**Unequal Motherhoods and the Adoption of Asian Children** Jungyun Gill, 2016-12-13 This book explores a deeply personal aspect of globalization the adoption of Asian children by white Americans It is based on dozens of interviews with adoptive mothers and adoption social workers nearly two hundred letters and essays written by Korean birth mothers who put their children up for adoption and field work at an adoption agency in South Korea It also includes analyses and explanations of U S and South Korean governments social characteristics and policies regarding adoptions and how relations between nations have affected international adoption The book focuses on whether the commonly held notion that adoptions are to serve children s welfare and their best interests has tended to render gendered aspects of international adoptions invisible Factors such as gender inequality social control of women s reproductive power patriarchic family structure and social beliefs concerning womanhood and motherhood that affect international adoptions are revealed in this book The multiple ways in which adoptive birth and foster mothers experience gender oppression from their different social positions of class race and nationality are explored and the interdependencies and inequalities of the motherhoods of these three groups of women are

brought to light      **Serials in the British Library** ,2001      **Spaces of Hate** Colin Flint,2013-10-18 While much has been written about hate groups and extreme right political movements this book will be the first that addresses the crucial role that place and context play in generating and shaping them Ranging across geographical scales the essays start with the home and then move from the local to the regional to the national to finally the global In this collection much of the focus is on the U S as the contributors consider a variety of hate activity and hate groups across the country including rural white supremacist and neo Nazi movements anti black sentiment directed towards cities anti gay activity in cities and rural areas and the resurgent Southern nationalist movement Closing with pieces from those who combat hate activity the intention of Spaces of Hate is to recognize specific geographic settings likely to foster hate activity      **California's Social Problems** Charles F Hohm,James A Glynn,2002 PLEASE UPDATE SAGE INDIA AND SAGE U K ADDRESSES ON IMPRINT PAGE

*Race and Morality* Melvyn L. Fein,2012-12-06 After I had finished my presentation a colleague and I sat rocking on the hotel porch to discuss its merits It was a picture perfect fall day in Jekyll Island Georgia and he was a friend Yes he explained what I was saying seemed to be true And yes it probably needed to be said but why did I want to be the one to say it Wasn't I after all a tenured professor who didn't need to make a fuss in order to retain his job Didn't it make sense to just kick back and enjoy the easy life I had earned The topic of our tête à tête was my speculations about race relations and he was certain that too much honesty could only get me in trouble Given my lack of political correctness people were sure to assume that I was a racist and not give me a fair hearing This was a prospect I had previously contemplated Long before embarking on this volume I had often asked myself why I wanted to write it The ideological fervor that dominates our public dialogue on race guaranteed that some people would perceive me as a dangerous scoundrel who had to be put in his place      **Diversity and Aging Among Immigrant Seniors in Canada** Douglas Durst,Michael MacLean,2010-01-01 Historically Canada has been a nation of immigrants with 16.20% of its citizens being foreign born Most immigrant research addresses the issues of integration and adjustment of young and adult immigrants with little work on aging There are numerous books on immigrants and books on aging but there are few that have considered the topics of both diversity and aging Diversity and Aging among Immigrant Seniors in Canada breaks from that tradition and offers an eclectic collection of original research from among Canada's leading researchers on aging and immigrants Some researchers refer to this emerging field as Ethnogerontology There are two interesting groups of immigrant seniors those who entered Canada at over 65 years of age and those who aged in Canada Most Canadians are surprised to learn that the senior population of seniors has a higher percentage of immigrants 19.6% than the general population 13.7% As Canadians age the country's composition of immigrant seniors has also changed from mainly European to greater cultural and ethnic diversity from Africa and Asia This cultural and ethnic diversity has social health economic policy implications and impacts on programs and services delivered to seniors Diversity and Aging among Immigrant Seniors in Canada is divided into two main sections In Part 1 the chapters

explore general and universal issues such as national trends and demographics theoretical orientations issues of culture and legal dimensions poverty and income and end of life care In Part 2 the chapters examine issues pertaining to specific ethnic groups For example there are chapters on the social well being of Chinese immigrants determinants of mental health for Iranian seniors family dynamics for aging Haitian elders and emerging issues for Punjabi families Diversity and Aging among Immigrant Seniors in Canada offers both breadth and depth to the topic of aging among immigrants and is a must read for social work and health care professionals students in health and social services policy and program planners and families of aging immigrants It is written in a language that crosses disciplines shedding professional jargon making it an informative and engaging read for professionals researchers and the general public **Politics USA** Robert McKeever, 2014-05-22

Politics USA is a lively and authoritative introduction to American politics giving students a rich and varied resource for all aspects of their course The book provides expert and comprehensive analysis of US politics and government including in depth coverage of the presidency the Congress the Supreme Court and American foreign policy This third edition of Politics USA has been thoroughly updated to include analysis of Challenges and policies of the first Obama administration Recent results and developments in US elections Latest major decisions of the US Supreme Court Contemporary American Foreign Policy This is an ideal introduction for students of US politics as well as anyone seeking to understand any or all aspects of politics in one of the world's most powerful and globally influential countries
