**Race, Redevelopment, and the New Company Town** Daniel J. Monti,1990 *Gangs* Scott Cummings,Daniel J. Monti,1993-03-03 This book is an examination of contemporary gangs in American cities Gangs have proliferated over the past ten years and pose a new set of challenges to public officials law enforcement agencies and urban educators Most major cities are now confronted with serious problems derived from gang violence drug traffic and disruption of the public educational system In the face of deindustrialization and deepening recession many minority youngsters view gangs as attractive alternatives to a futile search for employment in a deteriorating urban economy Perhaps most significant gangs are now beginning to emerge in small and medium sized cities Some of the nation s leading scientists and scholars have been brought together in this book to examine the contemporary contours of America s gang problem including Daniel J Monti Joan Moore Scott Cummings Howard Pinderhughes Diego Vigil Ray Hutchison Felix Padilla Jerome H Skolnick Pat Jackson and Robert A Destro New material dealing with wilding gangs migration and drug trafficking and public educational disruption appear in this volume Other topics covered include how gangs are organized what social function they serve their relation to conventional society and the social and psychological factors that contribute to their rise The relationship of the contemporary gang problem to past research is explored and a rich variety of case histories and comparative analysis is presented The book also includes a section on public policy *Guide to Books on Black Americans* G. P. Manat,1995 This book presents 2322 full citations of books from 1990 1993 including subject headings of books dealing with Black Americans Full author and subject indexes are provided for easy access to this compilation Entries cover topics as diverse as civil war history sports figures literature civil rights movies and television religion culture politics and government social life and customs arts and artists philosophy *Whitaker's Books in Print* ,1998 **Race, Redevelopment, and the New Company Town** Daniel J. Monti,1990-08-14 This book shows how private interests collaborated with public leaders and often with neighborhood activists in order to rebuild several neighborhoods comprising racially and economically mixed populations in St Louis It shows that persons from different races and social classes can live together in redeveloped urban neighborhoods Detailed here are the politics and economics of redevelopment in what was one of the nation s most distressed cities We see how public and private leaders experimented with a variety of techniques to rebuild the city since 1950 We see the mistakes they made and the lessons they learned from those mistakes and we see how corporations and institutions came to strike a better balance between their private needs and a broader public interest Race Redevelopment and the New Company Town explores some of the most serious challenges confronting those who would rebuild America s cities and better integrate low income and minority citizens into the nation s post industrial economy *Subject Guide to Books in Print* ,2001
