonial India. The volume also delineates Tagore's Upaniadic ecologism that creatively evoked anticolonialism and patriotism. Lucid and topical the book will be indispensable for students and researchers in the fields of comparative literature history political science international relations and sociology at all levels and anybody interested in literary criticism and cultural studies.

Christian Mindfulness Peter Tyler, 2018-09-28 Many Christian commentators have been taken aback by the seemingly unstoppable rise of the mindfulness revolution that has occurred over the past decade. But there are many Christians who worry that mindfulness techniques constitute a covert import from Buddhism. How far are

Christians adopting Buddhist techniques ideas and ideologies Do we risk squaring Buddhist ideology and approaches to fit the Christian circle Beginning with an exploration of the practice of mindfulness in its Buddhist origins Peter Tyler reflects on the practical use of mindfulness its place within the Christian tradition of prayer and its future within the Christian tradition Tyler argues that far from a foreign import mindfulness is not only endemic but essential to the Christian understanding of how the human person relates to the divine Each chapter concludes with practical exercises to help the reader in their understanding of mindfulness in the Christian context

Empire, the National, and the Postcolonial, 1890-1920 Elleke Boehmer, 2005-01-06 Empire the National and the Postcolonial 1890 1920 explores the political co operations and textual connections which linked anti colonial nationalist and modernist groups and individuals in the empire in the years 1890 1920 By developing the key motifs of lateral interaction and colonial interdiscursivity Boehmer builds a picture of the imperial world as an intricate network of surprising contacts and margin to margin interrelationships and of modernism as a far more constellated cultural phenomenon than previously understood Individual case studies consider Irish support for the Boers in 1899 1902 the path breaking radical partnership of the Englishwoman Sister Nivedita and the Bengali extremist Aurobindo Ghose Sol Plaatje s conflicted South African nationalism and the cross border cosmopolitan involvements of W B Yeats Rabindranath Tagore and Leonard Woolf Underlining Frantz Fanon s perception that a colonized people is not alone Boehmer significantly questions prevailing postcolonial paradigms of the self defining nation syncretism and mimicry and dismantles still dominant binary definitions of the colonial relationship

Indian Love Poems Meena Alexander, 2005-01-25 According to the Kama Sutra the erotic handbook written two thousand years ago when the wheel of ecstasy is in motion there is no textbook at all and no order Indian Love Poems is a unique gathering of poems from across more than two and a half millennia that attempts to catalog the disordered ecstasies of love ranging from the Kama Sutra and earlier works up to present day India and the poets of the Indian diaspora Indian Love Poems features works from the classical languages of Sanskrit and Tamil and such later languages as Hindi Urdu Malayalam Bengali and English Emerging from many Indian cultures and eras the poems collected here reflect a variety of erotic and spiritual passions and celebrate the powerful role of desire both male and female in the intricate dance of existence From the twelfth century female poet Mahadeviyakka to the twentieth century Nobel Prize winner Rabindranath Tagore to such contemporary poets as Kamala Das and Vikram Seth this glittering tapestry of lyric voices beautifully and sensually evokes the transfiguring force of love

Tagore, Nationalism and Cosmopolitanism Mohammad A. Quayum, 2020-01-29 This book is a fresh examination of Rabindranath Tagore s ideas on nationalism and his rhetoric of cosmopolitanism It critically analyses the poetics and the politics of his works and specifically responds to Tagore s three lectures on nationalism delivered during the early years of the twentieth century and later compiled in his book Nationalism 1917 This volume Discusses Tagore s perception of nationalism the many sidedness of his engagement with nationalism the root causes of his anathema against the ideology

ambiguities and limitations associated with his perception and his alternative vision of cosmopolitanism or global unity Cross examines an alternative view of cosmopolitanism based on Tagore's inclusivist ideology to seek my compatriots all over the world Explores how his ideas on nationalism and cosmopolitanism found myriad expressions across his works in prose fiction poetry travelogue songs as well as in the legacy of cinematic adaptations of his writings Investigates the relevance of Tagore's thoughts on nationalism and cosmopolitanism in relation to the contemporary rise of religious nationalist and sectarian violence in the twenty first century A key study on the relevance of Tagore's political philosophy in the contemporary world with contributions from eminent Tagore scholars in South Asia as well as the West this book will be of great interest to readers and researchers in the fields of literature political science cultural studies philosophy and Asian studies

Rabindranath Tagore's Journey as an Educator Mohammad A. Quayum, 2022-12-20 This book looks at Rabindranath Tagore's experiments and journey as an educator and the influence of humanistic worldviews nationalism and cosmopolitanism in his philosophy of education It juxtaposes the educational systems and institutions set up by the British colonial administration with Tagore's pedagogical vision and schools in Santiniketan West Bengal Brahmacharya Asram 1901 Visva Bharati University 1921 and Sriniketan Institute of Village Reconstruction 1922 An educational pioneer and a poet teacher Tagore combined nature and culture tradition and modernity East and West in formulating his educational methodology The essays in this volume analyse the relevance of his theories and practice in encouraging greater cultural exchange and the dissolution of the walls between classrooms and communities This book will be useful for scholars and researchers of education Tagore studies literature cultural studies sociology of education South Asian studies and colonial and postcolonial studies **Artefacts of Writing** Peter D. McDonald, 2017 Explores the relationship between literature and international relations and considers how writing resists norms and puts any fixed or final idea of community in question Part I examines the European context 1860 to 1945 and Part II analyses the traditions of disruptive writing that emerged out of sub Saharan Africa and south Asia after 1945 *Contemporary British Poetry* James Acheson, Romana Huk, 1996-09-12 Devoted to close readings of poets and their contexts from various postmodern perspectives this book offers a wide ranging look at the work of feminists and post feminist poets working class poets and poets of diverse cultural backgrounds as well as provocative re readings of such well established and influential figures as Donald Davie Ted Hughes Geoffrey Hill and Craig Raine Contributors include many respected theorists and critics such as Antony Easthope C L Innes John Matthias Edward Larrissy Linda Anderson Eric Homberger Alastair Niven R K Meiners and Cairns Craig in addition to new writers working from new theoretical perspectives Their approaches range from cultural theory to poststructuralism each essayist addresses a general audience while engaging in debates of interest to postgraduates and specialists in the fields of twentieth century poetry and cultural studies The book's strength lies in its diversity at every level **Rethinking Lyric Communities** Irene Fantappiè, Francesco Giusti, Laura Scuriatti, 2024-10-28 In contemporary Western societies lyric poetry is often considered an

elitist or solipsistic literary genre Yet a closer look at its history reveals that lyric has always been intertwined with the politics of community formation from the imagining of national and transnational discursive communities to the use of poetry in episodes of collective action protest and social resistance Poetic forms have circulated between languages and traditions from around the world and across time But how does lyric poetry address or even create communities and of what kinds This volume takes a global perspective to investigate poetic communities in dialogue with recent developments in lyric theory and concepts of community In doing so it explores both the political potentialities and the perils of lyric poetry

Encyclopedia of Literary Modernism Paul Poplawski, 2003-12-30 Modernism is still widely acknowledged as perhaps the most important and influential artistic and cultural phenomenon of the 20th century Written by expert scholars from around the world and covering hundreds of different topics in a clear incisive and critical manner this reference maps the complex field of modernism in a fresh and original way The principal focus of the book is on English language literary modernism and the period 1890-1939 yet many entries extend beyond those parameters to include important precursors and successors of the movement The book also covers the crucial European and interdisciplinary dimensions of modernism and provides complementary comparative perspectives from countries and regions not usually included in traditional accounts of the subject Entries cite works for further reading and the volume closes with a selected general bibliography

I Won't Let You Go Rabindranath Tagore, 2011 *What Literature Teaches Us about Emotion* Patrick Colm Hogan, 2011-03-21

Literature provides us with otherwise unavailable insights into the ways emotions are produced experienced and enacted in human social life It is particularly valuable because it deepens our comprehension of the mutual relations between emotional response and ethical judgment These are the central claims of Hogan's study which carefully examines a range of highly esteemed literary works in the context of current neurobiological psychological sociological and other empirical research In this work he explains the value of literary study for a cognitive science of emotion and outlines the emotional organization of the human mind He explores the emotions of romantic love grief mirth guilt shame jealousy attachment compassion and pity in each case drawing on one work by Shakespeare and one or more works by writers from different historical periods or different cultural backgrounds such as the eleventh century Chinese poet Li Ching Chao and the contemporary Nigerian playwright Wole Soyinka
