Rachel And The Stranger:

Catalog of Copyright Entries Library of Congress. Copyright Office, *The Western Films of Robert Mitchum* Gene Freese, 2019-11-19 Robert Mitchum was and still is one of Hollywood's defining stars of Western film. For more than 30 years the actor played the weary and cynical cowboy and his rough and tough presence on screen was no different than his one off screen. With a personality fit for western noir Robert Mitchum dominated the genre during the mid 20th century and returned as the anti hero again during the 1990s before his death. This book lays down the life of Mitchum and the films that established him as one of Hollywood's strongest and smartest horsemen. Going through early classics like *Pursued* 1947 and *Blood on the Moon* 1948 to more recent cult favorites like *Tombstone* 1993 and *Dead Man* 1995 Freese shows how Mitchum's nuanced portrayals of the iconic anti hero of the West earned him his spot in the Cowboy Hall of Fame. **Dangerous**

Deception Evelyn M. Hill, 2020-11-01 Nothing is what it seems. Rachel Garrett has the ideal life: a job in a small town surrounded by people she trusts until a stranger arrives and insists it's all a lie. Michael Sullivan's claims that she's been brainwashed and drugged can't be right. But why is someone trying to kidnap her? Now Rachel must decide if she believes her closest friends or the one man who makes her feel truly safe. From *Harlequin Love Inspired Suspense* **Courage** **Danger** **Faith**

The Trouble With Heroes Denise Little, 2009-11-03 These 22 all new tales pay tribute to the true heroes: the people who enable and put up with heroes. From what it's like to be Hercules' wife complete with an appearance by Hercules in drag to the trials of H.P. Lovecraft's housekeeper from the perils of being King Kong's girlfriend to the downside of dating a shapeshifter, this anthology turns heroism on its head, revealing the behind-the-scenes drama as opposed to glorious rescues. From the Pied Piper's power trip to David acting like a giant, you know what after slaying Goliath, these stories show heroes in all their ignominy and shine, a light on the unsung faithful standing in their shadows. **Howard Hughes and the Creation**

of Modern Hollywood Jeffrey Richardson, 2019-07-04 Howard Hughes was an industrialist, aviator, and eccentric, but he was also the most important movie producer during the golden age of Hollywood. At a time when filmmaking was tightly controlled and highly formulaic, Hughes used his enormous wealth to challenge the dictates and restrictions that defined the motion picture industry. Tackling subjects that were explicitly forbidden, he pushed the boundaries of onscreen sex and violence. He pioneered production and marketing techniques that were revolutionary, including the multimillion-dollar blockbuster and the promotion of scandal. When Hughes became the first person to completely own a major Hollywood studio, he continued his maverick approach to filmmaking as a mogul. Most importantly, Hughes's role in the federal government's antitrust case against the industry led to the collapse of the entire studio system and the transformation of American cinema. Although his contributions are often overlooked, Hughes was instrumental in shaping the motion picture industry that exists today. **Bigelow V. Twentieth Century-Fox Film Corporation**, 1950 **Shattered Alliances** Daniel M. Fein, 2000-11 A single bullet pierces a muggy summer evening in Dayton, Vermont, a small town set in the majestic Green Mountains. Its

intended target Rachel Gates is a seemingly average citizen except for her connections to the drug lord Jos Tahs The bullet is meant to silence her before she can reveal what she knows The assassination attempt fails as Special Agent Andrew Brown stops the killers before they destroy his one lead to Tahs Several days before Christmas Andrew Brown calls an emergency meeting where he explains why he believes Dayton is in great danger For Christmas Tahs has planned the largest drug drop of the century to take place in Dayton He s out to fulfill a vendetta and challenges his arch nemesis to try to stop him Andrew gladly accepts the challenge Andrew finds himself chasing Jos Tahs in a world of drugs deceit and deception as the town he s lived in the past two years becomes a town he no longer knows Thrust into a world where people are not always what they seem survival comes at a steep price Welcome to Shattered Alliances where your best friend may also be your worst enemy
